Defendant 9- Hostile witness Law offices of Christopher Trainor and Associates , Specifically Shawn Cabot P-64021 and Christopher Trainor . Rule (13)(2)(g) Rule (19)(2)

Rule 611 (b) Mode and Order of Examining Witnesses and Presenting Evidence **(b) Scope of Cross-Examination.** Cross-examination should not go beyond the subject matter of the direct examination and matters affecting the witness's credibility. The court may allow inquiry into additional matters as if on direct examination.

(c) Leading Questions. Leading questions should not be used on direct examination except as necessary to develop the witness's testimony. Ordinarily, the court should allow leading questions:

(1) on cross-examination; and

(2) when a party calls a hostile witness, an adverse party, or a witness identified with an adverse party which is Shawn Cabot and Law Offices Of Christopher Trainor and Associates, during our Conversation Christopher Trainor apologized Shawn Cabot didn't take care of my case."... Shawn Cabot was willfully negligent on purpose and showed willful misconduct which caused me injuries financially as well affected my life today as well as my children.

Jacket number 07-474207N (09-151180 DS)

(Shawn Cabot-P-64021 told me he was going to lie to the Federal Judge Marianne O Battani at the Detroit Main Library during an attorney client meeting Rule 11(b) (2)(3) . Whereas we were in the children room of the Detroit Main Library at 5201 Woodward Avenue Det. Mi. , where the librarian had to tell Shawn Cabot to be quite its children in the room because Shawn Cabot was yelling , “ how he was going to lie to the Judge, how he has been wearing the same suit for 7 years , while I was crying asking him do I still have to have sex with the terrorist? The facts will show on a wiretap that Shawn Cabot-P-64021 Rule 11 (b) (2)(3) heard Osama Bin Laden number 2 Aaron Labarrie , turn himself into me(Me, representing Chris Hess-7 as his

personal confidential informant -consultant as Mohamet with Company) and told me he'd(Osama Bin Laden number 2- Aaron Labarrie) rather give me the money – Only there wasn't any money it was the connections to the Osama Bin Laden Terrorist Tapes which included Mayor Yopp of Highland Park City and Chief Of Police Theodore Caldwell II , and Hamza Bin Laden , to turn over to the Detroit FBI, specifically Chris Hess-7 , David Harmon , and Gwen Rosenthal . (According to History.com The Patriot Act. August 21, 2018 –

- a. The Patriot act allowed law enforcement to use surveillance and wiretapping to investigate terror related crimes. (as Shawn Cabot took my case to hide discovery)
- b. The Patriot act allowed federal agents to request court permission to use roving wiretaps to track a specific terrorist suspect.
- c. The Patriot Act provided aide to Terrorism Victims and Public Safety officers involved in the investigations or preventing terrorism or responding to terrorism attacks.

While the USA Freedom ACT which had not existed in 2012 during the Osama Bin Laden Deposition of myself , Veretta Burnett. The USA Freedom ACT cannot be taken into account because President Barack Obama didn't sign it into law unto June 6, 2015.

Furthermore, after Aaron Labarrie -Osama Bin Laden Number 2 told me he'd rather give me the money ; Some strange white lady started calling me from a blocked number screaming at me through the phone asking me , “What Money”? (The Patriot Act allowed law enforcement to use surveillance and wiretapping to investigate terror related crimes) (In which I was informing doing my job reporting directly to Chris Hess-7 about Osama Bin Laden number 1 and Osama Bin Laden number 2

(Shawn Cabot-P-64021 as a police brutality lawyer makes his living on spying on police wiretap's and police scanners , so because the FBI had roving wiretaps , Shawn Cabot P-64021 as a defense attorney has his ways of spying on roving wiretaps)

Shawn Cabot-P-64021 Rule 11 (b) (2) (3) as my attorney told me I didn't deserve the money I was going to squander the money so the *Court Room work Group* based on Willful misconduct and Willful Negligence and an attempt to hide Discovery of both Osama Bin Laden's number 1 and Osama Bin Laden number 2 by sabotage from my own attorney Shawn Cabot P-64021 who colluded not to pay me \$ 5 million 75,000 in 2011 for explaining How Osama Bin Laden number 1- Gustavo Guerrero and Osama Bin Laden number 2 Aaron Labarrie ended up still alive (in present day and in America) in America at my apartment at 11 Farrand Park and 730 Whitmore Detroit , Mi 3 months before President Barack Obama #44 said Osama Bin Laden was killed by Seal Team 6 ; while previously making Terrorist tapes against America ; which included Chief of Police of Highland Park Michigan ,Theodore Caldwell II along with Mayor Hubert Yopp's involvement in the making and distribution of the Osama Bin Laden Terrorist Tapes – since Theodore Caldwell II was a narcotics officer in Highland Park Michigan 48203.)

Furthermore ; James McGinnis Rule 37 (a) (1) (2) Rule 37 (3) (a) asked during the Osama Bin Laden deposition On page 29 Line 6 Rule 27 (a)(4) asked : Question : You would give them drugs ? in reference to me admitting that I was on drugs in Line 5 of my answer of how I met Both Osama Bin Laden Number 2 and number 1 , during the Osama bin Laden deposition Case No. 09 cv 14238 Rule 27 (a) (4) under Rule 32 (a) (1) when I mentioned I was on drugs. Shawn Cabot P-64021 Rule 37 (a) (1) (2) Rule 37 My own attorney objected to the line of questioning basing his objection to relevance ; and relevance was everything to the line

of questioning being objected too by my own attorney refer to page 29 of the Osama Bin Laden Deposition case number 09 cv 14238 Rule 27 (a) (4) under Rule 32 (a) Rule 37 (3) (a) ;

Evidence will show on several occasions Shawn Cabot P-64021 maliciously blocked discovery .

The reason that is important is because when I was a dancer I used cocaine before the WTC was attacked in September 11, 2001 . By 2002 I had found Kim Jong Un Secret Detention, and after coming out of Kim Jong UN place of detention I was arrested for drug paraphernalia , although I had just witnessed the torturous conditions of Kim Jong UN in an abandoned McDonalds on Mack and Peck in Detroit Michigan 48215 .

Backing up to 2001 when I was dancing leading up to 2002 of me finding Kim Jong Un Secret detention . I had international clientele – customers at 007 a Topless Entertainment Bar , I had the Asian Scientist who lived in Novi who wouldn't let no other female dance for him at 007, he would wait 15 min- to 20 minutes for me to change clothes patiently. I had the White guy Robert Welch .I met Tupac Shakur- Harry Davis on September 09, 2001 only after about 4 months dancing .I had the right Pimp at 007 his name was Ralph Willis . Ralph used to sale crack to his own personal Caucasian customers outside the Topless Entertainment scene, all Ralph did was deliver 8 balls of cooked crack to Caucasian people-crackheads, living in the suburbs surrounding Detroit , Mi .

I gave Ralph Willis \$3,000 cash to fix his roof so he hired his Crack head Uncle to fix the roof then he took me with him to buy 6 ounces of crack cocaine from Ray – Gooch at 7 mile cycle . It was a deal \$500 per ounce already cooked up, Ralph told me . So Ralph took me to 7 Mile Cycle; Where Ray -Gooch owned the motorcycle shop. Ralph went in and purchased 6 ounces of crack cocaine. I stayed in the car ; I had seen this guy with a camera; going into 7 Mile cycle I was immediately attracted to him although he was dressed like a bum. Come to find

out Harry Davis- Tupac Shakur was recording Joy Rd the Movie at 7 mile Cycle, while Gooch – Ray was slanging ounces of crack cocaine already cooked up and hard in big paper plates styles, out the front door . (Important note: I had only seen thick ,paper plates of crack like that is when I was 13 , Paycheck use to take me with him to the stash house , Paycheck use to make me sit on the floor of the front seat of the car on the passenger side so I didn't know where we were going, on our way to the house where he kept pounds of crack cocaine , I could only get out the car once Paycheck pulled into the back of the stash -house and we would go into the back door of his stash house. Paycheck had the rich people dining table back in the day that fit 12 or more people , only he didn't use it for people he used it to dry the crack and store the crack for later use , but Paycheck trusted me because I sat on the floor of the car as he demanded without arguing while he drove to the weight house at his demand , I had no idea where his weight house was although I was in his weight house physically when I was 13 in 1989)

Back to 2001 I didn't know that it was Harry Davis- Tupac Shakur that was recording The movie Joy Rd. at Ray – Gooch motor cycle shop until I met him on September 9,2001. When I met Harry Davis aka Tupac Shakur I met him as Harry Davis . I had no idea he was really Tupac Shakur as he is a light skinned black male with sandy brown hair , totally opposite of what everyone has seen on TV of Tupac Shakur as a dark skinned bald , thinly built black male with Thug- Life tattooed on his body . I genuinely was attracted to Harry Davis not knowing he was the Real Tupac Shakur the Famous Rapper.

When he came into 007 with Ray – Gooch who was also in the Cheddar Boys video a Big Detroit rap group who use to come into 007 and make it rain . They use to throw money all around the Club . But Gooch – Ray , and Tupac Shakur -Harry Davis

on September 9th 2001 came into the bar alone without all the fancy clothes and throwing money . I approached Harry Davis- Tupac Shakur after I got off the stage doing a show with another female, I went and cleaned myself and came back . I had on a sky Blue Gucci dress , bra and panties with the matching purse , that Sole' the House mom made just for me out of an old Gucci Dress I had , that Chris Sanford my baby daddy bought me before he was beaten into a coma in 2000. I was having a good night – then it got better I met Harry Davis – who I learned was Tupac Shakur through our personal time spent together in Detroit where he first bled into me Detroit to and New Jersey . (Before I started Dancing My Baby Daddy would gang up with other guys from Mt. Clemens and use to bring me along with Christopher Sanford to 007 from Mt. Clemens and my Baby daddy asked me what would my dance name be? I said Chocolate , Chris Said No! its Hot Chocolate because Chris White co-workers use to tell Chris I'm Hot!- My 5 steps to customer acquisition was : Introduction , short story/ Qualify , Presentation , Close and Rehash which would be ,” Hi, I'm Hot Chocolate with the cherries on top and I would show a little breast and twerk a little (Hence the cherry tattoo's on my breast – and men would get it, especially my Caucasian and Arab customers at Hot Tamales. At times when I had black customer with only 1 dance money in his pocket(\$10) I would have to pass them up because I had another customer that wanted to spend they entire lunch break with me or spend \$300 for 10 minutes of sex and 20 minutes of foreplay of me dancing and grinding on them , as I give my customers a time limit,(Except Tupac) . I have chronic kidney stones called Cystinuria I can't take all that banging on me for 30 minutes or more; my mind start to wondering during sex and physical pain can take over my mind from the kidney stones besides the ideas of

what I have to do, or whose my next customer , or what money Ima set aside for the kids , or the physical pain sex can cause when you have chronic kidney stones so I learned to give the customers a time limit for physical sex , no more than 15 minutes , although all at the Topless bar I'm giving them foreplay grinding and showing them my Vagina and breast) I had a sense of urgency for effective customer negotiations where time is money and money is time ;One customer liked to go to the Hot tubs and see me in the water , but the Jets from the Hot Tub would hurt my kidneys so I would give him oral sex in the car to avoid that Hot Tub and the jets blowing on my kidneys – he would just drive strait to the ATM pull out \$300 and take me back to the Club. Where I would have other customers waiting for me .

Harry Davis – Tupac Shakur took me to his home after a month into the relationship (where he- Harry Davis- Tupac Shakur had moved into my body by now-Transference of spirits) from Detroit to everywhere including New Jersey - and I saw that Harry Davis – Tupac Shakur was dying in my face but he was still trying to work , saying that he has to run without water . Saying How Steve made him do it, because I was asking Harry why he giving checks to people whose not working on his movie set , or asking why was he letting himself be extorted. Tupac- Harry Davis had given me his blank check book to keep while he attended a meeting but he had Verveena Johnson and Christopher Pond around(police informants) – Id figure he would have given them the check book . It had hundreds of Blank Checks from Reel Deel one of Tupac- Harry Davis businesses . So I felt that Harry Davis – Tupac Shakur was going through something other than making a movie because I started seeing signs that he was dying, during our sex-capades .

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

I had met Shawn Suber a Persian Gulf soldier . He does shelfing-or scarfing which is to steal from reputable businesses then sale it to the Arab liquor stores or to the local drug dealers , Shawn Suber is a kleptomaniac . He would steal items from the Casino's then take them to the Arab stores and drugs dealers to sale for crack. Sean spoke Arabic to the Arabic store owners . But because I'm not good at stealing when he would go into MGM Grand Casino to steal I would have to stand by the statue a block away from the casino. When Shawn would come back out the casino we would have \$300-400 worth of merchandise that he would then shelf-or scarf on the streets and to the Arab liquor stores or to drug dealers .

At time Shawn Suber would acquire so much crack that I would have to throw my crack rocks on the ground that he would give me so that I would not kill myself smoking crack . Shawn Suber was violent if I didn't want to smoke crack with him he would fight me.

So I had went to go see Harry Davis - Tupac Shakur in New Jersey to get away from Shawn Suber . I was with Harry Davis for about a week , he kept saying he could not use the bathroom and he wasn't feeling good . But one day

I saw Tupac Shakur – Harry Davis cheating in my face with a man three years into our relationship (Harry Davis- Tupac Shakur tried to play me, and Harry said we was going to work out , he told me to go one way and he went another way and said we was going to meet up , in 10 minutes , but I beat him to the meet up location (I learned from being with Paycheck , to learn the surroundings before I go to someone house, so when Harry told me to meet him , I got there and saw that scenario)

and when I got there I saw a Big Black man pulling Harry Davis – Tupac Shakur pants down or coming out of Harry -Tupac outside in broad day light in Hackensack New Jersey , I couldn't

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

tell if Harry – Tupac was being raped or let this man Rape him in my face that's why he tried to split up during our workout but I saw him bent over in a sexual position with a man , (I could handle it if it was a woman but it was a man I couldn't understand why Tupac – Harry didn't respect that I did peg him but he was dying from anal warts on his rectum from being sodomized by Ayanna Jackson and the other people involved in the orgy.(refer to the countless Public interviews Tupac Shakur – Harry Davis did saying Ayanna Jackson sodomized him, in which he was gravely injured during the rape on him which he kept private and had to fake his death due to his injuries of Cancer (although he did take me to a studio at Billie house in 2002 that 14 years later in 2016 became a secret detention for Kim Jong UN Family , and the Lady that poisoned Kim Jong Nam Kim Jong Un is posing as a Vietnamese nail tech at 12027 Woodward . As the Vietnamese woman that was accused of killing Kim Jong Nam has evaded the death penalty in 2019 .

A Facebook video surfaced of an Asian woman dressed like the women on the news that put poison on Kim Jong Nam Face being beaten with a 2 by 4 until her scalp came off – that video was sent to Ali my Baby daddy phone around 2016 around the time I told reporter Kimberly Craig of channel 7 news WXYZ that I saw Kim Jong Nam , while I was working on a peace treaty and street resolution to Abu – Bakr- Al- Baghdaddi and ISIS – Israeli Secret Intelligence Services - with Mullah Krekar , Ibn Mullah Krekar , Rashid Al- Maktoum , Omar Mateen, for my boss Sahar, Johnny, Rick Valdez, Beth , and Wii .)

Back to Tupac aka Harry Davis I didn't want to hurt his rectum even more, by pushing the anal warts further into his rectum. Then he was bleeding inside me when he would ejaculate from Prostate cancer, his groin was swollen up like the size of a large orange or a small grapefruit)(After Tupac – Harry bled inside me in 2001 before he brought me to his home -

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

when he would ejaculate blood in me when I would be on top – his blood woke me up starting immediately in 2001 ; at first I was angry and grossed out Harry bled in me ; but the changes started happening immediately . Tupac- Harry Davis took over my body, The Blood of the Holy Covenant (from Tupac Shakur aka Harry Davis like God) had woke me up and put his body-Spirit into my body but the bi-sexuality I was seeing from Tupac- Harry Davis wasn't Godly, it was confusing to me . <https://www.youtube.com/watch?v=o9j8fs6SSfc> Tupac Interview outside New York Courthouse in November 29,1994

)(refer to Harry Davis-Tupac Shakur African rituals) as a result of seeing Harry Davis – Tupac Shakur having sex in my face with a man , while he was dying and ejaculating blood into me ; I turned to smoking crack from using powder cocaine , It crushed me to see Tupac with a Man and he was dying, from the injuries of being sodomized by Ayanna Jackson who claimed Tupac-Harry Davis raped her after Ayanna Jackson straddled him forcefully, sodomized him and gave him anal warts , or what the gangs like Bloods and Crips call “courted inn or raped inn”. (I was jumped into the Crips not fucked inn, raped inn or courted inn,) Tupac's- Harry Davis was courted in or raped into the Bloods since he was never visually jumped in . Tupac – Harry Davis penis and balls was clean, so I had sex with him its wasn't until I came to his home in New Jersey that I realized he had anal cancer from being forcefully sodomized by Ayanna Jackson which caused his prostate to swell up . That's when I went back to work my territory correctly to the Arab man I married in 2000 after my baby daddy Chris(who I was with for 7 years) was beaten into a coma in early 2000.

The new Arabs That worked at the gas station owned by my Grandfather years earlier was there . The Arab men that owned the gas station was from Lebanon at 7352 Kercheval Ave.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Detroit Michigan .(Kassam Muhammad Saad) Kassem wasn't working at 7352 Kercheval Ave, which was owned by my Grandfather years before Ali-Jimmy who married me to his cousin Kassem came along. Jimmy – Ali and I use to have sex , but he's married , so he arranged for me to marry his cousin for a green card from Lebanon they paid me a dowry . Sam, the new owner of 7352 Kercheval Ave. let me hustle , and pump gas , because he had someone hiding on the shelf of the gas station(I believe it was Gustavo Guerrero- Osama Bin Laden number 1) , I could feel that person watching us when Sam and I were intimate, in the back room where the man was being kept and fed on a top shelf . At night around the same time Sam would put a plate of food on the top shelf , he had a small step ladder to reach the top shelf in the storage room of the gas station. One day I passed out in 7352 Kercheval Ave. and had to be rushed to the hospital , by EMS ,I was so exhausted , staying up for days having sex with Sam trying to figure out who on the top shelf of his gas station . Sam is the new owner of Sunco Gas station at 7352 Kercheval , Detroit, Mi.. My Grandfather died but also owned property at 2136 Sheridan Detroit Mi., He owned a gas station on Jefferson and Mt. Elliot at 6300 E. Jefferson , and a Mechanic shop on Mt. Elliot and Meldrum .

My Grandfather is (Eddie Electra Burnett, whose 10 kids were cut off from his property) Then From Sam Gas Station I went onto 12517 Mack Ave, Detroit Mi. 48215 where I found Kim Jong UN Secret Detention in 2002 in an Abandoned McDonalds where the Detroit Police Arrested me , and charged me with drug paraphernalia instead of saying that the building I came out was a secret detention of the Most wanted World Leader on President George W.

Bush # 43 7 State Sponsors of Terrorism List; Kim Jong Un , in my case of defense)

According to New York Times George W. Bush at his presidential swearing-in ceremony in Washington in 2001. Mark Wilson/Newsmakers

Bush Takes Office

George W. Bush is sworn in as the 43rd president of the United States.

In his first State of the Union Address, President Bush charges that Iran, Iraq and North Korea "constitute an axis of evil."

Admission of Nuclear Program

Confronted by Bush administration officials with evidence that it had cheated on the 1994 agreement, North Korea admits that it has been conducting a major clandestine nuclear program using enriched uranium. It declares it has now "nullified" its agreement with the United States to freeze all nuclear weapons development activity. (New York Times Article,2002)

The Arab -Russian guy at 12517 let me hustle by pumping gas , putting air in tires , but he didn't have sex with me this was business; but there was also this male black nurse (68 whisky) . I would go into the back of the McDonalds to smoke crack while at 12517 Mack Ave while hustling ; the 68 whisky started buying \$10 crack rocks and throwing them for me to find at the Back of Kim Jong UN secret Detention ; He would throw them in my face ; and say go find it ; I found so many crack rocks that I realized - something else was going on ;because the 68 whisky didn't try to have sex with me at all; he was trying to get into Kim Jong UN secret detention but the back of the McDonalds door was bolted and torched shut ; it had bead welds on it; But eventually the Arab – Russian gas station attendant that night I was arrested told me to go into the front door of Kim Jong UN secret detention not the back door, He told me to “GO SEE!” So I took the male black 68 whisky into the abandoned McDonalds which was Kim Jong UN secret detention, That's when I saw human feces all over the floor , The Male 68 whisky stayed behind me throughout the tour of Kim Jong UN Secret Detention , he had on burgundy scrubs . I had a Sony Walkman I got from WCCC3 from college , I played Prince Adore – because I didn't want to hear screaming once I entered the Abandoned McDonalds of Kim Jong Un secret detention . I trusted the male black 68 whisky- that he wasn't going to kill me in the abandoned McDonalds ; because he invested in so much money into \$10

crack rocks for me to find; that it was clear he was trying to get into the abandoned McDonalds of Kim Jong UN secret Detention .Also right before the Arab- Russian gas station attendant told me to GO SEE! I saw a man sitting on the gas station floor , the other attendant was pouring coffee into a dog dish or a dish on the floor and I saw feet of a man sitting of the floor at that point I'm thinking its Osama Bin Laden - The Police let the 68 Whisky go and arrested only me that night . (Although I smoked crack I was a highly functional addict – and could articulate the truth of what was going on in my community -the detainment of Kim Jong UN , although the police wanted to make the case about petty drugs when in actuality I was witnessing the detainment of Kim Jong UN at the time I thought it was Osama Bin Laden because the secret detention was just opened and emptied ; in other words Kim JONG UN Body was moved , but I also thought the person who was sitting on the floor of the gas station at 12517 Mack was the same person being detained in the abandoned McDonalds. I could only see they feet in the gas station sitting on the floor)

During this time I was going to Wayne Community College District – Fort Street campus, downtown campus and the Eastside campus on St. Jean ,As I said I believe Sam at the Kercheval Ave gas station had Gustavo Guerrero -Osama Bin Laden number 1 on a gas station shelf . This older Sikh started approaching me for sex on my way to college. He was Guarding the Parking lot near Wayne County Community College District (WC3D) on Fort street . He took me to his home on Griswold Street which was a senior building . When the man took me into his apartment he showed me a washboard the same type of washboard , that we used in Adrian Training school – Bootcamp for our underwear and bra's , except he used the washboard for his turbans .(I went to Adrian

Training School in Michigan in 1990 which was a bootcamp atmosphere that thrived off the check yourself model in which you would have to check your group members if they got out of line , or surround and put group member down (Put'em down quick) if they ever showed violate outburst . I became the Check Yourself Prom Queen In Adrian Bootcamp where we had , Teenage men who were sexual predators on the other side of the boot camp , often time the only boys we would see was the sexual predator boys , in which Stephen a 6 foot 5 inches 250 pound Caucasian boy became Prom King and we had to dance together , during that stint I had the chance to understand the psychology of the young boys who were in Boot camp for criminal sexual conduct and most didn't understand statutory rape. But me personally I didn't like getting sexual with the rape boys so I would tell my mom to bring Paul McGee who later became my daughter's father ; Paul McGee would sign up as my cousin in order visit me at bootcamp on visits so that I can see a man, who was not wanted to sex assault , later this would change with Paul who went to prison for 10 years for strong arm robbery and Armed robbery)(all this is important later down the line)

When the Mujahideen man found out I was Muslim , he made it seem like he was Sikh Mujahideen and as if he confirmed "something." Then he threaten me and told me not to come back as if I blew his cover (I kept having to switch campuses at community college because the terrorism was taking me into 2 different directions of downtown Detroit Campus of WCCC3D(Wayne County Community College District) to the St. Jean Campus of WCCC3D to Mack and Peck where Kim Jong Un Secret detention was . (All the while I thought Osama Bin Laden was in the abandoned McDonalds because I could only see the man feet , but when I met Kim Jong UN momma ,

I had given Shawn Cabot P-64021 the brief of Kim Jong UN Secret Detention and he as my attorney showed willful misconduct by “objecting” or “ blocking discovery to James McGinnis line of questioning blocking discovery Title V and the mechanics of discovery and disclosures, on when I was on drugs basing his objection to relevance .Rule (27) Depositions to Perpetuate Testimony **(a) (4) Using the Deposition.** A deposition to perpetuate testimony may be used under Rule 32(a) in any later-filed district-court action involving the same subject matter if the deposition either was taken under these rules or, although not so taken, would be admissible in evidence in the courts of the state where it was taken. Shawn Cabot as my attorney blocked critical information , thus blocking my original settlement amount of \$75,000 for the physical crucifix and police brutality by Srgt. Brenda Stevenson because 2 days earlier I had made the FBI aware of Chief of Police Theodore Caldwell II involvement in the Osama Bin Laden Terrorist Tapes and the location and phone number of hamza Bin Laden due to the constant threats being put on them to make more terrorist tapes , . Instead James McGinnis , William Ford and Shawn Cabot colluded not to pay me \$5 million dollars for the Terrorism work of finding Osama Bin Laden number 1... in 2004, and Osama Bin Laden in 2005 - and Kim Jong Un in Highland Park Michigan in 2014 and Vladimir Putin in 2013 and \$75,000 as a separate payment for the police brutality committed by Srgt. Brenda Stevenson on November 7th , 2007 , 2 days after I gave the FBI geographical profiled locations of the World Leaders and Most Wanted Terrorist listed above . For a grand total of 5 million 75 thousand dollars for the work I’ve done for the FBI (Chris Hess-7 ,David Harmon, Gwen Rosenthal in her Professional and Personal Capacity) James McGinnis laughed and said they don’t have to pay me because I told them I am not an Informant . I work for Chris Hess- 7 the FBI as a confidential informant which means that I don’t have to divulge my work to James McGinnis or Srgt. Brenda Stevenson

without the permission or confirmation from Chris Hess-7 , David Harmon and Gwen Rosenthal in her personal and professional capacity ,especially when Chief Theodore Caldwell II of Highland Park Police is and has been apart in the making and distribution of the Osama Bin Laden Terrorist Tapes with Osama Bin Laden number 2 taking advantage of the fears of American People and Government from with inside of America.

When I met Osama Bin Laden Number 2 Aaron Labarrie – I pegged him – so I didn’t have to see a man have sex with him, as with Tupac Shakur the rapper – Harry Davis taught me that heart breaking lesson with our personal sex experience .

Rule 11 (b) (2) James McGinnis and William T Ford Rule 11(b) (2) didn’t take the law into mind Or the fact that title of informant or Mohamet does not described the content of my work performed for the FBI Chris Hess-7 In Highland Park , Michigan . I called Chris- Hess-7 with geographical profiled information regarding the terrorist and Most wanted World Leaders 2 years before the Highland Park Police Srgt. Brenda Stevenson put me in a crucifix and police brutality me on November 7th 2007, 2 days after I went to the FBI on Chief Caldwell. “Officer Rikki told me he didn’t take my police report because I was talking about their Chief , and he reiterated that I was basically being assaulted by Srgt. Stevenson while I was in a crucifix because I was talking about the they Chief , referring to Police Chief Caldwell who was having sex with Osama Bin Laden number 2 forcing him to make terrorist tapes and retrieving crack for him and Mayor Yopp. I had already given the information to the FBI before the Highland Park Police assaulted me .

Rule 44 (a)(1) (A) (B) (i) (ii) Later I sent all 3 FBI agents Chris Hess-7 , David Harmon , Gwen Rosenthal and Kaplan Online University Administrative Analysis of

the Most Wanted Terrorist and Most wanted World Leaders Geographic profiled Locations in 2012 .

But in 2007 I was police brutality because I went to the FBI in which 2 days later I was put in a crucifix by Highland Park Police for implementing Chief Theodore Caldwell II in the Osama Bin Laden Terrorist Tapes . Then 5 years later I sent the Geographic Profiled updated locations of the Most Wanted Terrorist and Most Wanted World Leaders on another occasion in 2012 ; I sent a copy of my thesis in 2012 reporting the Terrorism and Detainment of the Most Wanted World Leaders and Most Wanted Terrorist locations (Geographical Profiling , by Crime Mapping and Crime Analysis) Furthermore , is how right before Muammar Ghaddafi – Adel Al- Hajami Faked his Death (Adel Al- Hajami is not dead included is a picture Which goes toward my Qualitative data)Adel Al- Hajami as Muamar Ghaddafi – was in America way before the Arab Spring – Adel – Ghaddafi told me he came to America on a ship. (Because Ghaddafi submitted to Bush #43 he was hated, that's the narrative played out in the fake death tape of Muamur Ghaddafi as Adel Al- Hajami ..) Adel Al- Hajama lost everything and became a chronic alcoholic in America. Adel Al- Hajami Detroit Police arrest record for drunk driving Rule (44) (a) (1) (a) (b) (c) (I have to compare , and contrast the dates so that the pattern can found example:

Beyonce' Knowles went to perform for Ghaddafi son's for \$ 2 million dollars . Then in 2016 Charles Nii Armah Mensah Jr. / Shatta Wale came riding a bike to me screaming with his teeth knocked out , I couldn't understand him so he gave me his Michigan Identification card , then he drove away back to the secret detention , his teeth were knocked out . Then I found him on Whitmore and 3rd in an abandoned building being detained . Rule (44) (a) (1) (a) (b) (c) I

made a call for service by calling 911 in which the 12th police department by 911 a day after I went Face- Book Live to Prove that someone was being detained-chained up in the abandoned building surrounding my home which I figured was another Most wanted Terrorist or World Leader . Rule (44) (a) (1) (a) (b) (c) for my Facebook Live video to be used as evidence of me finding and searching for Shatta Wale – Charles Nii Armah Mensah Jr. secret detention and finding it.

The police at the 12th precinct told me to go home when they find Shatta Wale/ Charles Nii Armah Mensah Jr. they will have him call me . Charles Nii Armah Mensah Jr. did call me in 2018 over Whats App . Rule 44 (a) (1) (a) (b) (c).

An important factor is where I met Shatta Wale / Charles Nii Armah Mensah Jr. that is where Qari Bilal- Sam used to work at 820 W. Mc Nichols – Qaril Bilal Kidnapped my 5 year old son . (while Kim Jong UN family and Soldiers Children are at 230 W. McNichols, Detroit mi. 48203) Qari Bilal-Sam Kidnapped my Son Farrad Al- Kindi to 885 Covington Detroit Mi. 48203 a secret detention - from 3901 Margareta St. Which is my son's elementary school Palmer Park Elementary School (the Detroit Police took my son back to school as if nothing happened , and my son had to let me know he was taken out of school to a House with the Red Door , in retrospect Aaron Labarrie - Osama Bin Laden Number 2 – house at 145 Tyler Highland Park , Michigan is a house with a red door.."

2 years before I found Charles Nii Armah Mensah Jr.- Shatta Wale - Once I help to free them (Shatta Wale and Ghaddafi) (Charles Nii Armah Mensah – Shatta Wale) from their secret detention Beyonce’ Knowles is involved like with Shatta Wale – they did the Lion King Movie Song *Already together* , but I have to work with them(Ghaddafi and Shatta Wale) on a secret detainment level , on a FBI level , on a “captured” Level– which is finding their secret detention or when they locked and chained down in an abandoned building ,and like Ghaddafi- Adel Al- Hajami living in squalor in my community . (I’m asking William Barr and Matthew Schneider . to watch “Catch a Fire” to understand my analogy of Vladimir Putin in the League of World Leaders – Catch A Fire -The True Story of Patrick Chamusso- according to *Joanne Laurier*

11 November 2006 catch a Fire - Patrick Chamusso - Leaving Precious in the dark about his mission, Patrick abandons his family and illegally enters Mozambique where he begins training with the ANC under MK commander Joe Slovo, one of the few white leaders of the force. Slovo is in charge of Special Ops, a unit set up to engineer acts of military propaganda designed to demoralize the white oppressors. Patrick (codenamed “Hotstuff”) prepares to become a one-man assault team for a second hit on the Secunda refinery.(In my eye’s Vladimir Putin plays the role of MK Commander Joe Slovo – except in my eyes Vladimir Putin is not the savior of Apartheid nor is he the better “white man” for Black America to put their trust in as Black people have been fighting the Russians since the Egyptians days . Refer to Black Georgia in Russia . As President John F. Kennedy built thousands of bomb-shelters across America as a result of Vladimir Putin and the cold war.

As Jimmy Carter Book Palestine Peace not Apartheid ,spoke how the Russian’s migrated in the millions to Israel learning Yiddish and setting up corporations in Israel but the fastest

growing population in Israel is the Israeli Arab. My evidence of the Israeli Secret Intelligence Services or ISIS . This is about “Israel” having a Terrorist organization in the middle east because America had-has Al-Qaeda in the middle east , and Israel had no Middle Eastern Allies or terrorist group to kill the Arabs with the “Al” connotation to their name who helps or have helped American causes through warlord tactic’s . Example : Al- Baghdadi , Al-Zarqawi ,

As we know the war in Israel is the Ashkenazim Jewish immigrants from Europe and America were against the oriental Jews called the Sephardim whose families had come from the middle east and Africa. The oriental Jews or the Sephardim had a higher birth rate in Israel , then their European and American Jewish Counterparts, besides the Arabs who were told to emigrate out of Israel and the Jews of Palestine before it was called Israel .(Carter,2006p.40)

Carter states in Palestine Peace Not Apartheid , “ Menachem begin was also a major force for victory in Palestine. After he and his family suffered persecution in Eastern Europe and Siberia for his political activity as a Zionist, he was released from a Soviet Union prison and went to Palestine in 1942. He became the leader of the militant underground group called the Irgun, which espoused the maximum demands of the Zionism. These included

1. Driving British Forces out of Palestine., He fought with every weapon available to him against the British , who branded him a pre-eminent Terrorist in the region.

(Palestine Peace Not Apartheid , Carter ,2006 p.40)

Retracking my steps from 2001-2003, I worked at Butzel Elementary School at 2301 Van Dyke St Detroit , Michigan 48214 after I stopped dancing at the Topless Bars in Detroit , Michigan. I was then recruited by the New Black Panthers . The leader stayed on Ewald circle. The female who recruited me to the New Black Panthers son went to the school . Rule 27 (a)

(4) using the Osama Bin Laden Deposition 2:09 cv 14238 referring to my connection to the Nation of Islam , Minister Farrakhan , and my visit with Minister Farrakhan at the Detroit number 1 Mosque on Wyoming in Detroit - when I was 10 and he offered to find me a husband . When the Beltway Sniper Attacks happened beginning in 9/5/2002 according to Wikipedia...

The New Black Panthers wanted me to go with them to apprehend Lee Boyd Malvo and John Muhammad before the police caught them, the New Black Panthers Leader specifically wanted to cut off John Muhammad and Lee Boyd Malvo in Virginia and capture them before the police captured them. . However I was working at 2301 Van Dyke St. Detroit , Mi. 48214 (In which I was clean from any drugs) at Butzel elementary school – Helping the disabled children who couldn’t feed themselves eat, during lunch time and helping put up bulletin boards and taking disabled children who couldn’t get out their wheelchair to the bathroom safely – I had to carry them and put them on the toilet then leave them alone until they finished ,(They - in some cases could not wipe themselves.) I helped Mrs. Hill the normal lunch lady for the disabled class at lunchtime, and the teacher for the disabled class by putting up her Bulletin boards keeping the class visually audible . The New Black Panther’s went to Virginia and Washington to find the DC snipers as a group to apprehend both John Muhammad and Lee Boyd Malvo .Speeding up years later , In 2010 , after writing a demand letter to know or a Habeas Corpus to Michigan State Legislators demanding to know where the secret detainee’s was being held in Michigan and why each one was being held asking Michigan State Legislators publicly on social media accounts about the secret detainee’s true location as I started believing from the evidence of the secret detention at 885 Covington that President Obama moved the detainee’s in the “*Hood*”, in the Black community (years later this was very important) , in 2016 while having register voters sign petitions to increase minimum wage , I saw Lee Boyd

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Malvo , Downtown Detroit at 1310 Cass Rosa Parks Transit Center, Detroit , Mi . He and his crew of young men had on red and black . I told him , “ you look like Lee Boyd Malvo as he signed my petition and the crew of boys started going wild .(I don’t remember the name he signed on my petition because the young men he was with was so rowdy when I mentioned the name Lee Boyd Malvo , I was paying attention to the crowd , because they all were dressed alike .

Except Lee Boyd Malvo had a bald fade . That’s important because when I told the Transit police at Rosa Parks Transit Station that day , the Police waited until the next day when the same group of boys came to the Transit Center with the same red and black on without Lee Boyd Malvo , this time the young man was with a female and the Police Stopped and Frisked the Wrong guy , although he was with Lee Boyd Malvo and had on the same colors – but this guy had a long ponytail and red and black jacket on . So I took pictures of the Transit Police stopping and frisking one of the guy’s with Lee Boyd Malvo , with the red and black Jacket on ,just like Lee Boyd Malvo had on when they were together a day before at Rosa Park Transit Station . I will include those pictures as evidence , into my case(of the Transit Police stopping and frisking the young man with Lee Boyd Malvo a day later) . After the Police stopped and Frisked the young man with a female only , I never saw that young man again at the Transit Station. The Transit Police waited a day to “Act”. Lee Boyd Malvo should not be in a secret detention – instead of a jail. .However , after I tried contacting Lee Boyd Malvo mom. This tall black female about 5’8 started following me into Manchester Check Cashing at 14001 Woodward , to me she look like Lee Boyd Malvo ’s mom, She kept telling me wait until her boyfriend get there , because she kept running up to fight me but she would stop

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

in midstream of actually approaching me - So when her boyfriend showed up she started running up to fight me , I pulled out my knife to let them know if they come close I'm stabbing the both of them. Then the female pulled out her knife , she ran up on me again but there was no where for me to go , when she saw I was ready standing solid with my knife out , she left out the Metro PCS store calling someone on the phone telling them I'm trying to fight her as if they knew me , having a conversation about me with someone on the other end - but I didn't know them. I called the police , but they never came . Her and Her boyfriend left , once they saw I was fighting back . I grabbed my petitions off the floor then left the Metro PCS by T- mobile store . Pars Minuta prima - , details and major addresses of Ghaddafi fake death tape (where it was made at 15736 West Warren Detroit Mi.) have been sent to Congress Woman Rashida Tlaib of the 13th Congressional District because she has family in the Middle East , and I found it easier to talk to a Palestinian – American Female about intimate sex details(of why Omar Mateen sent a message to the want-to -be gay terrorist in Detroit by shooting up the Gay night club in Florida or why some of the secret detentions are in the Gay area of Palmer Park , mi.48203) – since Agent Gwen Rosenthal doesn't work with the Detroit FBI .(A Secret Detention is a place where someone is taken and secretly tortured , and detained)

Also I worked under Osama Bin Laden number 1- Gustavo Guerrero EIN(employer identification number) taking the place of Khalid Al-Fawwaz doing spiritual writing for the internet News Paper . Khalid Al – Fawwaz was extradited to the United States one year after I took the Osama bin Laden Deposition case number 2 :09 cv 14238 on 2/11/2011 . In October

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

2012 Al-Fawwaz was arraigned on four counts of conspiracy to Kill Americans and Destroy property in the 1998 U.S. Embassy Bombings in Kenya and Tanzania .

By 2006 , at the direction of a California Sheriff officer who was Arab and Muslim , whose Caucasian Sheriff officers were abusing him because he was an Arab Muslim and a Sheriff , He contacted me and told me about Caged-prisoners in the UK website , which put me in contact with Khalid Al- Fawwaz . I also wrote a rebus to Khalid Al- Fawwaz in Cage prisoners in the United Kingdom Detention Center to show him I was with Osama Bin Laden number 1 – Gustavo Guerrero and Osama Bin Laden number 2- Aaron Labarrie . I wanted to Know from Khalid Al-Fawwaz which Osama Bin Laden did he work with or did he work with both Aaron Labarrie – Osama Bin Laden Number 2 and Osama Bin Laden number 1 – Gustavo Guerrero. And did he work with them personally one on one or through video contact . I realized Khalid Al- Fawwaz could identify both Osama Bin Laden's , and because I don't have the authority to question him in the UK Prison system , I don't know how he communicated with Osama Bin Laden Number 1 – Aaron Labarrie 2 and Osama Bin Laden number 1 Gustavo Guerrero

Also James McGinnis asked me did I give Osama Bin Laden Drugs Rule 27 (a) (4) under Rule 32 (A) (James McGinnis knew former Chief of Police Theodore Caldwell II is Osama Bin Laden number 2 – Aaron Labarrie and Mayor Yopp of Highland Park Michigan Drug dealer. That's how Osama Bin Laden was detained by Chief of Police Theodore Caldwell II as an narcotics officer , according to Aaron Labarrie -Osama Bin Laden number 2 , “they use to shoot at the police at first”) . No I didn't give neither Bin Laden's drugs . Chief of Police of Highland Park Theodore Caldwell II used crack cocaine as a tool to have Aaron Labarrie- Osama Bin Laden number 2 make terrorist tapes against America and its political allies.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Only Gregory McKay I had to resource crack cocaine for; outside of his normal network . Gregory McKay told me he works for “Fats”. “Fats” is Vladimir Putin nick-name . Gregory McKay did have a drug dealer named Fats as well on Drake and McNichols in Detroit Mi.. Fats crack house was too dangerous to drive to as Fats owned the entire block of crack heads and crack houses . So I found a better safer- tougher drug dealer for Gregory McKay, in my area of Palmer Park , Michigan within my network . Gregory McKay wasn’t talking about “Fats” Fugitive apprehension Teams. He was talking about “Fats”- Vladimir Putin at 14333 Woodward Highland Park , Michigan 48203 . As Gregory McKay was taking me to Subway when Vladimir Putin was working at 14333 Woodward . But I recognized Vladimir Putin – Sam from the Lyndon LaRouche Foundation when my mom took me when I was 10, Minister Farrakhan had outsourced work to my Mom one job was at the Lyndon LaRouche foundation Minister Farrakhan had also invited my mom to spend a week at his home before he started outsourcing work for her to appear or speak at .(I want to be clear The Vladimir Putin I’m Talking about is not the Vladimir Putin we see on TV, but the Vladimir Putin shown to me from the Lyndon LaRouch Foundation and Gregory McKay from a completely different vantage point. Vladimir Putin uses his well known front man that we see on TV as a diversion to make the world think he is in one place because everyone is looking for the representative – Vladimir Putin not Sam – The Real Vladimir Putin President of Russia .) When I told Gregory McKay that my son was kidnapped , he laughed and said “ Yeah that happens sometimes.”

Gregory McKay absconded from the Joint Terrorism Task Force . Gregory McKay told me in 2020 his ex wife of his children(Paul and Gregory Fulk) mother whose name is Lois was arrested for having 650 grams or a pound of crack cocaine in Roseville Michigan , she was apprehended for trafficking cocaine from Detroit Mi to Roseville Mi.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Years earlier in 2013 at this time Gregory McKay while on the run from the Joint Terrorism Task force told me that he had a “pen” in his pocket . Then Detroit Police Officer D. Penn started pulling me over in different police precincts taking my car and towing it although I was working next door at the T- Mobile store that sat in Pumpkin Complex which included Kim Jong Un Mom Beauty Supply Store - but in front of her store I worked the entire Parking lot of Kim Jong UN Mother Beauty Supply store doing Assurance Wireless Lifeline phones as a cover to talk to Kim Jong Un Mother . Which was arranged by my Boss Sahar Odurn – because years earlier I did a Facebook Live Video on How and what I saw in Kim Jong UN secret detention inside the abandoned McDonalds on Mack and Peck in Detroit Michigan . It was my PSA to the Arabs- Asians – Africans -People to trust me Only I kept saying it was Arabs – because I thought it was Osama Bin Laden Secret detention as the men would only let me see the men feet in both situations , including the Detroit Black Out when my children and I were in the Red Roof Inn . Kim Jong Un Momma corrected me , when I met her face to face – she made sure I knew that it was Kim Jong UN that shit on the floor of the abandoned McDonalds . Please excuse my language for saying shit , but those was Kim Jong UN momma words to me , she used the expression , “ Yes, He just shit all over the floor – after I made it clear when I asked her , was this the UN Beauty Supply store as in KIM JONG UN and she said Yes , he just shit all over the floor . At that point I knew that abandoned McDonalds was Kim Jong Un Secret Detention and not Osama Bin Laden Secret Detention . The meeting with Kim Jong UN Mom was in June-2016 , but I was arrested for coming out his secret detention in 2002 around the time President George W. Bush gave the 7 state sponsors of Terrorism Speech .

Because Gregory McKay said the KKK was investing in Black Hair Care in 2013 , I knew at that point that it had something to do with Terrorism . Officer D. Penn was towing my car , but

allowing Lois Gregory McKay children mother sale more than 650 pounds of crack cocaine on a regular basis .

Gregory McKay was trying to stop me from finding out for the FBI what was really going on with Kim Jong UN the President Of North Korea , by having officer D. Penn tow and try to stop me from meeting with Kim Jong UN.. Gregory McKay had been gone away from me for 2 years before

Synopsis : Selfridge Airbase trained me during my summer youth Job when I got out of Adrian Training School – Boot camp). Selfridge Airbase sat me in an office and had me write out work orders for their army vehicles; while I worked at Selfridge youth program individually of my friends ; Selfridge let me live my life outside the airbase in Mt. Clemens, Michigan neighborhood (Clemens hill and Shady side) ;so it is in 2020, in and around Detroit , Chicago , New York- New Jersey . – I worked at King Adult Education school in Mt. Clemens Michigan in the day care to disinfect and clean everything around the day care – I worked with older white Caucasian females , who kept me on staff until the school closed and we all transferred to the “Born Center”, in St. Clair shores Michigan where I took advanced Manufacturing at the Sterling Heights assembly plant, Chrysler now Fiat Chrysler which included welding, bead weld and arc weld , HVAC, and Robotics. I realized then there was a different need for Black students who didn’t have time to go to school – they needed the job “right now”, hands on training, while getting paid , going to school isn’t for everyone – some cultures especially the Suburban Black cultures -need hands on training while getting paid to maintain the higher socio-economic standards of the suburbs in other words “ the job is needed now” to afford the cost of living . Also I volunteered at 3901 Margareta st. Det. Mi. at Palmer Park Preparatory Academy to Guard the children’s bathroom – because near the children’s bathroom was an

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

outside access door to the school – there was adults , maintenance , and parents and people picking up other people’s children using the bathroom with 5 year old school boys and girls . Plus the children would literally leave feces on the floor after the bathrooms were not maintained by Sodexo janitors . This was after my son was kidnapped from Palmer Park Preparatory Academy – I volunteered to stop the outside maintenance men, from going into the bathroom with 5 years (because the boys pull they pants all the way down at the urinals and grown people not related to the children would walk in on the children while they were using the bathroom , because this particular kindergarten bathroom was by a maintenance door – that Adults was accessing going into the bathroom on the 5 and -6 year old’s. The timing was right when Palmer Park Asked Parents to Volunteer to watch that bathroom during class hours – to make sure that there wasn’t feces on the floor or toilets as Mrs. Dunnigan started taking pictures of the feces all in the urinals and the toilets and Sodexo maintenance female (a Latino) she didn’t clean the bathrooms , she stayed in the lunchroom - trying to be the “cafeteria food lady and distribute food, rather than clean the bathrooms, and do security while she was cleaning the elementary bathroom” .The elementary children bathroom sat by an outside door , used by maintenance , and other faculty , also parents . So I spent \$1,000 of my own money to Volunteer over a 5 month period (Mr. T was still working at Palmer Park Preparatory Academy with Mrs. Knocks in the Lunchroom-after they kidnapped my Son Farrad Al-Kindi from Palmer Park Preparatory Academy, there fore I had to find out exactly who took my son to a secret detention , so I didn’t take him out of school , instead I attended Palmer Park Preparatory Academy School with him volunteering in his class and and by volunteering I found out Sam- Qari Bilal kidnapped my Son through Mr. T the Yemen National and Mrs. Knocks a black lunch aide woman; at Lunch time the Kids are with the Lunch Ladies and Mr. T who watches the

children in the Lunchroom, at times some 150 kids are left in the sole custody of the Lunch room attendants and per the teachers contract according to Mrs. Dunnigan the Teachers have an 45 min lunch break , in which they can leave the school” – while the teachers are allowed to leave the school at lunchtime, and at lunchtime Mr. T and Mrs. Knocks gave my Son Farrad Al-Kindi to Qari Bilal -Sam) So because my Son knew the name of his kidnapper , and where they took him , I was able to access my leads in 1. Bradford , 2. Manchester 3. London , England – where I saw Qari Bilal- Sam in a fake beard , colored in henna and looking like an old man in Muslims clothes(dishdasha)and a Turban just like the Osama Bin Laden Terrorist tapes – but Really Qari Bilal- Sam is a young man , and well dressed, clean cut short bald fade hair cut. I know him personally because he worked at my neighborhood gas station at 820 W. McNicholas Detroit Michigan , I buy blunts from him every night – but I had found him on Facebook through my leads in Bradford , Manchester , London , England - looking like a 50-60 year old man, but really in real life he is a young man . Plus Tarriq El-Assad From Sudan at the time my friend who introduced to me to Rasta Music because he does shows all around Michigan, Tarriq El- Assad would always speak Arabic to Qari Bilal – Sam at the gas station 820 W. McNichols . Tarriq El-Assad went to Oman simultaneously when Qari Bilal- Sam kidnapped my Son suddenly from Palmer Park Preparatory Academy at 3901 Margareta st Detroit Mi. . When Tarriq El-Assad came back from Oman as an interpreter he was detained by department of Homeland Security because he had killings and radical videos on his phone of beheadings. Then Haider Khan Sultanate of Oman Royal Oman Police Badge number 93795197 issued at Samail started frequenting my Facebook page. However he had generic pictures of Once again just like at Hot Tamales when the men from Al- Qaeda asked me to take care of the fathers , and showed

me men in cave, Rule 32 (a) (1) (a) USING DEPOSITIONS.(THE DEPOSITION OF OSAMA BIN LADEN, AND THE WORK I DID FOR CHRIS HESS-7 DAVID HARMON , GWEN ROSENTHAL)

(1) *In General.* At a hearing or trial, all or part of a deposition may be used against a party on these conditions:

(A) the party was present or represented at the taking of the deposition or had reasonable notice of it;

(B) it is used to the extent it would be admissible under the Federal Rules of Evidence if the deponent were present and testifying; and

(C) the use is allowed by Rule 32(a)(2) through (8).

James McGinnis and William T. Ford (was the deciding attorney) was present at the Osama Bin Laden deposition and based on “Title” and not the content of the work I did for the FBI basing there reason on not paying a sum of 5 million dollars and attorney fee’s to Veretta Burnett (attorney fee’s was paid ultimately by Veretta Burnett to Shawn Cabot-P-64021)

.Tarriq El- Assad from Sudan showed me pictures of 2 men in a cave in Oman - that looked like Abu Bakr Al- Baghdadi , with wild hair underneath the black Muzzar , in a black dishdasha this was in 2013-14 , the second man was skinny while Abu Bakr was Fat . Both men had on a Black dishdasha and black Muzzar with wild hair hanging out underneath their Muzzar . They(Abu Bakr Al- Baghdadi and the skinny man hair wasn’t Silky straight like Hamza Bin Laden Hair- (Trevor- Rod) or like Osama bin laden number 2 – Aaron Labarrie Hair whose hair is silky strait , Abu Bakr hair was thick and curly like Gustavo Guerrero- Osama Bin Laden number 1 hair.) who said he was Columbian and Black not Arab. Aaron Labarrie – Osama

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Bin Laden number 2 , Hamza Bin Laden -Trevor – Rod, and Abu Masab Al- Zarqawi- Joe hair is silky straight , its too hard to braid, it unravels when braided . Also while volunteering Mrs. Brackett the 1st grade teacher started taking days off- Mr. Armadi and African substitute teacher took over Mrs. Brackett class . Mr. Armadi did the class attendance , then he came running to me down the hallways , leaving the class unattended while they ate breakfast , saying , “ Mother , Mother , your son has an Arabic Last name (referring to Farrad Al-Kindi my youngest son) ; and Osama Bin Laden has a 50 Billion dollar deal with George W. Bush . Then he asked me did I know who Boko Haram is. I told him yes they kidnapped the girls. Then he looked at me strangely and walked back down the hallway to Mrs. Brackett class which was about 15 feet from where the school Principle and Teachers gave me a table to sit at in the hallways of the school , with hand-sanitizer and paper towels because Detroit Public Schools had went public in 2013-14 schoolyear that they didn’t have any toilet paper , hand soap, hand sanitizer , Kleenex and asked the parents to bring in extra supplies per student to fulfill the sanitary needs for the children while they were in school. Back to Mrs. Brackett the first grade teacher at Palmer Park Preparatory academy . Elizah my daughter was in her classroom , Mrs. Brackett didn’t allow anyone , (outsiders in her class , sometime not even the parents were allowed in her class) So when I saw Mrs. Brackett allowing Mr. T to be in her class , and the kids was messaging him and playing in his hair and Mr.T was just sitting in a chair loving the 6-7 kids surrounding him playing in his hair and messaging him. From the angle I was coming down the hallway I thought that was Ali – my baby daddy , I was so angry I went to bust open Mrs. Brackett door but as I got closer I saw Mr. T in her classroom , and Farrad my son was just sitting at his desk , he wasn’t amused by Mr. T . So I just watched from the outside of the door . Then Mrs. Brackett comes to tell me she selling these nail designs that you stick to your nails and she going to be

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

taking some days off from work to learn how to do and sell the nail designs . She even had some on her nails at the time we was talking .- That's how Mr. Armadi got her classroom as a substitute teacher and told me that Osama Bin Laden has a 50 billion dollar deal with George W. Bush. After that occurred Parents started complaining how Mrs. Brackett was isolating them from their children when they in school amongst other things . It was instinctively that the Parents started complaining about Mrs. Brackett and Mr. T independently of one another . One Parent came to the school to fight Mr. T because Mr. T the Yemen national told their child that he was going to smack him. So the child told their parent and the Parents came to fight Mr. T at the school; but he still wasn't replaced by the Principle or the police. I made a Police report and sent a copy to Federal Judge Marianne O. Battani. Rule (44) (A) Proving an official record

MEANS OF PROVING.

(1) *Domestic Record*. Each of the following evidences an official record—or an entry in it—that is otherwise admissible and is kept within the United States, any state, district, or commonwealth, or any territory subject to the administrative or judicial jurisdiction of the United States:

(A) an official publication of the record; or

(B) a copy attested by the officer with legal custody of the record—or by the officer's deputy—and accompanied by a certificate that the officer has custody. The certificate must be made under seal:

(i) by a judge of a court of record in the district or political subdivision where the record is kept; or

(ii) by any public officer with a seal of office and with official duties in the district or political subdivision where the record is kept.

.I called Marianne O . Battani judicial quarters and a male clerk told me my police report got lost in translation. My Police report included Vladimir Putin's location at 14333 Woodward (Subway) in America specifically Highland Park , Michigan 3 years before the Russian collusion into American Politics in 2016 (specifically Hillary Clinton's campaign and Donald Trump).

Second , included in my police report to Marianne O Battani was the fact that Kaplan Online University now known as Purdue Global acted in an arbitrary , unfair and capricious way 2 weeks before I was set to graduate in 2012 by expelling me , in such way I was not able to go to another college . My first draft of my Thesis I received a "C". Kaplan refused to honor my Thesis and my "C" grade which was a CPLR article 78 proceeding because the CPLR article 78 proceeding is time barred – Kaplan University's breach of contract that we signed that Kaplan or Purdue University will honor the Professor's Grading scale and the student will get the grade that the instructor gives them. Kaplan registrars office arbitrarily , unfairly and capriciously recorded my grade as an "F" despite the numerous grade change request sent into the Registrars office by Cloud – Miller my instructor/ Professor who requesting that my grade be changed to a "C" so that I can continue on to part 2 of the thesis track/course . Which was to make mathematical corrections to my null hypothesis or remove the null hypothesis completely . My Thesis and Kaplan University now known as Purdue Global was acting racist telling me there is no such thing as Palestinian People , or continuously pointing out African American Crime rates but never discussing the crime rate of the Caucasian Counterpart . Olson V. Board of Higher Education. My Thesis comprised of empirical research based on real life Terrorism that had

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

reached a political opponent and it killed her , that was Jane Bashara . Empirical research consist of 5 steps which is 1. Observation 2. Induction 3. Deduction 4. Testing 5. Evaluation which is imperative because My Instructor requested that I interview a Klu – Klux – Klan Member since I was talking about the crimes the KKK committed . My Thesis contained empirical evidence as does this U.S.C. 42 Section 1983 lawsuit of the Most wanted World Leaders and Most Wanted Terrorist . **Empirical** evidence is (the record of one's direct observations or experiences) which can be **analyzed** quantitatively or qualitatively. Quantifying the evidence or making sense of it in qualitative form, a researcher can answer **empirical** questions, which should be clearly defined and answerable with the evidence collected (usually called data). Quantitative data is how much and how many Most wanted World Leaders and Most Wanted Terrorist there are in the population of America that my observation discovered . My empirical research was done in Chicago , Illinois , Jersey City , New Jersey, Hoboken New Jersey , New York , Detroit Michigan, and Highland Park Michigan within the United States of America . In Which the Qualitative data includes the addresses in which case we would call the detainee's of the Most Wanted Terrorist social security number , and the Telephone numbers of the Most Wanted World Leaders and Most Wanted Terrorist .

To observe and evaluate Bob Codden a KKK tax/dues paying member was at my access for empirical research through Gregory McKay (who was wanted by the Joint Terrorism Task Force) – Bob Codden of Gross Pointe Michigan representing the KKK – put a hit or murder for hire contract out on Jane Bashara and her entire family including her children . The KKK was tired of Bob Bashara and Jane Bashara as a whole . Gregory McKay came to me at 730 Whitmore Apt D7 – and told me Bob just asked him to kill Jane Bashara and her entire family . (Jane Bashara was still alive at this point) I worked at 730 Whitmore and lived there , Charles

Belanger was suppose to pay me for logging into excel rent payments and collect and record the rent payments by name and apartment as I collected and recorded them on my home computer . Then Charles Belanger hired Gregory McKay as the maintenance man . Gregory McKay introduced me to Bob Codden while they worked together doing roofing . I did as I was instructed by my Professor Cloud- Miller on the Thesis Track to observe, evaluate and quantify Bob Codden the KKK member who ordered the assassination of Jane Bashara . Cloud – Miller also realized that I already talked to the FBI about the World Leaders and Most Wanted Terrorist in my Thesis . As the Footnotes to my Thesis was named : A Hess-7 , Harmon and Rosenthal document . My Thesis was called Discovery of the Bee-Hive – The White Anglo Saxon Protestants (WASP) and the effects it has on Terrorism. Cloud- Miller sent in numerous grade change request – requesting that Kaplan Online University give Veretta Burnett the “C” grade he intended for me to have as my instructor and not to breach the grading contract - on the First Thesis Track-Course . When a person takes a Thesis course – the first track – course is to see if you can take the second course . You have to pass the first Course to go to the second course to finalize your work and make corrections to bring your final grade up. Therefore , Kaplan registrar’s office committed fraud arbitrarily , and unfairly gave me an “F” for a class I actually passed . Then enrolled me into Final courses . Although I had passed my first thesis Track with a “C” that Kaplan registrar’s office recorded fraudulently and arbitrarily my grade as a “F” for the first Thesis track- course . Then as I started making Kaplan aware that I’m a Thesis student , and its unheard of for a student to pass a Thesis , then have to take final courses for another 3 – 5 months , or write a finals essay . As I took the courses -to the finals I spoke about how the KKK as an organization attacks Emit Tills memorial. Olson v. Board of Higher Education – they expelled me for violating student code of conduct, because some of my classmates online

were spouses of police officers who was being indicted for racist tactics in their field of police work in their state . Kaplan University now Purdue Global charged me 900 dollars for a finals course ,instead of allowing me to go into my second course for the Thesis program. Kaplan Online University broke their contract arbitrarily , unfairly of honoring the Professor Cloud Miller grade given to the student- Veretta Burnett (myself). That Thesis was for the Master's Degree Program which I earned 55 credit hours , and a Passing Thesis for the first course .

1. Kaplan University is holding onto my Master's Degree and publishing rights to my Thesis in the student research PACE - ; citing that I owe them 900dollars for a finals course . I wasn't on the finals track , I'm on the Thesis Track -. In college you either write a Thesis or you do Finals . I originally signed up for the Thesis Track- Course and although I got a "C" my first course , I had room to improve in the second course of the Thesis Program. Therefore , the breach of contract arbitrarily under the grading scale and using fraudulent tactic's to cause mental pain and suffering , lost of wages , more false arrest , at a total of 10 million dollars to be paid and 1 million dollars late fee's retro-actively starting at 2012 and every year after in which I do not have my Masters Degree in Hand or in my home for damages accrued when I should have received my Master's degree from Kaplan 2 weeks before I was expelled . Which is another breach of Student and Kaplan University contract which states if a student takes/passes 70% of the course they should not be charged out of pockets for that course . I passed 70 % of the course in days completed and hours accredited . Yet, Kaplan is charging me fee's for which is a finals course which I completed 70 % of . The course isn't a Thesis course – Kaplan now known as Purdue Global material breach 2 of its contract signed during my admission into Kaplan are:

1. The student will get the grade the Professor – or Instructor gives them.

2. If the student passes 70% of the course the fee's will be paid from student loans and not out of pocket from the student ; which is why Kaplan University Claim they are holding onto my Master's degree , because they expelled me 2 weeks before I was to Graduate , taking a final's course . I have 55 credit hours and a Passing Thesis for the first course . Kaplan registrar's office recorded my grade fraudulently as an "F", causing me great danger and harm , colluding with Ali Al-Kindi who was working with Agent Gwen Rosenthal who no longer works for the FBI , as far as I know . Kaplan Online University now Purdue Global has held me back for 8 years , since 2012 in peer-reviewed publications in the Master's Degree Program of Criminal Justice, with a solid passing Thesis I earned with an emphasis on Terrorism .

This case with Kaplan depicts the quantitative and Qualitative data , Quantifying the Terrorism by empirical research that can be copied but with risk to human life , and the Location of World Leaders and Most Wanted World Leaders on George W. Bush 7 State Sponsors of Terrorism list , plus Osama Bin Laden Number 1- Gustavo Guerrero and Osama Bin Laden Number 2 – Aaron Labarrie and how they manage to be alive after President Obama Said he killed Osama bin Laden in 5/2011 by Seal Team 6 . The statute of limitations should start until present day 2020 for a sum of 8 million dollars in lost wages , peer -reviewed – publication work, which Kaplan University denied by fraudulently recording my grade as a "F". For the final sum of 18 million dollars amounting and rising until I have my Master's Degree in hand, with Publication rights of my Thesis and , student research rights , with PACE inside Kaplan's- Purdue Global online University research engine -granted to Passing Thesis Students – to- have peer- reviewed work . Hickey to answer for Task Force 121 and Seal Team Six Naval Warfare Development Group commonly known as DEVGRU under Rule (16) (a) PURPOSES OF A PRETRIAL CONFERENCE.

In any action, the court may order the attorneys and any unrepresented parties to appear for one or more pretrial conferences for such purposes as:

(1) expediting disposition of the action.

(2) establishing early and continuing control so that the case will not be protracted because of lack of management.

(3) discouraging wasteful pretrial activities.

(4) improving the quality of the trial through more thorough preparation; and

(5) facilitating settlement.

(b) SCHEDULING.

(1) *Scheduling Order*. Except in categories of actions exempted by local rule, the district judge—or a magistrate judge when authorized by local rule—must issue a scheduling order:

(A) after receiving the parties' report under [Rule 26\(f\)](#); or

(B) after consulting with the parties' attorneys and any unrepresented parties at a scheduling conference.

(2) *Time to Issue*. The judge must issue the scheduling order as soon as practicable, but unless the judge finds good cause for delay, the judge must issue it within the earlier of 90 days after any defendant has been served with the complaint or 60 days after any defendant has appeared.

(3) *Contents of the Order.*

(A) *Required Contents.* The scheduling order must limit the time to join other parties, amend the pleadings, complete discovery, and file motions.

(B) *Permitted Contents.* The scheduling order may:

- (i) modify the timing of disclosures under [Rules 26\(a\)](#) and [26\(e\)\(1\)](#);
- (ii) modify the extent of discovery.
- (iii) provide for disclosure, discovery, or preservation of electronically stored information.
- (iv) include any agreements the parties reach for asserting claims of privilege or of protection as trial-preparation material after information is produced, including agreements reached under [Federal Rule of Evidence 502](#);
- (v) direct that before moving for an order relating to discovery, the movant must request a conference with the court.
- (vi) set dates for pretrial conferences and for trial; and
- (vii) include other appropriate matters.

(4) *Modifying a Schedule.* A schedule may be modified only for good cause and with the judge's consent.

(c) ATTENDANCE AND MATTERS FOR CONSIDERATION AT A PRETRIAL CONFERENCE.

(1) *Attendance.* A represented party must authorize at least one of its attorneys to make stipulations and admissions about all matters that can reasonably be anticipated for discussion

at a pretrial conference. If appropriate, the court may require that a party or its representative be present or reasonably available by other means to consider possible settlement.

(2) *Matters for Consideration.* At any pretrial conference, the court may consider and take appropriate action on the following matters:

(A) formulating and simplifying the issues, and eliminating frivolous claims or defenses.

(B) amending the pleadings if necessary or desirable.

(C) obtaining admissions and stipulations about facts and documents to avoid unnecessary proof, and ruling in advance on the admissibility of evidence.(Empirical Evidence)

Furthermore , According to Boba , (2007) Crime Analysis is a field of study and practice in criminal justice that utilizes systematic research methods and data , supports the mission of police agencies (FBI in this case) and provides information to a range of audiences. Crime mapping is a subset of crime analysis that focuses on understanding the geographic nature of crime and other activity . Crime analysis is a new topic in criminal justice education , and Boba is the first to bring crime analysis and crime mapping to an understanding to an undergraduate audience. (Boba ,2007)

First , “Crime analysis refers to the set of systematic , analytical processes that provide timely , pertinent information about crime patterns (Domestic Terrorism that lead to International Terrorism in this case) and crime trend correlations . It is primarily a tactical tool . Patrol reports and crime records (Of Chief Of Police Caldwell) furnish data about crime scenes, weapons, modus operandi, stolen or getaway vehicles, and suspects. Analyzing and comparing data on file with those on current cases can give patrol officers important information on activities in their beat areas. This includes developing crime patterns, stolen property descriptions, and suspects identities . Using this information patrols can better deploy resources” , Boba ,(2005) . More specifically , “ crime analysis employs both qualitative and quantitative data and methods. Crime analysis uses qualitative data and methods when they examine nonnumerical data for the purpose of discovering underlying meanings and patterns of relationships. The qualitative methods specific to crime analysis include field research (

such as observing characteristics of locations) and content analysis such as examining police report narratives Crime Analysis uses quantitative data and methods when they conduct statistical analysis of numerical or categorical data . (Boba , 2007) (p. 6) The central focus of crime analysis is the study of crime and disorder like noise complaints, burglary alarms, suspicious activity – problems and information related to the nature of the incidents, offenders , and victims or targets of crime -targets are inanimate objects such as buildings or property (In this case we are talking specifically about the World Trade Center)

The 2 types of analysis mostly used in this 42 U.S.C. subsection 1983 civil action for deprivation of rights – are Tactical Crime Analysis (TCA)- which is the study of recent criminal incidents and potential criminal activity through the examination of characteristics such as how, when and where the activity has occurred to assist in pattern development , investigative leads and suspect identification and case clearance. (Boba , 2001) Moreover, TCA focuses on recent crimes and on specific information (which you will find in this U.S.C. 42 1983 lawsuit about the methods of the crimes as well as the individuals and vehicles involved. TCA has three goals

- a. to link crime and thus identify patterns
- b. to identify potential suspects of crimes or crime patterns,
- c. to link solved crimes to open cases and thus help clear or close cases .

Second , Is the subset of Criminal Investigation which is Geographic profiling (which I did by giving the FBI on numerous occasions the geographic profile of Osama Bin Laden number 1 – Gustavo Guerrero and Aaron Labarrie and Hamza Bin Laden – Trevor- Rod. On other Occasions reporting the Geographic profile of Omar Mateen , Mullah Krekar , Mullah Krekar Son, His Holy High Rashid Al- Maktoum , Kim Jong UN , etc.) in this

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

type of analysis is the geographic locations of an offender's crime such as body dump sites but in this case -secret detentions , homes, apartments , store fronts , Condo's , places of business , of the Most Wanted World Leaders and Most wanted Terrorist . These are used to identify and prioritize areas where the offender is likely to live (Rossmo,2000) Once again when the idea is to identify and capture the offender so I practice catch and release – a system of you talk to me willingly or you talk to the FBI forcefully, under interrogation . (important note : I was not trained to detain World Leaders and Most Wanted Terrorist)

An Example of my Tactical Analysis and Geographic profiling is as stated below in real time in year 2002- 2020 :

REQUIRED DISCLOSURES.

(1) *Initial Disclosure.*

(A) *In General.* Except as exempted by Rule 26(a)(1)(B) or as otherwise stipulated or ordered by the court, a party must, without awaiting a discovery request, provide to the other parties:

(i) the name and, if known, the address and telephone number of each individual likely to have discoverable information—along with the subjects of that information—that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;

(ii) a copy—or a description by category and location—of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control and may use to support its claims or defenses, unless the use would be solely for impeachment;

(iii) a computation of each category of damages claimed by the disclosing party—who must also make available for inspection and copying as under Rule 34 the documents or other evidentiary material, unless privileged or protected from disclosure, on which each computation is based, including materials bearing on the nature and extent of injuries suffered; and

(iv) for inspection and copying as under Rule 34, any insurance agreement under which an insurance business may be liable to satisfy all or part of a possible judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment.

(B) *Proceedings Exempt from Initial Disclosure.* The following proceedings are exempt from initial disclosure:

- (i) an action for review on an administrative record.
- (ii) a forfeiture action in rem arising from a federal statute.
- (iii) a petition for habeas corpus or any other proceeding to challenge a criminal conviction or sentence.
- (iv) an action brought without an attorney by a person in the custody of the United States, a state, or a state subdivision.
- (v) an action to enforce or quash an administrative summons or subpoena.
- (vi) an action by the United States to recover benefit payments.
- (vii) an action by the United States to collect on a student loan guaranteed by the United States.
- (viii) a proceeding ancillary to a proceeding in another court; and

(ix) an action to enforce an arbitration award.

(C) *Time for Initial Disclosures—In General.* A party must make the initial disclosures at or within 14 days after the parties' Rule 26(f) conference unless a different time is set by stipulation or court order, or unless a party objects during the conference that initial disclosures are not appropriate in this action and states the objection in the proposed discovery plan. In ruling on the objection, the court must determine what disclosures, if any, are to be made and must set the time for disclosure.

(D) *Time for Initial Disclosures—For Parties Served or Joined Later.* A party that is first served or otherwise joined after the Rule 26(f) conference must make the initial disclosures within 30 days after being served or joined, unless a different time is set by stipulation or court order.

(E) *Basis for Initial Disclosure; Unacceptable Excuses.* A party must make its initial disclosures based on the information then reasonably available to it. A party is not excused from making its disclosures because it has not fully investigated the case or because it challenges the sufficiency of another party's disclosures or because another party has not made its disclosures.

(2) *Disclosure of Expert Testimony.*

(A) *In General.* In addition to the disclosures required by Rule 26(a)(1), a party must disclose to the other parties the identity of any witness it may use at trial to present evidence under Federal Rule of Evidence 702, 703, or 705.

(B) *Witnesses Who Must Provide a Written Report.* Unless otherwise stipulated or ordered by the court, this disclosure must be accompanied by a written report—prepared

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

and signed by the witness—if the witness is one retained (Osama Bin Laden Number 1 - Gustavo Guerrero and Osama Bin Laden number 2 – Aaron Labarrie) or specially employed to provide expert testimony (colonel James Hickey for 1-2-1- Task force) in the case or one whose duties as the party's employee regularly involve giving expert testimony. The report must contain:

(i) a complete statement of all opinions the witness (Veretta Burnett) will express and the basis and reasons for them; (Having the Physical Saddam Hussein in 2002, and Uday Hussein working at Ossama's hair design at 5100 S. Cornell Ave, Chicago Illinois) (Paying the Expert Witness James Hickey would be Federal Rule 26(4) (E) *Payment*. Unless manifest injustice would result, the court must require that the party seeking discovery:

(i) pay the expert a reasonable fee for time spent in responding to discovery under [Rule 26\(b\)\(4\)\(A\)](#) or (D); and

(ii) for discovery under (D), also pay the other party a fair portion of the fees and expenses it reasonably incurred in obtaining the expert's facts and opinions.)

(ii) the facts or data considered by the witness in forming them.

(iii) any exhibits that will be used to summarize or support them.

(iv) the witness's qualifications, including a list of all publications authored in the previous 10 years.

(v) a list of all other cases in which, during the previous 4 years, the witness testified as an expert at trial or by deposition; and

(vi) a statement of the compensation to be paid for the study and testimony in the case.

(C) *Witnesses Who Do Not Provide a Written Report.* Unless otherwise stipulated or ordered by the court, if the witness is not required to provide a written report, this disclosure must state:

(i) the subject matter on which the witness is expected to present evidence under Federal Rule of Evidence 702, 703, or 705; and

(ii) a summary of the facts and opinions to which the witness is expected to testify.

(D) *Time to Disclose Expert Testimony.* A party must make these disclosures at the times and in the sequence that the court orders. Absent a stipulation or a court order, the disclosures must be made:

(i) at least 90 days before the date set for trial or for the case to be ready for trial; or

(ii) if the evidence is intended solely to contradict or rebut evidence on the same subject matter identified by another party under Rule 26(a)(2)(B) or (C), within 30 days after the other party's disclosure.

(E) *Supplementing the Disclosure.* The parties must supplement these disclosures when required under Rule 26(e).

(3) *Pretrial Disclosures.*

(A) *In General.* In addition to the disclosures required by Rule 26(a)(1) and (2), a party must provide to the other parties and promptly file the following information about the evidence that it may present at trial other than solely for impeachment:

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

(i) the name and, if not previously provided, the address and telephone number of each witness—separately identifying those the party expects to present and those it may call if the need arises.

(ii) the designation of those witnesses whose testimony the party expects to present by deposition and, if not taken stenographically, a transcript of the pertinent parts of the deposition; and

(iii) an identification of each document or other exhibit, including summaries of other evidence—separately identifying those items the party expects to offer and those it may offer if the need arises.

(B) *Time for Pretrial Disclosures; Objections.* Unless the court orders otherwise, these disclosures must be made at least 30 days before trial. Within 14 days after they are made, unless the court sets a different time, a party may serve and promptly file a list of the following objections: any objections to the use under Rule 32(a) of a deposition designated by another party under Rule 26(a)(3)(A)(ii); and any objection, together with the grounds for it, that may be made to the admissibility of materials identified under Rule 26(a)(3)(A)(iii). An objection not so made—except for one under Federal Rule of Evidence 402 or 403—is waived unless excused by the court for good cause.

(4) *Form of Disclosures.* Unless the court orders otherwise, all disclosures under Rule 26(a) must be in writing, signed, and served.

(b) DISCOVERY SCOPE AND LIMITS.

(1) *Scope in General.* Unless otherwise limited by court order, the scope of discovery is as follows: Parties may obtain discovery regarding any nonprivileged matter that is relevant to

any party's claim or defense and proportional to the needs of the case, considering the importance of the issues at stake in the action, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Information within this scope of discovery need not be admissible in evidence to be discoverable.

(2) Limitations on Frequency and Extent.

(A) When Permitted. By order, the court may alter the limits in these rules on the number of depositions and interrogatories or on the length of depositions under Rule 30. By order or local rule, the court may also limit the number of requests under Rule 36.

(B) Specific Limitations on Electronically Stored Information. A party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the party from whom discovery is sought must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

(C) When Required. On motion or on its own, the court must limit the frequency or extent of discovery otherwise allowed by these rules or by local rule if it determines that:

(i) the discovery sought is unreasonably cumulative or duplicative, or can be obtained from some other source that is more convenient, less burdensome, or less expensive.

(ii) the party seeking discovery has had ample opportunity to obtain the information by discovery in the action; or

(iii) the proposed discovery is outside the scope permitted by Rule 26(b)(1).

(3) *Trial Preparation: Materials.*

(A) *Documents and Tangible Things.* Ordinarily, a party may not discover documents and tangible things that are prepared in anticipation of litigation or for trial by or for another party or its representative (including the other party's attorney, consultant, surety, indemnitor, insurer, or agent). But, subject to Rule 26(b)(4), those materials may be discovered if:

(i) they are otherwise discoverable under Rule 26(b)(1); and

(ii) the party shows that it has substantial need for the materials to prepare its case and cannot, without undue hardship, obtain their substantial equivalent by other means.

(B) *Protection Against Disclosure.* If the court orders discovery of those materials, it must protect against disclosure of the mental impressions, conclusions, opinions, or legal theories of a party's attorney or other representative concerning the litigation.

(C) *Previous Statement.* Any party or other person may, on request and without the required showing, obtain the person's own previous statement about the action or its subject matter. If the request is refused, the person may move for a court order, and Rule 37(a)(5) applies to the award of expenses. A previous statement is either:

(i) a written statement that the person has signed or otherwise adopted or approved; or

(ii) a contemporaneous stenographic, mechanical, electrical, or other recording—or a transcription of it—that recites substantially verbatim the person's oral statement.

(4) *Trial Preparation: Experts.*

(A) *Deposition of an Expert Who May Testify.* A party may depose any person who has been identified as an expert whose opinions may be presented at trial. If Rule 26(a)(2)(B) requires a report from the expert, the deposition may be conducted only after the report is provided.

(B) *Trial-Preparation Protection for Draft Reports or Disclosures.* Rules 26(b)(3)(A) and (B) protect drafts of any report or disclosure required under Rule 26(a)(2), regardless of the form in which the draft is recorded.

(C) *Trial-Preparation Protection for Communications Between a Party's Attorney and Expert Witnesses.* Rules 26(b)(3)(A) and (B) protect communications between the party's attorney and any witness required to provide a report under Rule 26(a)(2)(B), regardless of the form of the communications, except to the extent that the communications:

- (i) relate to compensation for the expert's study or testimony.
- (ii) identify facts or data that the party's attorney provided and that the expert considered in forming the opinions to be expressed; or
- (iii) identify assumptions that the party's attorney provided and that the expert relied on in forming the opinions to be expressed.

(D) *Expert Employed Only for Trial Preparation.* Ordinarily, a party may not, by interrogatories or deposition, discover facts known or opinions held by an expert who has

been retained or specially employed by another party in anticipation of litigation or to prepare for trial and who is not expected to be called as a witness at trial. But a party may do so only:

(i) as provided in Rule 35(b); or

(ii) on showing exceptional circumstances under which, it is impracticable for the party to obtain facts or opinions on the same subject by other means.

(E) *Payment*. Unless manifest injustice would result, the court must require that the party seeking discovery:

(i) pay the expert a reasonable fee for time spent in responding to discovery under Rule 26(b)(4)(A) or (D); and

(ii) for discovery under (D), also pay the other party a fair portion of the fees and expenses it reasonably incurred in obtaining the expert's facts and opinions.

(5) *Claiming Privilege or Protecting Trial-Preparation Materials*.

(A) *Information Withheld*. When a party withholds information otherwise discoverable by claiming that the information is privileged or subject to protection as trial-preparation material, the party must:

(i) expressly make the claim; and

(ii) describe the nature of the documents, communications, or tangible things not produced or disclosed—and do so in a manner that, without revealing information itself privileged or protected, will enable other parties to assess the claim.

(B) *Information Produced.* If information produced in discovery is subject to a claim of privilege or of protection as trial-preparation material, the party making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the court under seal for a determination of the claim. The producing party must preserve the information until the claim is resolved.

However Chief of Police Caldwell , the KKK , Gregory McKay and City of Highland Park , and Mike the owner of Subway who gave me the secret handshake to let me know there is a Terrorist at his subway at 14333 Woodward ,48203 are Vladimir Putin cohorts @ “14333 Woodward” . Mike the owner of the Subway at 14333 Woodward took my phone after he gave me the secret handshake to let me know that there’s terrorism at his restaurant Subway .The FBI should consider helping Mike the owner of the Subway because he originally let me know about the Terrorism by giving me the secret handshake.

Vladimir Putin was introduced to me by the Lyndon LaRouche Foundation when I was 9 or 10, by Lyndon LaRouche himself; in Chicago Illinois. Vladimir Putin has a doppelgänger ; The one we see on TV is the Doppelgänger or true representative of the Real Vladimir Putin, the Vladimir Putin as Sam at Subway is the real Vladimir Putin – the one I saw at the Lyndon La Rouché Foundation by photos and books(only the books was given to my mom)

I am called Mohamet with Company – According to Encyclopedia Britannica, “Company in military service , the smallest body of troops that functions as a complete administrative and tactical unit. A military company consists of headquarters (the FBI) (JTTF) (Most wanted World Leaders and Most Wanted Terrorist) 2 or more platoons organized an equipped to perform the company’s operational functions. It is usually commanded by a captain , who discharges the basic responsibilities for training , disciplines and providing for the welfare of the personnel . (FBI- Specifically Chris Hess-7 , David Harmon and Gwen Rosenthal in her personal and professional capacity) ..{ Encyclopedia Britannica } My Company asked the FBI if they wanted Vladimir Putin Killed or shot while he was at 14333 Woodward working undercover as Sam at Subway with Mike (who gave me the secret handshake to let me know that there is terrorism at his subway) . I wanted to Know if the FBI wanted Vladimir Putin Killed or wounded so he can be identified – (for having Russian construction workers paint Nano- Thermite on the walls of the World Trade Center possibly under the prevailing wage mandate or a Government Bill like it .,) by Veretta Burnett- Mohamet with Company .. but the FBI (themselves) didn’t give me a gun. This was in 2013-14 , 3 years previously to the Russian collusion into American Politics during Hillary Clinton and Donald Trump 2016 Presidential campaigns , I tried to shoot Vladimir Putin for the FBI but Chris Hess-7 and David Harmon didn’t give me a Gun. (Also I noticed once I offered the FBI to shoot Vladimir Putin – Sam at Subway he then started closing the bullet proof glass .) Also in the summer of 2014-15 the Detroit police received a satellite 911 call from a Russian man saying he was in an abandoned building trapped- being detained .The police went to the Old Packard Building on East Grand Blvd in Detroit Michigan but the Russian Police

Choir Director was looking at 885 Covington from the Sochi winter Olympics and Draft Punk's cover of Get Lucky, as the Today show with Savannah Guthrie and Al Roker on 2-10-2014 Broadcasted the Russian police choir - The Director of the Russian Police Choir was here in Palmer Park at 885- Covington, Detroit Michigan. I was watching 885 Covington and so was he in a 2 seater grey hatchback foreign car like a "Porsche" ..A Big Black Man came to the window of 885 Covington with a swollen penis from an overflowing catheter; and two broken arms, I immediately made an FBI report, I was for sure this was a secret detention, the big black man (pictures are included in this document; the big black man with the swollen penis pictures was included in Kim Jong Un Appeal 17-2170 appeal) was said to die in a Chicago County jail in 2017. But I saw him in the secret detention where Qari Bilal -Sam kidnapped my Son, Farrad Al-kindhi he was only 5. They (Qari Bilal – Sam and Mr. T a Yemen national -kidnapped my son from School -Palmer Park Preparatory Academy. Mr. T worked at Palmer Park Preparatory Academy) After my son told me Sam took him to the abandoned building(secret detention) Sam- Qari Bilal told him "kids can't stay at his house", my son also told me the police had to arrest some abc(FBI) kids .I saw Qari Bilal- Sam, myself in back of 885 Covington in a sky blue caravan. I also saw some men dressed in Tactical gear over their chest in 885 Covington sweeping 3 pieces of candy paper out the window. The apartments was pitch black but the hallway lights was on in the secret detention, I could see their shadows and one man had a black mullet of the men dressed in army tactical gear. I could see 2 men in Tactical Gear maintaining the inside of the secret detention from my living room window at 900 Whitmore (always about 2-3 am), Detroit Mi. as my apartment 203 faced the secret detention 885 Covington.

Demetre Brown was at my house right before the Joint Terrorism Task Force came into my home – He (Demetre Brown told me he was in jail and his cell mate was a sexual deviant , and another cell mate of his was catheterized , before they moved him into a cell with the sexual deviant , and Demetre Brown told me he learned how to do a catheter , from putting a catheter in his own penis , when he was in the cell with a detainee – patient who needed catheters . He also said because he catheterized himself , he was called a sexual deviant - but if I was to reasonably put 2 and 2 together Demetre Brown had to be in 885 Covington the secret detention or he catheterized that big black man in the window of 885 Covington with the swollen penis and 2 broken arms . Demetre Brown(light skin , blue eyes , 5’6 ,145 , with sandy brown hair with tampered waves) told me , his cell mate was a sexual deviant – not him- but the FBI report I made in 2014 the big black man Had a Catheter in his penis and 2 broken arms . Then the Joint Terrorism Task Force burst into my apartment at 900 Whitmore apt 203 and asked me to help apprehend Gregory McKay – as he had absconded , after he sucker punched me I had stabbed him , and I had apprehended him , but the police arrested me instead of Gregory McKay ; whereas Gregory McKay called the police because he couldn’t walk from being stabbed after he sucker punched me to the ground and split my forehead open -inside the back entrance of 900 Whitmore . The police arrested me and allowed Gregory McKay to abscond from the Joint Terrorism Task Force by arresting me and not him .So when the ambulance took Gregory McKay to the hospital he absconded . So the JTTF came to me to help re-apprehend Gregory McKay. My direct words to the JTTF was I can’t be seen with a Task Force because too many Terrorist and World Leaders is watching me) I have to work 1 on 1 with the Most Wanted Terrorist or World Leader – as I catch and release , but Gregory McKay was apprehended after he

sucker punched me to the ground , I stabbed him ,but the 12th police department arrested me instead of Gregory McKay who absconded from the Joint Terrorism Task Force -JTTF) refer to the 36 Most wanted World Leaders and Most Wanted Terrorist in this document that make up Mohamet with Company under Federal Rule 26 (1) (a). Again these cases are filed as domestic violence as if I'm a violent person when actuality these cases are Domestic Terrorism cases that I help the FBI and JTTF in my own way special way as Mohamet with Company ; it may not be how the JTTF want me to work ; but it's the way I know how to work for them – but in my Health and Human Services cases they have these incidents down as domestic violence , when these cases involved apprehension of a Most Wanted Terrorist – and those records with Department of Health and Human Services should be corrected to reflect the truth instead of a falsehood that these were simply domestic violence cases .These were cases of me doing my job for FBI agent Chris Hess- 7 , then David Harmon came in , the Gwen Rosenthal (I thought they gave me a female FBI agent because I came into this Terrorism apprehension as a sex slave , I was working as a Topless dancer then I became a sex slave to Al- Qaeda (at one point only having sex with them) (Osama Bin laden number 1 – Gustavo Guerrero , Abu Masab Al-Zarqawi , Osama Bin Laden number 2 – Aaron Labarrie , Hassan from the Marathon Gas station where Abu Masab Al- Zarqawi-Joe worked to go to college at Henry Ford for nursing , Marcus Thomas who told me he was 12(12 is slang for police) but dressing in Muslim Garb as the Terrorist the “Prince” in Iraq) Marcus told me he just like the “Emir”, but Neither Osama Bin Laden's knew him , Abu Masab Al- Zarqawi didn't know him usually one terrorist introduce me to another terrorist , Or One World Leader introduce me to another World Leader:

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Example: Osama Bin Laden number 1 – Gustavo Guerrero took me to his Dad’s cohorts of Muqtada Al- Sadr , and Hassan Nasrallah and Osama Bin Laden number 1 – Gustavo Guerrero did know and recognize Osama Bin Laden Number 2 – Aaron Labarrie as Gustavo – Bin Laden number 1 saw me with Aaron Labarrie – Osama Bin Laden number 2 , and started throwing glass ramekins out the window at us , telling me to get away from him before he rape me .” Gustavo was screaming and yelling at me to Get Away from – Bin Laden number 2 – Aaron Labarrie before he rape me” . That told me they knew each-other, and they knew of each other not just through me because that was my first day meeting Osama Bin Laden number 2 – Aaron Labarrie. Aaron Labarrie – Osama Bin Laden number 2 sat on a thin fence, like a rail and just held me , until Gustavo Guerrero -Osama Bin Laden number 1 started throwing ramekins at us and yelling about him raping me.

Example number 2- I found Kim Jong UN secret detention in 2002 and was arrested for drug paraphernalia ; But Kim Jong Un- Himself as Danny told me he been here for 20 years in America – Then introduced me to his Mom through the Arab Sahar- Sam (Kim Jong UN Mom and Kim Jong Nam- Danny at his family Beauty Supply store at 7615 Gratiot , Detroit Michigan and Eboni Beauty Supply store on Gratiot and Harper)

I also started first apprehending Fugitive’s .. My ex- Boyfriend Jarreau Bullock and 2 other men had robbed his best friend’s mother with a shot gun (unloaded) , we had broken up and he wasn’t staying at my house or coming by my house anymore . But the Mt. Clemens Police was looking for him because they had apprehended everyone else , Jarreau Bullock said he would turn himself in to the police If I walked him into the Mt. Clemens Police Station , to make sure that he didn’t get beaten, as he was the last to be caught and only 16; I was 18 – instead he just turned himself in as long as I was with him , (he was over sentenced for the crime) Again I

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

didn't turn Jarreau Bullock in I had no idea about the robbery until the Police was looking for him, and he came to my house on the run, from the Mt. Clemens Police and asked me to go with him while he turn himself in. I waited until the Police handcuffed him and took him to a holding cell) Jarreau Bullock brother Frank Nitty was my best male friend at the time , but Frank Nitty Robbed a gambling party with his cousin who was killed and Frank Nitty was shot and injured . (Frank Nitty and Jarreau Bullock was a combination of my birth father Lamont Foster)

As Lamont took his friend to rob a bar and his friend was shot and killed but Lamont Foster my father lived and got away. Again Frank Nitty abruptly cut me off months before he robbed the gambling party with his cousin. That's a trend with him and his brother Jarreau Bullock , they cut me off , like we wasn't just best friends yesterday but today you don't know me . In that event they was planning robberies. So early on I learned when people cut you off like that they either deathly sick which I would learn that lesson later in life; but the feeling of abandonment was the same (like Tupac Shakur – Harry Davis in 2004-2011- when he was dying until present day)(when my Grandma died secretly by telling no one she had cancer , until it got to stage 4. My Grandma would always take me to Kings Island, then when I grew up I found out is Kings Island Highland Park, Michigan) or they planning a robbery(Like Jarreau and Frank Bullock). So I learned early to press my friends when they try to abandoned me when I know they care for me ; so I kept going to Tupac Shakur – Harry Davis house unannounced in New Jersey , because I knew , he cared for me in my heart , but I also knew he was dying of cancer – so I wouldn't let him abandoned me, like my Grand jenny did. I didn't know my grandma was dying, but Tupac Shakur – Harry _Davis flew me to JFK airport to New York . Took me to his home – and SHOWED me he was dying in 2002.He dropped me off in front of my home at 2429 Field St. and told me he was going to Chicago . I had just lost my Granny jenny from cancer – I

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

followed Harry Davis – Tupac Shakur to Chicago . I jumped on a greyhound I couldn't afford to fly. I went to Chicago – and was stranded . I didn't know anyone – so I sat in the Sears – federal Park. I met this panhandler named Poppi- O – we moved under a viaduct in Chicago . Where 2 GD Gangster Disciples lived Adam and Aaron, At first it was these 2 twin females but they left , and this dirty Chinese looking man that looks like Ali – Al-Kindi – (my baby daddy) . Adam and Aaron would smash and grab from the stores (711) so we would have food and distract the police . I would walk around downtown Chicago alone and I walked past Ossama's Hair Salon and Uday Hussein - Mahmoud came out and told me to come with him. Uday took me to an apartment his home scrubbed me down from head to toe in a shower we had sex, then as I started rinsing the soap off from him Uday scrubbing me he started scrubbing the toilet , telling me he sorry his Father is so nasty , because their toilet had dried poop spots , that Uday – Mohmoud had to scrub with the rag, he was disgusted, by the toilet, and the condition his father Saddam Hussein would leave the dried poop stains everywhere from inside the toilet and on the seat and the back part of the toilet . It was like splattered dried poop – which Ali – Al- Kindi does, I haven't seen that splatted dried poop on a toilet like this , since being at Uday Hussein apartment . But Uday took me to Hyde Park to Saddam Hussein Apartment that had another Hair Salon beneath it. I saw a man that Look exactly like Saddam Hussein with 4 or 5 other Soldiers or Senior men , Saddam Hussein was bald on the top but had hair around the back of his head , no beard and was fat , and sat and covered his mouth with his hand. I didn't want to stay there with all the men alone it was too many. So Uday took me back to down Town Chicago , where I met Emeka a cab driver , Uday Hussein told me he used to be a cab driver before he dropped me off , so it was like a hint to trust Emeka – Emeka would take me to eat at the African Restaurants , take me to rooms so I didn't have to sleep outside under the viaduct , he would

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

take me on his runs , and then take me back to the grey hound bus station in Chicago . Adam the Gangster Disciple had smash and grab on the construction workers , and the police arrested us . The cop put us in separate cars, and the Police that arrested me started yelling at me saying , “ you a Guerilla”, you need to go back home to Detroit . So I starting cussing him, saying Allah going fuck you up , “ Because I thought he was calling me a monkey , because I’m black.” But before I left Chicago the Latin Kings and the GD’s was shooting at each other. 2 Latin Kings got shot in front of the hospital and after they got shot we went to where the Jazz festival is held and smoked a blunt and talked about how they don’t want to beef with the GD’s no more , they showed me they really got shot and they didn’t want no more beef they wanted to call a truce . I told Adam when we went to the Viaduct.

At first I didn’t respect Aaron , so I spit at him , he was trying to tell me what to do , so I spit at him and he smacked me and told me don’t spit at GD’s . I believe the Latin Kings saw that Aaron hit me , like Don’t Spit at GD’s but I didn’t fall down , I took that slap and smiled at Aaron because I knew for sure I was with the Gangster Disciples, because I didn’t know who they was at first I didn’t respect them I just thought they was some homeless guys. I needed to know for sure who was stealing for me so I could eat . In Chicago I was so busy, I never got in touch with Harry Davis – Tupac Shakur, because I was with Uday Hussein. I even went to the Chicago Shelter to see what they system was , but they separate the men and women. I got out of there.

The Indian man at the 7-11 came out of the store at the park bench I was sitting at and said to me , “ you the only one that don’t steal out of my store “ “ He asked me why I didn’t steal out of his store , because everyone at the Park use to smash and grab food, chips , drinks, out of his store, .Then he told me he was getting married and instead of buying rings their

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

tradition was to tattoo their partners name on their ring finger ." So, once I talked to the Indian Man the owner of the 7-11. I took Adam to Rabbit park put my knife to his neck and told him to stop smash and grabbing at the 7-11 (because that Indian man peeped that they was stealing so I didn't have too , Adam was stealing so I had tickets to eat at Chicago Jazz Festival , (because Uday Hussein – Mohmoud told me his wife was coming from Iraq to Chicago and he really lived on Lake Shore Drive, and I can come to his house on Lakeshore Drive once , his Wife goes back to Iraq,) – that's when Adam started smashing and grabbing on the construction workers; and we was arrested - after I demanded with my knife in rabbit park that he stop smashing and grabbing on the 711 down town Chicago . I basically sat in the Federal Park for days before I met Poppio who took me the viaduct – the Chinese looking man was filthy , and had on a due rag and never spoke .This synopsis Is why I found fit to originally go to the FBI and gain an agent of my own as in Chris Hess- 7 , David Harmon , Gwen Rosenthal in her professional and personal capacity)

Also Samba Ka (Noah) An African from Senegal , use to let me work with him , at the African festivals , he wasn't a terrorist , but one day I was sleeping in my dream the police a white man took my phone while I was sleep, but I couldn't move , to react to him taking my phone – he was a white police officer with deep blue eyes on Jefferson.

Another dream(foggy event) like that was the Aug 14, 2003 Black out I was at Doorstep shelter , with my kids and the shelter said we had to leave so I started walking toward 26300 Dequindre rd Red Roof Inn on 12 mile and Dequindre Rd in Warren Mi. 48091 , the lady- the Front Desk Attendant gave us a room for free , the store across the street of the Red Roof inn. This particular Red Roof Inn at 26300 Dequindre Rd - is where Harry Davis – Tupac Shakur stayed while recording Joy Road the movie , He spent so much Money on

different rooms at the Red Roof Inn for his acting staff, I knew they would give me a free room. (Important note: I didn't have to mention "Harry" in order to get the room – the lady was nice enough to give me a room.) The store was passing out all its perishable food and gave us Spinach pie and me and my kids was knocked out, immediately. But me and Darius was taken to a White Van they thought Darius was a girl but he was wrapped up in a blanket, and a man was laying on the floor of the white Van with chains wrapped all around his body. Then the men carried me and Darius my son back inside the Hotel. I woke up back in the Red Roof room Inn. I couldn't see the man's face as he was chained up on the Van floor, all I saw was his feet. I didn't see the men's faces who carried me and my son Darius to the Van, It's like me and Darius my Son was in the van and then I woke up in the van and that morning I was in the Red Roof Inn at 26300 Dequindre Rd Warren, Mi. 48091, like nothing happened back in the bed, Christopher my son and Loreatha my daughter and Darius who was with me slept through everything. Also when the White police officer took my phone it was like a dream, but right before that I had went and had a cup of noodles, I got hot water from the coffee machine and the noodles knocked me out and I went to sleep right away in the divider of the street on Jefferson; it was filled with bushes, but I was so sleepy I went to sleep on Jefferson in the middle of the street divider inside the bushes and the white police officer with deep blue eyes in a Blue Detroit Police uniform took my dark blue Nokia Phone he said give me that and took my phone -in my dream but when I woke up my phone was really gone..

Rule (1) Scope and Purpose- This document is Veretta Jenny Burnett filing A Bivens Claim on the United States of America for Domestic Terrorism that reached international borders and inadequately training officers on Terrorism in Highland Park Michigan , Jersey City , New Jersey , Hoboken, New Jersey , New York , Detroit Michigan , and Chicago Illinois . I'm filing 42 U.S.C. 1983 suit for Lost wages Equal Pay/Compensation Discrimination

The Equal Pay Act requires that men and women in the same workplace be given equal pay for equal work. The jobs need not be identical, but they must be substantially equal. Job content (not job titles) determines whether jobs are substantially equal. Which goes back to my 42 U.S.C. 1983 section lawsuit in discrimination in pay from James McGinnis and William T. Ford of Highland Park and Highland Park City . All forms of pay are covered by this law, including salary, overtime pay, bonuses, stock options, profit sharing and bonus plans, life insurance, vacation and holiday pay, cleaning or gasoline allowances, hotel accommodations, reimbursement for travel expenses, and benefits. If there is an inequality in wages between men and women, employers may not reduce the wages of either sex to equalize their pay.

Equal Pay/Compensation and Sex Discrimination

Title VII also makes it illegal to discriminate based on sex in pay and benefits.. (Equal Employment Opportunity Commission) My Equal Pay Act Claim under Title VII is that I didn't get paid , by Highland Park Municipality because James McGinnis , and William T Ford the then acting Attorney for Highland Park Municipality - wanted to pay me based on a "title" and not the "work" and content of my "work" I did for FBI Chris Hess-7 and wanted me admit to

being an informant- Consultant as (Mohamet With Company) (being that each Most wanted World Leader, or Most wanted Terrorist (Freedom fighter) (Hassan Nasrallah and Maqtadr Al-Sadr,) , in front of Sgt. Brenda Stevenson who works for Chief of Police Caldwell of Highland Park whom was committing Terrorist acts and William T. Ford - Highland Park Attorney .

By further covering up discovery.

– “The City of Highland Park Law Department is established by Section 7-5 of the Charter of the City of Highland Park. The administrative head of the Law Department is the City Attorney, William T Ford who is appointed by, and directly responsible to, the mayor. (which is Huebert Yopp who smoked crack cocaine retrieved by Ponytail (then narcotics officer Caldwell), who also retrieved crack cocaine for Osama Bin Laden number 2- Aaron Labarrie) -Acting Chief of Police in 2007 was committing international Terrorism from a Domestic Vantage point , which resulted in domestic Terrorism.

Chief Caldwell had the inside knowledge about the Osama Bin Laden terrorist tapes because he was apart of making the Osama Bin Laden Terrorist Tapes - but he did not reveal that information to the FBI because he was directly involved in the Terrorism (1) the term “international terrorism” means activities that—

(A)

involve violent acts or acts dangerous to human life that are a violation of the criminal laws of the United States or of any State, or that would be a criminal violation if committed within the jurisdiction of the United States or of any State.

(B) appear to be intended—

(i)

to intimidate or coerce a civilian population.

(ii)

to influence the policy of a government by intimidation or coercion; or

(iii)

to affect the conduct of a government by mass destruction, assassination, or kidnapping; and (The kidnapping refers to Aaron Labarrie – Osama Bin Laden number 2 , Hamza Bin Laden , and using them to make Terroristic threats on- or against the United States of America – in collusion with the Terrorist tapes)(the Osama Bin Laden terrorist tapes had to be dubbed or voice over, because Gustavo Guerrero – Osama bin Laden number 1 kept telling me he didn't like his voice and someone would speak for him, and that he could make himself look taller on camera)

(5) the term “domestic terrorism” means activities that—

(A)

involve acts dangerous to human life that are a violation of the criminal laws of the United States or of any State.

(B) appear to be intended—

(i)

to intimidate or coerce a civilian population.

(ii)

to influence the policy of a government by intimidation or coercion; or

(iii)

to affect the conduct of a government by mass destruction, assassination, or kidnapping; and

(C)

occur primarily within the territorial jurisdiction of the United States; and

(6) the term “military force” does not include any person that—

(A) has been designated as a—

(i)

foreign terrorist organization by the Secretary of State under section 219 of the Immigration and Nationality Act (8 U.S.C. 1189); or

(ii)

specially designated global terrorist (as such term is defined in section 594.310 of title 31, Code of Federal Regulations) by the Secretary of State or the Secretary of the Treasury; or

when I was assaulted by Sargent Brenda Stevenson (who works directly for Chief of Police Caldwell -)after and for going to the F.B.I with the Most wanted Terrorist and World Leaders information November 5th 2007 - which included Chief Of Police Caldwell’s involvement in the Terrorism) As I know once I alerted the FBI that Aaron Labarrie- Osama Bin Laden number 2 was in America -specifically Highland Park , Mi.

Being detained by the Chief of Police Caldwell of Highland Park Mi. – Osama Bin Laden number 2 – Aaron Labarrie - That he was allowed to go to his family , as he also explained he

James McGinnis and William T. Osama Bin Laden as individuals example : Osama Bin Laden number 1- Gustavo Guerrero , who told me his father is Columbian .

Osama Bin Laden number 2 – Aaron Labarrie, so that I can give precise information and location rather than having to talk about Osama Bin Laden as 1 person . As each Osama Bin Laden(number 1 and 2) actions make them the legendary “Osama Bin Laden”

Next there is the Medellin Cartel – Griselda Blanco Restrepo know as La Madrina , the Black Widow , The cocaine Queen of Narco- Trafficking, is a Columbian drug Lord of the Medellin Cartel , The rumor that Griselda Blanco Restrepo died is not in good faith and is frivolous and thus lacks an arguable basis in law or in fact, Neitzke v. Williams , 490 U.S. 319,325 (1989)

6835 Michigan Ave, Detroit, MI 48210 At my Boss T- mobile Store he had me to do Assurance Wireless Lifeline - Federal program – (the White Girl Beth hired-recruited me originally and took me to Sahar , Sahar had another Arab Frankie to train me to do the Assurance Wireless Free Phones; Beth play sister works at Sahar Boost mobile as well . With the 2 white girls together you have the likes of George W. Bush # 43 daughters but on methadone, Beth and her play sister hired me , Beth recruited me and took me to Rick Valdez he was over the Assurance Wireless account . Sahar was a field agent and the Boss with Johnny over Boost and T- Mobile stores throughout Michigan. Sahar Odurn is an older man – Senior Citizen , he couldn't sit in the Grocery stores , he liked his office in Pontiac , so I worked under his(Sahar Odurn) POMS code . Then Sahar got Veretta Burnett her own POMS number and Password . Sahar owned the T- Mobile on 6835 Michigan and Martin- where I was sent to the food truck (Ali my baby daddy had taken me to the very same food truck) by Beth (the likes of Jenna Bush but on Methadone) She

sent me to get her some Taco's and Griselda Blanco – The Cocaine Godmother was in the Truck serving taco's . I took Beth her Taco's , but a Mexican- Columbian man with cowboy boots , was doing security , He was eating but he didn't leave – he just stood outside the food truck, also Griselda Blanco is not short , she is at least Beth's size and weight at 5'8 165 pounds and a bruise , from blunt force trauma on her forehead.” The pictures of the Food Truck were included in my federal Case's appeal regarding Kim Jong UN #17-2170 .

NBA Young Boy the rapper right hand man Ten that is usually always in his rap video's was on Michigan Ave and Martin at 6835 Michigan ave, with me while I was enrolling clients into Assurance Wireless lifeline program . I sent those pictures into the 6th circuit of Appeal's office not of Ten but of the Griselda Blanco food truck . The next day I went to get Tacos again but this time for myself and Griselda Blanco poisoned me – I ate the Tacos then I started pouring down sweat , I started shivering then vomiting , The poison made me feel like I was on a roller coaster ride ,like I was falling at 60 mile an hour . I couldn't eat , I was in so much pain in my abdomen (I felt like I felt when my liver was lacerated, I was throwing up blood , I call it the Kings Island Poison, so I started drinking water and making myself vomit to get the poison out) . When I did go back to work the Mexican- Columbian Man with the cowboy boots was gone but Griselda Blanco was still there inside the food truck selling Taco's and the best fattest burrito's for \$10.00 – so I never ordered food from her again. The Food Truck isn't associated with my Boss Sahar Odurn and his partner Johnny it sits in the parking lot of the Shopping Complex. Also Ali Al- Kindi my baby daddy took me to this food truck before , he ordered the food and I didn't .

I work for F.B.I agent Chris Hess-7 , and David Harmon starting in 2005. According to Federal law and U. S. EEOC – job content(Not titles) like informant , consultant , matter ; only thing that matters is the work I did for the FBI) determine rather jobs are substantially equal . As will the content of my work will show that it is equal to my male counterpart) and co-workers in the field of apprehension , catch and release , of Most Wanted World Leaders and Most Wanted Terrorist - then report to the F.B.I in real time .

Title VII, the ADEA, and the ADA prohibit compensation discrimination on the basis of race, color, religion, sex, national origin, age, or disability. Unlike the EPA, there is no requirement under Title VII, the ADEA, or the ADA that the jobs must be substantially equal.

of important constitutional or other federal rights (*Screws v. United States*, 325 U.S. 91 {1945})
Also for criminal liability under Section 242, a constitutional right must clearly be established (United States v. Lanier, 520 U.S. 259 {1997}). The facts will show that under Section 242 which is maintained for the most egregious forms of police misconduct this suit is warranted. As in case # 09: 14238 Veretta Burnett v. I did as I was told and I took a male black nurse(a hood 68 whisky) into the front of the Abandoned McDonalds(because that same male black nurse had been at the back of Kim Jong UN secret detention trying to open the back door, he was throwing crack rocks at the door for me to find , I found so many crack rocks that the male black nurse was throwing at the back door of Kim Jong Un Secret Detention, then I realized I can stay up all night and work at the gas station (marathon) The male Black nurse was like a lighter(a person who trying to tell you something without saying the words but rather they show you) , he had really bad skin , but he didn’t want sex . he wanted to get inside the abandoned McDonalds but we couldn’t get into the Back door of Kim Jong Un Secret detention . The back door was sealed shut with bead welding - because someone had opened the Front metal door with a blow torch., plus someone was bringing food into the Secret detention of Kim Jong UN because I saw Turkey bones piled up in the urinal and foil pans of rice that Kim Jong UN had piled up on the floor of the men bathroom. I am a confident informant to the FBI regarding “only” “Terrorism” of The World Leaders and Most Wanted Fugitive and Terrorist ; in which case some World Leaders Listed in this Document are/was on former President George W. Bush #43 7 State Sponsors of Terrorism List 2002 which included North Korea , Iraq and Libya .(Now that we know in 2020 Saddam Hussein didn’t have weapons of Mass Destruction) Uranium From Africa and the Valerie Plame- Wilson Expose .

At the time North Korea , Iraq and Libya were deemed state sponsors of Terrorism Which were countries in 2002 determined by the Secretary of State to have repeatedly provided support for acts of international terrorism are designated pursuant to three laws: section 6(j) of the Export Administration Act, section 40 of the Arms Export Control Act, and section 620A of the Foreign Assistance Act. Taken together, the four main categories of sanctions resulting from designation under these authorities include restrictions on U.S. foreign assistance; a ban on defense exports and sales; certain controls over exports of dual use items; and miscellaneous financial and other restrictions.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Designation under the above-referenced authorities also implicates other sanctions laws that penalize persons and countries engaging in certain trade with state sponsors. Currently there are four countries designated under these authorities: The Democratic People's Republic of Korea (North Korea), Iran, Sudan, and Syria. (United States Department of State, 2020)

Kim Jong UN constant detainment and release into Black society and the origin of Osama Bin Laden Terrorist Tapes(being that Bin Laden number 2 was detained by Chief of Police to Make Terrorist tapes) has caused me and my children who were minors during the World Trade Center Attack (Loreatha McGee born 1994 , Christopher Burnett born 1996 , LaDarius Burnett-Sanford born 1998 , Elizah Burnett born 2004 , Farrad Al- Kindi born 2012) personal pain and suffering with my children , housing and living situation . One terrorist organization like the **KKK** detaining and releasing Kim Jong UN back into Black Society and culture has affected not only my life , but my home life and wellbeing ,as well as my children upbringing and the ability to remain safe in school has affected my children who are still of child age .Although Qari Bilal – Sam a Yemen national kidnapped my son with no association to Kim Jong Un , I find it no coincidence that Qari Bilal worked at 820 W. McNichols less than a block from one of Kim Jong Un Family location where Kim Jong Un can be at any time at 230 W. McNichols.

An important note is that the

JTTF – Joint Terrorism Task Force had to come to my home because Gregory McKay had absconded and assaulted me and I stabbed him for sucker punching me to the ground , when the 12th police Department arrived they arrested me instead of Gregory McKay who was wanted by the Joint Terrorism Task Force .

Every facet of life having me absent from my children lives has made them vulnerable to terrorism , pimps, prostitution ,drugs , and HIV where as custody of my children was taken from me, and my child was then infected with HIV . My son Christopher Burnett was perfectly healthy as long as he was in my custody , and as soon as the court took my children during the 09-14238 the Osama Bin Laden case , where I was police brutality by Srgt. Stevenson ; for telling the FBI that Highland Park Chief of Police was holding Osama Bin Laden Number 2 hostage. The law is Chief of Police Theodore Caldwell was supposed to invite the FBI into Highland Park Michigan , 48203 so that the FBI would not violate jurisdiction, when domestic terrorism is involved . Instead Chief Of Police Theodore Caldwell was /is using the fears of American Government to enforce and distribute the Osama Bin Laden Terrorist Tapes by using Osama Bin Laden number 2 – Aaron Labarrie . Evidence will show that I am handling Government business and the Terrorism of not only Kim Jong UN intercontinental Ballistic missiles weapons and his detainment the consequences behind his detainment in my neighborhood weigh on my shoulders because it's in the Black community where I live shop , work and play , in the area where my children go to school . 1. Which takes into court immediately Foster Parent who have had the child in their custody for 6 months before the sexual abuse is expected by proof of Sexually Transmitted Disease in the Foster home with a 3 year old child should. The child should be removed from the foster parents as with the parent. However in “our” “case” although Elizah Burnett had a S.T.D which was vaginitis that she had been only in the custody of the Foster Parent Vincent and Freeda Fulton. Who sexualized Elizah when she was 4 years old. Elizah Burnett told me Mr. Fulton was sticking his finger into vagina. Again in the sexualization of my daughter Elizah at a young age the Fulton’s gave her “treat’s” for sexual behavior. In fact when she came home from Foster care she had climbed into my lap and asked me if she could help me? Of course I’m being playful and asked her help me how? (Because I am aware of what my job is) But Elizah was only 5 and asking to help me sexually. The Fulton’s had taken away Elizah the 4 year old baby I knew and given me an entire new child who was fully aware of her vagina sexually. The way she came home it’s like they spent personal time teaching Elizah about sex outside of me. This was done during the time she spent with Vincent and Freeda Fulton being sexualized for treats, while they saying to Elizah I’m mentally unstable I have Munchausen ; because after 8-9 months after Elizah Burnett was taken out of my custody and I was able to have 4 hour visits, Elizah Burnett started to faint during our visit, she also would have a 104 degrees fever, with vomiting and a swollen vagina. All my visits with Elizah Burnett – she was sick to where I had to rush her to the hospital because the Fultons was allowing Elizah to be sexualized. Everyone at Foster Care had known about my case with the police brutality, involving Osama Bin Laden, and the

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Foster Parents as Government agents sexualized Elizah , and while sexually abusing her telling her I'm mentally unstable or paranoid. And Ali Al- Kindi another Government entity statutorily raped my daughter .Ali Al- Kindi didn't forcefully rape Elizah , he followed suit of Vincent and Freeda Fulton the Foster Parents . He started calling me Bitches in front of the my children then treated Elizah to alone time in the bathroom. And I kept telling Elizah to put Ali in jail because when I caught him in the bathroom with Elizah he told me I can stab him. But I'm tired of stabbing him , and not putting him jail. He will take the stab wound to be a pedophile , which is having sex with my underage daughter . Telling my daughter I'm a crazy bitch , but watching porn in front of the children , and if I speak up , and tell him to stop acting like a pedophile watching pornography in front of the children . Then he watching teen -porn , where the teenagers barely look like they went through puberty in front of the kids – he expects me not to say anything , but even I feel uncomfortable knowing the children in the room and he watching pornography . I kept telling Elizah even if I call the police the Police need to hear it from you that Ali was having sex with you . Its called Staurtory rape , even if you let him have sex with you . But when I caught my daughter and Ali red handed coming out the Bathroom together on 701 Covington Apt. E2 (which sat behind Minister Farrakhan Secret Detention) Elizah started talking that I'm crazy following Ali suit . Ali went in the room and sat down and said I can stab him... But I went to Elizah and told her to put him in jail, lets call the police , I begged her to put Ali In Jail , I explained to her , how she was there when I had to stab him before . I'm tired of fighting and stabbing him because he keep acting eradicate and like a pedophile . Then when Elizah just lied to my face and said nothing happened and laughed it off , I did discipline Elizah physically because she was 13 years old , I told her not to go into any locked rooms with Ali , and she went into the

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

bathroom willingly and locked the door and had sex with Ali my sons father and she refused to put him in jail. The Terrorist kept threatening me , If they cant have sex with me , then they will rape and have sex with my kids. (All of which FBI Chris Hess-7 has that information .)

2. On Occasion I would have to redirect Elizah's behavior such as : the incident that we are in Court for now. But years ago I would have to access Elizah because she kept trying to sit up under my company , instead of going to play with the kids. As with Gregory McKay - he was wanted by the Joint Terrorism Task Force – so I had to come clean the carpet , I put the kids to bed early , and made sure I put them in pants pajama's because I knew I would be in they room late night with a male cleaning the carpet . But Gregory McKay said he was tired , and I decided to at least use the carpet cleaner on the children room , so it would be dry by the morning . I come in the room Elizah has a bare butt hanging out . I had to redirect her behavior and explain that there is a male in the house , and she knows that , she needs to be fully dressed , so I spanked her and reminded her that when I have company she need to be fully dressed in what ever I gave her to put on. I kept telling her , “ you're a child Elizah .. I don't sale little kids for sex. Stop trying to be grown or doing what you learned with the Fultons , over here at home with me , we don't sale kids into sex. However , Elizah kept trying to one -up me with Ali , like they was best friends against me . Elizah till this day will not put Ali Al- Kindi in jail because he gave her treats to have sex with her, even though she was underage .
3. The rules are with my children when I have company ;
 - a. The children especially Elizah are NOT to sit on my male company lap.

As I wrote a Habeas Corpus in a demand letter to State Legislature to find the secret detainee's including (Minister Louis Farrakhan aka Louis Walcott)(When I was a child Minister Farrakhan outsourced work to my mother Loreatha Clark to the Lyndon LaRouche Foundation and Cliff Kelly radio station in Chicago ,Illinois . My mother Loreatha Clark always kept me by her side .Rule 11(3) The factual contentions have evidentiary support or is specifically so identified will likely have evidentiary support after a reasonable opportunity for further investigation or discovery . As we went to Lyndon LaRouche Foundation before Lyndon LaRouche went to Federal Jail, he called me and my mother to His foundation in Chicago and told us Russia is the problem and showed us pictures of Russian President Vladimir Putin . My Mother also called Rush Limbaugh saying she was going to marry Minister Farrakhan . However, I was the one going to jail for boycotts ; we closed down IN and OUT Liquor store on Houston Whitter and Chalmers in Detroit . A store in the black community that mistreated Black people, I was the one watching my brothers and sister and cleaning the House . When Minister Farrakhan saw all the work I was doing as a child – he called us into his office In Detroit Michigan at the Mosque and Told my mother – he was sorry for the Vangaurd fighting her(as my Mother Loreatha Clark would wear her wedding /prom dresses to the Mosques saying she was going to be Minister Farrakhan second wife) When Minister Farrakhan heard that the

So I didn’t know then around 1986 Minister Farrakhan was facing a secret detention hearing as I was too young to understand Minister Farrakhan’s motives behind wanting to find a husband for me, and not my mother while I was only 10 years of age)

Because my Son Farrad Al- Kindi knew their names ,I was able to access my leads in Europe including Britain , Manchester , Bradford ,London and parts of Detroit where Qari Bilal ran after he kidnapped my son) (Qari Bilal , kidnapping of my son help me to understand the secret detentions was behind my home at 900 Whitmore and 701 Covington E2) The addresses of the secret detention are 885 Covington - The Hampshire House and 900 Covington – the Cambridge House .

During the October 1996 term, the Supreme Court handed down two cases involving municipal liability under 42 U.S.C. §1983, *McMillian v. Monroe County, Alabama*, 117 S. Ct. 1734 (1997), and *Board of the County Comm'rs v. Brown*, 117 S. Ct. 1382 (1997). By a narrow majority, the Court in these cases emphasized the importance of State law in determining the reach of § 1983, thereby preserving the States' role in organizing their political subdivisions within a larger Federal system.

In each case, a county was sued for damages under Section 1983 by individuals who claimed that they suffered injury at the hands of the county sheriff. The Supreme Court in both cases reiterated the role of the States in the formulation of municipal policies and found that the City was not liable for damages under Section 1983. Chief Justice Rehnquist delivered the opinion of a 5-4 Court in *McMillian* (Justices Stevens, Souter, Ginsburg and Breyer dissented); Justice O'Connor delivered the opinion of the same 5-4 Court in *Brown*.

Under *Monell v. Department of Social Serv.*, 436 U.S. 658 (1978), a municipal government can be held liable under Section 1983 if a plaintiff can demonstrate that a deprivation of a federal right occurred as a result of a "policy" of the local government's legislative body or of those local officials whose acts may fairly be said to be those of the municipality. Municipalities, however, cannot be held liable under Section 1983 for constitutional torts on a theory of *respondeat superior*. In other words, municipalities are not liable for the actions of their employees simply as a result of employment status: an employee must be acting pursuant to a municipal "policy." To establish a municipal "policy," a plaintiff must prove that the municipal action was (i) taken with the requisite degree of culpability and (ii) causally linked to the deprivation of a federal

right. This standard has produced, in the words of Justice Breyer, "a highly complex body of interpretive law." *Brown*, 117 S. Ct. at 1401 (Breyer, J. dissenting).

In which case Highland Park City as a village-annex has allowed for “Kim Jong Un” – “Nail Shop”(Highland Nails) at 12027 Woodward to exist under the employment of the KKK , Highland Park City has a trend of allowing enemies of the state/ Country/ state sponsors of Terrorism to own and operate businesses within Highland Park City – refer to Osama Bin Laden deposition which resulted from me being assaulted by Highland Park Police and Srgt Stevenson Charged by the FBI for lying and using excessive force – The police brutality was in retaliation for alerting the FBI Chief of Police Of Highland Pak ;Caldwell, involvement and arson fires ; after I went to the FBI with Hamza Bin Laden- Trevor-Rod - and Other Most wanted Terrorist information; that included Chief of Police Caldwell cohorts ; or who Chief Caldwell was holding captive for his own political gain , financial gain, ; and Kim Jong Un Brief given to Shawn Cabot-P-64021 my attorney at the time of the Osama Bin Laden Deposition .

Of the two cases decided this past term, *McMillian* may have the larger impact -- despite claims from the dissent that the decision does little to alter Section 1983 jurisprudence -- because it emphasized the importance of applicable state law in determining whether a county sheriff is a municipal "policymaker" in any given situation. *McMillian* filed a lawsuit under Section 1983 against, among others, Monroe County, Alabama. *McMillian*'s suit alleged injury flowing from having spent six years on death row before his capital murder conviction was reversed. *McMillian* alleged that the Monroe County sheriff and others in the sheriff's office had acted as county officials when the evidence was suppressed, and that as a result the county was liable

under Section 1983. The county did not dispute that the sheriff was a "policymaker" for purposes of Section 1983 but contended that the sheriff was a policymaker for the State, not Monroe County. The district court, which was affirmed by the Eleventh Circuit, agreed with the county and dismissed McMillian's lawsuit against the county on the ground that the sheriff was a State, not a county, policymaker when acting in a law enforcement capacity. (In my Case Chief Of Police Caldwell, an acting Chief of Police of the municipality/city of Highland Park - was acting as a policy maker by practicing in City Council meetings along with Richard Steve Goldberg – A Most wanted Sexual Predator who is an Aero -Space Engineer and Terrorist)

The Supreme Court affirmed, and made clear that its holding was driven by two factors: first, its decision turned on an analysis of state law; and second, its inquiry was limited to the circumstances presented by the sheriff's actions at issue in the case (actions taken in a law enforcement capacity). In assessing whether the sheriff was a state or county "policymaker," the Court focused its analysis on how Alabama county sheriffs were intended to function under pertinent Alabama legal authorities, particularly the Alabama constitution. The Court relied heavily on the fact that the Alabama Supreme Court had held that under the Alabama constitution, claims brought against a county sheriff based on official acts constitute suits against the State, not against the sheriff's county.

The Supreme Court specifically rejected an argument that finding Alabama county sheriffs to be state officials would conflict with the decisions of several Federal Courts of Appeals that had concluded that county sheriffs were county officials. That argument was characterized by the majority as "ignor[ing] our Nation's federal nature." *McMillian*, 117 S. Ct. at 1741. The Court also noted that there would be no inconsistency in decisions declaring sheriffs to be county

officials in one State, and not in another -- perhaps inviting a reconsideration in those circuits that have uniformly held sheriffs to be county policymakers.

Brown involved a suit under Section 1983 seeking compensation against, among others, a City for injuries allegedly incurred when plaintiff Brown was forcibly removed from a vehicle by a sheriff's deputy of Bryan County, Oklahoma. Brown claimed that the county was liable because the county sheriff (the uncle of the deputy's father) had failed adequately to review the deputy's background, which included various misdemeanor convictions, before hiring him.

In *Brown*, the issue of whether the sheriff was a county "policymaker" was not contested. *Brown* addressed the standard of culpability and causation necessary to establish that a federal right was deprived by a municipal "policy." The municipal action at issue in *Brown* was a single act, the decision to hire a particular individual as a sheriff's deputy -- an action that was neither itself a violation of federal law nor a municipal directive that produced a denial of federal rights. The county argued that the sheriff's single hiring decision could not give rise to Section 1983 municipal liability. The district court and the Fifth Circuit disagreed, finding that a single hiring decision by the county sheriff could be a "policy" under *Monell*.

The Supreme Court reversed, holding that the single hiring decision in *Brown* was not a sufficient "moving force" behind the alleged injury to constitute an actionable municipal "policy" for Section 1983 liability. The Court was driven by its concern that "[w]here a court fails to adhere to rigorous requirements of culpability and causation, municipal liability collapses into respondeat superior liability." *Brown*, 117 S. Ct. at 1394.

The Court made clear, however, that the municipal action at issue in *Brown* did not itself deprive any federal rights. The Court reiterated a high standard of culpability and causation for liability in such cases -- a standard of "deliberate indifference" to a risk that a violation of a federal right will follow from the municipal decision. For "deliberate indifference" to exist, the causal connection between the deprivation of a federal right and the municipal decision must be such that the deprivation was a "plainly obvious consequence" of the decision. *Id.* at 1392. *Brown* also squarely called into question whether a single municipal act that does not itself deprive a federal right could ever constitute "deliberate indifference." In doing so, the Court qualified *Canton v. Harris*, 489 U.S. 378 (1989), which left open the possibility that evidence of a single violation of federal rights *could* result in municipal liability under Section 1983, as a decision hypothesizing about an instance where the violation of a federal right is a highly predictable consequence of the municipal action. (Nelson,2020)

The decisions in both *McMillian* and *Brown* limit the scope of Section 1983 liability and emphasize the importance of State law in deterring the significance of municipal activity. *McMillian* rejected the argument that a uniform national characterization of sheriffs would make Section 1983 cases easier to decide, instead recognizing the States' "wide authority to set up their state and local governments as they wish." *McMillian*, 117 S. Ct. at 1741. Similarly, in scrutinizing whether a single municipal hiring decision could constitute a "policy," *Brown* drew on the Congressional intent that municipalities would not be held liable under Section 1983 unless deliberate action attributable to the municipality directly caused a deprivation of federal rights.(In which case Veretta Burnett and her children were injured under 42 U.S.C. 1983)

Indeed, *Brown* cautioned that "[a] failure to apply stringent culpability and causation requirements raises serious federalism concerns, in that it risks constitutionalizing particular

hiring requirements that States have themselves elected not to impose." *Brown*, 117 S. Ct. at 1394. **Daniel Nelson is an associate at Gibson, Dunn and Crutcher in Washington, D.C.*

Because Highland Park serves as its own police which used excessive force against me once I reported Chief of Police Caldwell connection to the Domestic Terrorism along with the phone numbers and addresses of Most Wanted Terrorist, Highland Park has its own city council, its own business district, its operating as a Corporation as a city, it has its own Mayor such as Mayor Huebert Yopp who is/was also involved in the making and distribution of the Osama Bin Laden Tapes through his then – Narcotics officer Ponytail also known as Chief of Police Caldwell, in 2007, as Ponytail would retain “crack cocaine” for Mayor Yopp as a narcotics officer and Osama Bin Laden number 2 – Aaron Labarrie; and when Aaron Labarrie-Osama Bin Laden tried to get drugs on his own even demanding crack cocaine he was shot with a gun inside the United States, in Highland Park Michigan. (Department of State, 2020)

North Korea, for example, pursues nuclear weapons and ballistic missiles in defiance of its international obligations, destabilizing Northeast Asia and increasing the risk of nuclear war. The Iranian regime develops ever more capable ballistic missiles and proliferates them to regional proxies and terrorist forces. Both ISIS and the Assad regime in Syria have used WMD. Russia and China have increasingly potent and diverse WMD and missile arsenals, and they provide advanced arms to partners and proxies in various regions. (Department of State ,2020)

According to Homeland Security for Policing by Willard Oliver (2007) , “ On September 11, 2001 , policing entered the era of homeland security . Prior to the attacks on America by Osama Bin Laden and his terrorist group Al- Qaeda , on that fateful day , policing in America recognized that various crime problems had international implications, but there was little acknowledgement of how these crimes would impact state and local police directly. (pg.1) Furthermore Oliver states, “ Issues such as international and transnational crimes, particularly organized and white-collar crime, and both drug and human trafficking were issues of concern, but generally the concerns for either the federal government and their criminal justice assets or for the international community” . “ Perhaps more importantly , reviewing how the local police respond to the attacks provides us some insight into what the era of Homeland security ,means for policing.” (Oliver , 2007)(p.1) The Bubble Forms according to Oliver , “ Al- Qaeda was founded by Osama Bin Laden in Afghanistan in 1988. Osama Bin Laden was born in July 1957

the 7th of twenty sons of a Saudi Construction magnate of Yemeni origin. Another of Bin Laden's instructors was a major figure in the Jordanian branch of the Muslim Brotherhood, Dr. Abdullah Azzam. Azzam has been identified by some experts as the intellectual architect of the jihad against the 1979-1989 Soviet occupation of Afghanistan and ultimately of Al-Qaeda itself; he cast the Soviet invasion as an attempted conquest by non-Muslim power of sacred Muslim territory and people. (Oliver, 2007 pg. 7)

Bin Laden according to Oliver, 2007 went to Afghanistan shortly after the December 1979 Soviet invasion and joined Azzam there. He reportedly used some of his own money to establish himself as a donor to the Afghanistan mujahedin and a recruiter of Arab and other Islamic volunteers for the war. (In which case many FARC from Columbia joined Al-Qaeda)in 1984 Azzam and Bin Laden structured this assistance by establishing a new-work of recruiting and fund raising offices in the Arab World, Europe and the United States. That network was called the Maktab al- khidamat (Services Offices) also known as Al-Khifah. Another major figure who utilized the Maktab network to recruit for the anti-Soviet jihad was Umar Abd Al- Rahman also known as the Blind Shaykh, the spiritual leader of the radical Egyptian Islamic group Al – Jihad. Bin Laden Also fought in the anti- Soviet war, participating in the 1986 battle of Jalalabad and more notably, a 1987 frontal assault by foreign volunteers against the Soviet armor. Bin Laden said he was exposed to a Soviet chemical and was slightly injured in the battle. (Oliver, 2007 pg.7)

“During this period, most U.S. officials perceived the volunteers as positive contributors to the efforts to expel Soviet forces from Afghanistan, and the U.S. officials made no apparent effort to stop the recruitment of non-Afghan volunteers, although the United States

have repeatedly denied that the United States directly supported the volunteers , although the United States did covertly finance about 3 Billion dollars during the 1981-1991 and arm via Pakistan the Afghan mujahedin factions , particularly the Islamic fundamentalist Afghan factions, fighting Soviet Forces. At this time neither Bin Laden , Azzam nor Abd Al- Rahman was known to have openly advocated undertaken or planned any direct attacks against the United States , although they were critical of U.S. Support for Israel in the Middle East.” (Oliver , 2007 pg.7) “ The National Strategy for Homeland Security created by the Office of Homeland Security under then director - Tom Ridge. The National Strategy for Homeland Security does address the role of state and local police in homeland security but it’s a much broader document etc. The second source for developing a strategy for Homeland Security comes from the joint efforts of the international City /County Management Associations (ICMA) and the International Association of Chiefs of Police (IACP) . Both of these associations have pulled together a number of articles that have looked at the best practices for homeland security . The National Strategy for Homeland Security asked 4 questions ; (These4 questions will be answered throughout this U.S.C. 42 1983 sections lawsuit)

1. What is Homeland Security and What missions does it entails?
2. What do we seek to accomplish and what are the most important goals of homeland security?
3. What is the Federal executive branch doing now to accomplish these goals and what should do in the future ?
4. What should nonfederal governments , the private sector, and citizens do to help secure the homeland ?

According to Oliver on May 17th 2005 the IACP issued their own white paper with a press release . The white papers were very critical of the National Strategy for Homeland Security . The White papers were written or constructed by Police Chief's from all over the United States . The White Papers created by the IACP charged the National Strategy released in 2002 was developed by federal departments and agencies and that despite the assertions of Bush in the preface of the document it was in fact a federal strategy , not a national strategy . The IACP argued that all levels of government , including local , tribal and state and federal , should have participated in the development of the strategy to truly make it a national strategy . (Oliver , 2007) (pg.103)

Chief of Police Caldwell have great knowledge of the IACP and it's development toward a strategy for securing the homeland – and instead Chief Of Police Theodore Caldwell II went out and started a war between Islam and America by detaining and torturing Aaron Labarrie – Osama Bin Laden Number 2.

More Examples of Chief of Police Caldwell then acting Narcotics officer road to Terrorism - “ Some of the “Buddy Boys” of the Seventy -seventh Precinct of the New York Police Department in Brooklyn served with honor for years.” When they saw drug dealers making huge profits and flouting the law, however they began to bust drug dealers to steal their money, and they finally stole and dealt drugs themselves .” So it is with Chief of Police Caldwell of Highland Park - as a Narcotics officers he made sure 2 people got their crack cocaine and they both were Political aspects of the Terrorism – Those 2 people were : Mayor Huebert Yopp of Highland Park and Aaron Labarrie – Osama Bin Laden number 2 so that he would continue to make Terrorist Tapes that threatened American Government and its policies . Admissible evidence of the Arson Fires directed and orchestrated by Police Chief Caldwell at 12889 Woodward and 10

Ferris , Highland Park MI, will show the intent and urgency of Chief of Police Caldwell in Highland Park intention to “profit ” from *Arson a form of Terrorism in this case* ; at the expense of the Fire Department who put out the fires Caldwell directed and ordered. Caldwell is willing to profit from Arson a form of Terrorism in this case , Drug Dealers and Domestic Terrorism- that looked like International Terrorism – by being Involved in the making of the Osama Bin Laden Tapes - Aaron Labarrie- Osama Bin Laden number 2 , Chief of Police Caldwell and Richard Steve Goldberg’s involvement in Terrorist tapes from a Modus Operandi or (MO) vantage point of attacking American Civil Aircrafts - that involved Osama Bin Laden and Hamza Bin Laden -Trevor-Rod.. The reason Al-Qaeda or Umar Farouk Abdulmutallab sought to attack Detroit in that MO of using an aircraft specially over Detroit was because word got back to Al-Qaeda Osama Bin Laden was in “Detroit”, being detained , by police which was actually “Highland Park”, Michigan. Refer to ;Umar Farouk Abdulmutallab.

(“Abdulmutallab”), known nationally as the “underwear bomber,” attempted to detonate an explosive device in his underwear on Christmas Day in 2009. Abdulmutallab's chosen path towards radicalization began in August 2009 when he traveled to Yemen for the purpose of becoming involved in a violent jihadist group associated with Al Qaeda, a designated terrorist organization pursuant to 18 U.S.C. § 2339B(a)(1) and 8 U.S.C. § 1189(a). During his time in Yemen, Abdulmutallab received training at an Al Qaeda camp under the direction of the radical Imam Anwar Awlaki and agreed to carry out a suicide attack by bombing a United States air carrier over the United States. The bomb given to Abdulmutallab was built into a pair of underwear and Abdulmutallab was assured that the bomb would defy airport security because it contained no metal parts.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

On Christmas Day, Abdulmutallab boarded the flight from Amsterdam, Netherlands to Detroit, Michigan to execute his martyrdom mission. The flight carried 289 passengers. When the flight was close to landing in Detroit, Abdulmutallab went to the bathroom to prepare to detonate the bomb. Upon returning to his seat, Abdulmutallab told the passenger in the seat next to him that he was not feeling well, pulled a blanket up to his head, and pushed the button to detonate the bomb. The result was a single, loud pop, which other passengers described as sounding like a firecracker. The explosive device did not work as intended and caused only a large fireball around Abdulmutallab and then a fire coming out of Abdulmutallab's pants, igniting the carpeting, walls, and seat. A number of passengers restrained Abdulmutallab and attempted to put the fire out. As a result of the emergency, the pilot brought Flight 253 into a deep descent, landing approximately four minutes later. Once the plane landed, Abdulmutallab was taken to the University of Michigan Hospital for medical treatment.

The superseding indictment charged Abdulmutallab with eight counts:

- (1) Conspiracy to Commit an Act of Terrorism Transcending National Boundaries in violation of 18 U.S.C. §§ 2332b(a)(1) and 2332b(a)(2).
- (2) Possession of a Firearm/Destructive Device in Furtherance of a Crime of Violence in violation of 18 U.S.C. §§ 924(c)(1)(A), 924(c)(1)(B)(ii), and 924(c)(1)(C)(ii).
- (3) Attempted Murder Within the Special Aircraft Jurisdiction of the United States in violation of 18 U.S.C. § 1113 and 49 U.S.C. § 46506.

This law suit will show the domestic Terrorism (B) violated Veretta Burnett , Christopher Burnett , Elizah Burnett , and Farrad Al- Kindi - state and federal civil rights under the 14th amendment for Racial Gerrymandering, partisan hi- jacking by the Republican Party , under Section 2 of the VRA (Voting Rights Act) redistricting and Racial Gerrymandering which allowed the secret detentions to be put behind my apartment’s at 900 Whitmore #203, Detroit Michigan 48203 , 701 Covington Apt E2 Detroit Mi. 48203 . Three factors must be proven these factors are called: prima facie , that under a totality of circumstances

1. The minority group is sufficiently large and geographically compact to constitute a majority in a single member district
2. The minority group is politically cohesive
3. The white majority -votes sufficiently as a bloc to enable it usually to defeat the minority -preferred candidate. Fact A. The African American community in Southeast Michigan is the only minority community that is sufficiently large , geographically compact , and politically cohesive in such a way as to require the creation of two majority African American Congressional districts under Section 2. (Journal of Law in Society vol. 13 No. 1,2011) Furthermore , Accordingly there are 2 districts in the Congressional map where the Voting Age Population for African Americans is over 50 percent , thus meeting the requirements : that Black Voting Age population (BVAP) 55.71% for Districts 13 and 57.05 % for District 14 .(District 14 is my Congressional District)

Therefore with the Republicans drawing the maps using Racial Gerrymandering the Republicans - or mostly Caucasian Vote at 53% . The majority Caucasian vote sufficiently as a bloc to enable it usually to defeat the minority -preferred candidate .Additionally , the map contains ten county and 14 municipal splits , suggesting a potential cause of action under the provision of state law that requires district lines to “break as few county , city and township boundaries as is reasonable possible . The legal claim that says that the newly drawn maps in 2010 violate state law. As it was in 2000 African Americans and Latino’s have frequently faced discrimination during redistricting . For example: after 2000 census Louisiana adopted a discriminatory plan for its state House Representatives that harmed Black American voters . Despite 2000 data indicating that Black- African American increased both numerically and by percentage in Louisiana the state legislature completely eliminated a majority-minority district in New Orleans area where African Americans did not lose any population in their proposed redistricting plan. Louisiana admitted that this elimination was a conscious effort to limit African American voting strength in the New Orleans area and to increase electoral opportunities for white- (Caucasian) voters . (Journal of Law in Society , 2011 p.24) Important note: communities vote on local school board members, city council , state legislature , and Congress and my Vote and been significantly blocked by the White -Caucasian vote .That the races are separated because of voting practices .

According to the Journal of Law in Society , Wayne State University law School in Partnership with Damon J. Keith for Civil rights – “In July 2011 , the Michigan legislature enacted a plan for new congressional districts that could arguably be the most oddly shaped

districts maps in Michigan's history , with districts swirling around Southeast Michigan like colors in a willy Wonka lollipop". "The 9th , 11th and 14th congressional districts for Michigan are three of the most awkwardly shaped districts that Michigan has ever seen. The new 9th District is shaped like a Leprechaun's shoe, heeled in Roseville and Eastpointe and the 11th district grew a tail that wraps around Pontiac to reach Birmingham . And, the serpentine shape of the 14th Congressional districts groups voters in Southwest Detroit and Gross Pointe with residents of West Bloomfield and Pontiac . (Shaw v Reno) That where shapes of districts are extremely irregular it is likely that they are unconstitutional if they are the result of an effort to segregate the races for the purposes of voting without regard for traditional districting principles." (The Journal of Law in Society – Wayne State University Law School .

Further states, The Journal Of Law in Society , with sizable majorities in both houses in the state legislature and Governor's office , Republicans had complete control of the process. Then Congressmen Gary Peters -represented the soon to be eliminated Districts. Peters was relatively , young , moderate, and widely regarded to have a bright future . He was first elected in 2008 as the first Democrat – represented Oakland County in over a century . In the new map, Peter's district is eliminated and parceled out to 3 neighboring districts. Strong Republican areas of the district was folded into Republican area's then represented by Democrats Sandy Levine and John Conyers . This effort to eliminate Peter's Democratic leaning district was one of the political and partisan factors that drove the re-districting process in 2011, Two other factors also influenced the process .

Number 1 – The political ambition of the then current congressional delegation and the legislators drawing the maps. Those serving in congress are widely assumed to work behind

closed doors with state legislators to advocate for the best possible districts in which to run for re-election . To term – limited state legislator, redistricting offers opportunity to draw his or her owns future Congressional districts . (I Lived in the 14th Congressional District , which Congress allowed the secret detentions to be put behind my home) . They can Literally, choose which voters they would like to include in their districts. More than ten years ago, then term – limited Senator Thaddeus McCotter aspired to serve in Congress. As a legislator sitting on the committee who drew the congressional districts lines , future Congressman McCotter was able to select and vote on the creation of a district where he would late run a victorious campaign. (Journal of Law in Society – How Serpentine Districts Became Law p.11 vol. 13 no. 1) “ Then State Representative Marty Knollenberg , who announced his candidacy for Congress while serving on the House redistricting committee that commissioned the maps, was seeking to repeat history by drawing himself into Congressional District 11, Knollenberg later withdrew from the race when Congressman McCotter ended his campaign for Presidency and indicated he would be running for re-election in District 11”. Journal of Law in Society – How Serpentine districts became law, volume 13 No.1)

Number 2 -the second factor is the larger efforts by political parties to create maps that produce strangely shaped noncompetitive districts on order to ensure a pre-ordained partisan makeup in the state’s Congressional delegation . Michigan’s 2011 Congressional districts reflects the presence of both these phenomena . The plan which Michigan’s Democratic leaders referred to this as Partisan Hi-jacking – which spreads the states Republicans voters across 9 districts and packs nearly all of Michigan’s Democratic voters into the remaining 5 , With Republicans making up the estimated 53 % of the voting population.

The Claim and opinion concluded that a citizen in an racially gerrymandered districts could state a claim under the 14th Amendment if they could feasibly allege that traditional districting principles, such as respect for political sub-divisions, compactness, and contiguity, had been set aside in deference to considerations of the racial makeup of the districts. The African American community in Southeast Michigan is the only minority community that is sufficiently large, geographically compact and politically cohesive in such a way as to require a creation of 2 majority African American congressional districts under section 2. Section 2 of the Voting Rights Act bans any redistricting map that results in a denial or abridgement of the right to vote on the basis of race, color, or language – minority status. 42 U.S.C. subsection 1973 (a) states with a history of pernicious racial discrimination must receive federal approval for their redistricting plans under Section 5 of the Voting Rights Act. *Johnson V DeGrandy* 512, U.S. 997, 1019 -20 (1994) (Finding the remedy for a Section 2 violation is race-conscious districting and that proving racial, and ethnic cleavages affected my vote as it was blocked to appease the white/ Caucasian/ Republican - vote.

(4th) Also in the Case with Harry Davis /Tupac Shakur the white vote or police over Tupac Shakur are using their position to block me from talking or questioning Harry Davis- Tupac Shakur. Being that my case is Federal – federal Law Trumps State law. In more than one way the white – Caucasian Vote or Police are blocking my calls or monitoring my calls when- I should be able to Ask Harry Davis – Tupac Shakur Questions, my case is Federal, federal law trumps state law or local police. I'm asking the court to send a cease and desist order to the Police or Homosexual Authority or Female - over Tupac Shakur – Harry Davis.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Considering the fact that Harry Davis – Tupac Shakur brought me to his home in New Jersey when he was dying , not to mention I met him 2 days before the World Trade Center was Attack by Nano-thermite and a civil Aircraft attack on September 11, 2001 . Harry Davis – Tupac Shakur was dying – during 1996-2005 from cancer , Harry could not defend himself from the surrounding terrorism going on in New Jersey being that I brought Gustavo Guerrero – Osama Bin Laden number 1 to his home in New Jersey , because I left Osama Bin Laden number 1- Gustavo Guerrero at 54 Parkhurst in Newark in “our” apartment and I moved into Harry Davis – Tupac Shakur apartment because Gustavo and I were physically fighting . (Gustavo Guerrero wanted to join to Bloods because the bloods put a hit out on the police for taking their drugs – crack and heroin and re-selling it back to the streets . So the Bloods said if you kill a police officer you can be a Blood Gang Leader . But I was jumped into the Crip gang in middle school – and had to protect Gustavo Guerrero from the real Bloods , because he would try to wear their rag in the area and they didn’t know him , and would fight Gustavo Guerrero – Osama Bin Laden Number 1 . So Gustavo and I would fight about gang is Better. I told him we Lockett’s female for Loco – from Los Angeles California and Loc’s . I was jumped in by Ike Cousins from Los – Angeles California after the spread of the Iran -Contra that released crack cocaine into the black community. Crip gang members from California the L.O.C. – loc’s moved on Wilfred in Detroit Michigan . The Lockett’s females jumped me in by the 7th grade while attending Jackson Middle School . Afesa , LaShawnda , and Eureka jumped me in to the Crips and not “courted” or “Gang rape – sexed into the men crips-Loc’s .”

When Gustavo was charged for Domestic Violence against me in New Jersey , The Police officers were being arraigned in the Part 1 Court in Newark for robbing the local dope dealers of Newark in 2004 and re-selling the drugs back to the streets . So the Bloods put a Hit

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

out on Newark police. The Newark Police were in the same Court with Gustavo Guerrero – Osama bin Laden number 1 being arraigned while he was being arraigned for Domestic Violence in Newark New Jersey . Gustavo Guerrero- Osama Bin Laden number 1 came to Detroit with me after he got my diary with Harry -Tupac – phone number – Gustavo Guerrero – Osama Bin Laden number 1 started calling Harry Davis- Tupac Shakur telling him I got a place to stay in Newark and where was I . Harry Davis – Tupac – Shakur told Osama Bin Laden Number 1 – Gustavo Guerrero I was at Penn station to go back to Detroit . In which Gustavo Guerrero – Osama Bin Laden number 1 came with his wife Keasha who put an enormous wart on his penis – then sent him with me where he Caught the Grey hound with me back to Highland Park Mi. – where we lived at 11 Farrand Park , Highland Park , Mi. 48203 .

Also Being a Crip gang member a “Lockett” helped me in Chicago, Illinois in 2003 with the Gangster Disciples , they respected my position as a “Crip”. That in Chicago when Uday Hussein had to pick up his wife from the airport because she was coming from Iraq – so the Gangster Disciples kept me fed , gave me tickets for the Jazz festival for food and gave me protection. I noticed that the Chicago Jazz Festival they was serving Turkey Legs , just like I saw in Kim Jong Un Secret Detention before his capturer’s started feeding him and his soldiers rats(by the time they was moved on Van Dyke and Gratiot near Kim Jong Un Momma Beauty Supply store where I talked to her at in 2016 .

Therefore I challenge Colonel James Hickey and 1 two 1 task Force, of the United States Army that Saddam Hussein and Uday Hussein are in the United States of America under an OPEC deal alive . Uday Hussein works at Ossama’s hair Salon at 5100 S. Cornell Ave and

Saddam Hussein was in Hyde Park where President Barack Obama lived in Chicago , Illinois with about 4 or 5 senior soldiers.

My 8th Amendment rights have been violated as pertaining to cruel and unusual punishment – when Supreme Court Justice Kavanaugh Clerks office gave me an extension on my writ of certiorari – however Department of Social Services is demanding I take parenting classes rather than work to obtain the money for the writ or certiorari . Taking Parenting classes , Random Drug screens -which I passed , as soon as the Supreme Court Justice Brett Kavanaugh gave me a chance at a writ of certiorari. Just like it is today . Ali Al- Kindi my Sons father now that I have the chance to be with my daughter is deliberately fighting my in front of our Son Farrad . I’ve been living here with Ali Al- Kindi since 10-28-2018 when family court Judge gave Ali Al- Kindi Custody of my son . Since Ali Al- Kindi is spying on me he is trying to fight me , because I am filing this case .The entire 2 years I ve been staying here with Ali and my Son Farrad and as long as I didn’t have anything like a computer to start my case everything was okay . We got alone together we didn’t fight in front of my Son Farrad until this Ramadan of 2020 . All of a sudden it became Ali against me and my son . I gave Ali Al-kindie all my furniture when I moved into his apartment in 10-28-2018, because he was laying on the floor with bed bugs crawling all over him. His solution was to pull some trash furniture out the garbage and bring it into the apartment but it was already infested as well with bed bugs . When Ali was making 500.00 a week , instead of buying furniture he is tricking with females and men with terrible sexually transmitted diseases in order to bait and switch the investigation and be a Terrorist to me and my son as he did by having sex with my underage daughter on numerous occasions. I stand on the truth , I exterminated the bed bugs from Ali apartment and brought my furniture to his apartment

for us to live since I am the one that work's with my son educationally , emotionally and spiritually . The entire time Ali has had my son Farrad ; Ali has been introducing homosexuality to him by watching pornography in front of him or Arabic soaps with moaning and groaning and because I have asked him to stop watching Pornography in front of our 11 year old son he has been threatening to put me out . While Ali is watching Pornography in front of our son while I 'm at work (I see because Ali was sending Pornography to my 11 year old sons email or he falls to sleep watching porn in front of our son where it just pops up on the screen . Im asking the court to search Ali web history , since the Covid 19 and our child has been out of school Ali refuse to help with school work. He refuses to add any educational value to our son saying he aint going to be the "bitch" , because he is bi – sexual , pedophile , bait and switch terrorist- they feel like its being the "bitch" to clean up our common area , or teach the children the right way and not the wrong way.

The job I have communicated with the FBI about the most wanted Terrorist and Most wanted World Leaders – Ali is trying to tear me down mentally by cheating , with infected females , giving them money but giving my son nothing . My son has the bed I bought from 5 years ago . Ali receives 1,400 every 2 weeks from Unemployment and refuses to buy my son a bed . The bed is now a mattress because he has out grown the bed . This Ramadan now that CPS isn't making visits Ali tries to deny food to Farrad . All of a sudden this Ramadan of 2020 he doesn't want my son to eat with him. I've explained to Ali our son is too young to fast for 12 hours especially during a pandemic and home schooling. Last year in 2019 everything was okay ; with the exception of Ali being a pervert watching pornography in front of Farrad , then going to the bathroom touching his rectum with his bare hands two to three times a day with raw feces on it , after watching Pornography . Ali is impotent so although he watches porn he cant achieve an

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

erection with out holding his penis or tying his penis up- so he is getting sexual gratification from watching porn in front of our son , then saying he has to poop , but touching his rectum with his fingers with raw feces on it . (I kept telling Kimberly Craig of Channel 7 News in 2016b that Omar Mateen and Rashid Al- Maktoum was smelling like raw feces , and Omar Mateen told me he like that smell) (It's a gay sex, poop , smell) But Ali is producing those smells and pornographic moments on a daily basis since he has had custody of our Son and when I say something or ask him to stop , he wants to fight me or throw me out the apartment . Just like I'm filing this case under duress , because Ali has my son , holding him as Bait to a Hassan Al- Hamr whose a gay terrorist who lives at 6814 St. Mary's in Detroit, Michigan . I had to quit my job because every time Ali has the children he does nothing with them, while he watches porn . He does not help with school work he allowed my son to fall a month behind in school work , while he watched pornography and have anal sex with men and women , squandering the money from unemployment rather than buying the necessities that is needed in the home. Making me spend my SSI -700 .00 on necessities when he gets 2,800 a month Which is a deliberate Terrorist tactic to stop me from being able to afford to file this case with he United States Court. The Terrorist keep using tactics to go after my employment by going after my children like Ali is doing . He doesn't show me or my son any attention inside the house because he watching pornography and playing with raw feces on his rectum two to three times a day . (Remember he impotent -so he cant get an erection unless he cock ring his penis or hold his penis but he has gay sex – so he is getting some type of gratification off watching porn in the same room with my son then playing with his own rectum hole with feces on it .) In other words he draining my little 700.00 then squandering his money on infected females , and men , instead of buying clothes , shoes, food, when I ask him to buy food for Farrad homeschooling he telling

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

me I just want to spend the money . But he is literally tricking off the money – taking my car , destroying my car so I cant work or go to World Leaders when they call but making sure females/ men that help him lie to the government about who the real terrorist are he buy them cars , give them money but give me and my son crumbs and he living on all my furniture right now.

For the last 2 years he has been splattering poop on the toilet like Saddam Hussein . I'm just asking the government to free me with my children as I was before when I originally asked for case 09; 14238 to be reopened in 2017 because I had found Kim Jong Un and both Osama Bin Laden's. Due to Ali direct sabotage against me by having sex with my child , to cover up his sexual inequalities and terrorism .

I have to have sex with him because the Terrorist said they will have sex with my kids if I don't have sex with them, and Ali has already had sex with my 12 year old daughter . The first night my son moved into his room (5/20/2020) and went to sleep with the lights off , Ali goes into my son room with no underwear on , standing over my son with his penis out . I came in right behind him he talking about he trying to get some of Farrad's underwear to put on . So I make My Son leave his bedroom light on so Ali cant assault my son sexually in the pitch dark or stand over him with his penis out . Ali had sex with my 11 year daughter in the wee hours of the morning right before school- I caught them in the bathroom together -coming out . Ali tactic is to yell and scream and over react because he knows he caught red handed being sexually inappropriate in front of my son . I am asking The Government to see the evidence will show not only is he is a Terrorist – but he is a sexually perverted terrorist on children - and not to tear my son Farad and myself apart from one another. Give me back custody of my children . As You

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

can see this is cruel and unusual punishment by taking my children giving them to the terrorist because I reported Kim Jong Un and Osama Bin Laden Number 1 and Number 2 still being exploited into Terrorism and Supreme Court Justice Kavanaugh gave me an extension on my writ of certiorari so as punishment my children were taken away from me .

. Domestic Terrorism is defined as activities that are a violation of the criminal law of the United States or of any state. (A) Involve acts dangerous to human life that are a violation of the criminal laws of the United States . (B) appears to be intended to intimidate or coerce a civilian population or to influence the policy of a government by intimidation or coercion . According to Yungher, Terrorism the Bottom Line , “ State- Terrorism

“Using political violence to gain and maintain power reached its peak in the first half of the twentieth century. Only this time there was a twist in the unfolding story of terrorism. The old idealistic bands of anarchist- terrorists, who had inflamed the hopes of some and the fears of others for over half a century gave way to centralized state run terrorism. The latter in turn, created new standards of mass repression and murder, terrorizing the mostly innocent(veretta Burnett and her 5 children) at a level unheard of in the modern era.” (Yungher,2008 p.21)

As Criminal Procedure should not be confused with evidence procedure or trial procedure . Evidence procedures concerns the rules for presenting evidence to prove ones guilt of lack thereof , thus evidence cover such topics such as types of evidence ,rules for presenting witness testimony ,hearsay and the like . This Evidence will show by the time Former President George Bush # 43 gave the Speech “7 State Sponsors of Terrorism” – naming Libya , North Korea and Iraq as State sponsors of Terrorism who countries who invest into Terrorist Organizations , that Kim Jong Un was already in Detroit , Mi. on Mack and Peck inside an abandoned McDonalds;

My Secretary of State Identification around 2002-3 will show I lived with Adel Al- Hajami- Muammar Ghaddafi in Dearborn Michigan on Jonathon St, if I remember correctly . I lived with Adel – Ghaddafi and 3 other Arabs from different parts of the world . But Adel – Muammar Ghaddafi had lost everything and turned into a complete alcoholic, where he was stopped by Detroit Police Department on numerous occasions for drinking and driving . Adel – would take me to Hassan’s Café(Hassan/chanchun helped me thus helping the FBI -) with him , but Adel worked at the Palace Liquor store at 6416 E. Jefferson Ave. Detroit Michigan, 48207.. (I had just cut this Black dude neck for creeping up on me while I was homeless sending a message to all the men don’t fuck with me I fight back , refer to the unwritten rules of the street).and Adel – Ghaddafi , seen me after I changed clothes from the man’s blood on me Adel- Ghaddafi took me home with him that night and because I was with Ghaddafi – Adel , even though he drank I still took care of the *“(father” like I was asked by the men from Al-Qaeda in Hot Tamales when I was a dancer in 2001) (The family owned Hot Tamales – Topless Barr Owner told me she had the encounter of the Al-Qaeda Men on tape showing me the pictures of the fathers asking me to take care of them .) This incident was after the World Trade Center came imploded by Nano – Thermite and Air planes .*

Another Father I took care of is “ Ghaddafi” , I cleaned up after him , I stayed at his home , while I could live there , because Adel was drinking so much the men , particularly (Adel – Ghaddafi Boss at the Palace Liquor store – because Ghaddafi was bringing too much heat with his accidents and DUI’s but everybody knew that he was drinking so much because he just lost his country in 2003 he was in America – so his Boss, who use to cuss me out , because Ghaddafi kept me with him and his Boss wanted us to live in the garage , because Adel- Ghaddafi was crashing his vehicle into things on the street , or falling down drunk , I had license to drive by

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

2007 so I would take Adel-Ghaddafi to the Casino – because he liked to drink and play black Jack ... even at the Casino – Adel – Ghaddafi would be so drunk that the waitress refused to serve him any more drinks . So I would have to convince him it's time to go back to my house – but he wouldn't sleep at my house anymore; because by August 7, 2007 I had gotten with Ali Al-Kindi whom I met through Adel – Ghaddafi. I felt like Adel – Ghaddafi was leaving America(I can't leave America) because All his Arabic friends wanted to disassociate themselves from Ghaddafi – Adel because of his drinking and his constant access to Alcohol because all his partners own Liquor Stores , if he couldn't buy alcohol from one liquor store he'd just go down Jefferson to the next one – which would let Adel – Ghaddafi drink alcohol. All the Arabs liquor stores on Jefferson had banded together to stop serving Adel- Ghaddafi Alcohol. – at one point he ended up in the hospital for drinking Alcohol and driving he broke his ankle . Also Adel- Ghaddafi would take me to Hassan- Chanchun café so early that everyone wasn't out at the café yet but the owner Hassan – Chanchun got to know me and recognize my face – so by the time I met Ali Al- Kindi in August of 2007 taking Adel – Ghaddafi to 36th District court for probation for drinking and driving or operating while intoxicated - Ali Was the Arabic interpreter and I filled out all the paper work for Adel – Ghaddafi , because Ali can't write or spell that great .

The one great Thing About being with Adel- Muamur Ghaddafi when outside girls or guys tried to interfere in our relationship on the streets Adel – Ghaddafi would automatically tell them “I no speak English”, which would automatically deter infected females and males or outside females or males from interfering in our relationship. when I met Adel-Ghaddafi we drove to Belle Isle in Detroit Michigan in 2003 and it was a ship in the water and Adel – Ghaddafi pointed to the ship and said that's how he got to America . Ghaddafi – Adel was

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

learning to speak English and had an Arabic to English learning books with basic's words and ship was in the book , and as we was discussing the English terms (rebus) matching the pictures to the words , that's when a ship in Belle Isle water passed and Ghaddafi.

Ali Al-Kindi knows Adel from Najaf Iraq. But when I met Ali – Al-Kindi living in Hamtramck with another Iraqi soldier in the Iraqi Army -named Bashir and Maythom his younger brother; I immediately did a sweep of the house when Bashir left with Maythom and when I discovered it was a hole in the back of the house , like a tunnel- or trap door , I didn't like being there in Hamtramck because Bashir and Maythom would be cussing Ali Al- Kindi out , calling him bitches and hoes and not to mention it was a hole , when you lift up the door in the floor and there it was a hole , I could see the ground like a body could fit in the hole And then I saw the hole in the ground like a tunnel inside the house (I felt like they was putting Ali in the hole inside the house the way they was talking to him) and I saw that Ali only had two pair of feces filled underwear , I didn't like staying at the House in Hamtramck so I invited Ali to my house . (At that point I had heard only of Saddam Hussein was found inside a hole in the ground in Iraq) (Also Ali Al-Kindi when he lived in Arizona around 1994 he took some Arab men to Mexico to get nose jobs and facial reconstruction) – well Ali – Al- Kindi was living in Hamtramck with the same kind of suggestions with the trap door in the back of the house . I told Ali- Al-Kindi to grab his Arabic clothes and bring them to my house at 11 Farrand Park, Highland Park Michigan , because I didn't ever want to come back to the house in Hamtramck , specifically because of the trap door in the ground inside the house with a door over it . I had never seen a trap door with a hole in the ground inside someone's home before. So that frightened me. So, I got out of there by the time Bashir and Maythom came back. And right as

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

we was leaving Bashir did the “Im watching you sign” to me ... Where he put his two fingers to his eyes and then pointed to me instead of Ali. So I really told Ali to put his feet on the gas and we drove to my house. (Included are the pictures of Bashir and Ali in the Iraqi Army) Ali Al-Kindi was an interpreter with the United States and British Army .

I am prepared to show that Ghaddafi Former President/ King-of Libya - Adel Al-Hajami was in America- in 2002-10 whereas Adel was at W. Warren coffee shop were Hasan/Chancun runs that cafe’ where Hassan Nasrallah Grandfather patronages, and Princess Diana of Britain (Prince Harry and Prince William Mom) had a very small office next to Hassan- Chanchun Coffee shop .The fact that the Paparazzi killed Princess Diana is not true and frivolous and lacks an arguable basis in fact . Neitzke v. Williams, 409 U.S.

319, 325 (1989). Princess Diana helped to lead ISIS, Israeli Secret Intelligence Secret Services. Thus faking her death allowed her to become a top leader and spy for Israel, refer to the Balfour Declaration. Israel , didn’t like the fact that America- The United States had “Al-Qaeda” in the middle east , and Israel didn’t have any allies in the middle east – Thus ISIS Terrorist group was created to combat Al-Qaeda in the Middle East . Example: Refer to Kimberly Craig of Channel 7 WXYZ news emails in real time from myself Veretta Burnett as I was working with Mullah Krekar (Mullah Krekar Vested Interest , “Insurrections quickly broke out in southern Iraq and in Kurdistan in the north , where rebels took control of most of the regions town . Units of Saddam Hussein elite Republican Guard that survived the conflict suppressed protest with extreme brutality to gain control in the Basrah , Najaf and Karbala regions. In southern cities rebels killed Ba’athist officials ,members of the security services and other supporters of the

Saddam Regime” (Spindlove & Simonsen ,2004 p.232), Furthermore , “ Iraqi helicopters and troops regained control of the cities taken by the rebels and there was mass exodus of the Kurds to the Turkish and Iranian borders , fleeing from a possible repeat of the 1988 deadly chemical attacks. By the end of April 2.5 million refugees left Iraq” “ By 2002 on the eve of signing the historic U.S - Russian nuclear arms reduction treaty , President Bush spoke strongly to President Putin of Russian Republic , “ If your arm Iran , you are liable to get the weapons pointed at you (Spindlove and Simonsen, 2004 , pg. 233) . Mullah Krekar Son , Rashid Al- Moktum – “Miguel”(his American name) the Supreme Ruler of Dubai , Omar Mateen the Florida Gay Night Club shooter (who called the Florida Police and told the Police in Florida that he – Omar Mateen works for the Mujahideen before he shot the Gay club up, Omar Mateen had to show he could be security at 9731 Harper, Detroit Michigan) and Abu Bakr Al- Baghdadi at 9731 Harper , in Detroit Michigan . Whereas The Supreme Ruler of Dubai Rashid Al- Moktoun , Mullah Krekar and his oldest son , Omar Mateen , Flipped Abu Bakr Al- Baghdadi to America side where as Donald Trump #45 the current President of the United States got the oil that ISIS was holding in Iraq- this occurred in 2016) The ISIS – Israeli Secret Intelligence Services (ran by Princess Diana) went through Iraq killing Arabs- Akkadians with the “AL” connotation to their last name . Example “Al- Baghdadi” “ Al- Kindi” , or the Akkadian Arabs(Afro Arab from the Kush empire in Africa) “The Akkadian empire exercised influence across the Mesopotamia , the Lavant , and Anatolia , sending military expeditions as far south as Dilmun and Magan (Modern Bahrain and Oman) in the Arab Peninsula . The Lavant is Cyprus, Israel- Palestine , Jordan, Lebanon , and Syria .

Terrorist tapes that was superimposed and dubbed . The camera equipment came from the Detroit Rescue Mission Video Arts program over the last 25 years.

In 2009 the whole neighborhood of Arab men came in the café to make the fake Ghaddafi Tape where the men pretended to beat Adel- Ghaddafi - as he was in the middle of the men as they were pretending to beat Adel, as I walked in on them at the front of the coffee shop they all start laughing as Adel- Ghaddafi was pulling one of the Arab men button down shirt – Adel- Ghaddafi was pulling the buttons off his shirt – when I got there Adel took us (my children) (Me, Farrad , Elizah) to New -Akashi at 16032 W. Warren Detroit Michigan which a half of mile from where I saw Princess Diana and where Hassan – Chanchun café is . (Again Hassan – Chanchun helped the FBI because he allowed me into the Café when normally females are not allowed – today the restaurant is RafadeenA(but then it was owned by another man named Adel it was called New Akashi) to eat and tell me they busted Ali Al-kindí my baby daddy in the head with a brick and he was on McGraw and Springwell sitting at a picnic table ,because they didn't want Ali at Hassan- Cahnchun coffee shop because 1. I was with Adel- Ghaddafi first(but Adel- Ghaddafi was drinking so much) by 2007 I got with Ali 2. Ali keep bringing girls- and men around with genital warts, who the coffee shop owner Hassan didn't allow , However Hassan allowed me into the coffee shop , when it was only men allowed , when he didn't allow anyone else around So I wanted to give him respite from the FBI (or he helped the FBI by letting me into the coffee shop) (But Ali kept fighting me so I couldn't pay attention to Princess Diana who was moving out the store next to the coffee shop in the front of the building as you normally enter the café from the back but because Im a girl I often would just go the front of the café so I can see who in their first or what they doing , in which they would play dominos , drink coffee with Bagela beans . very modest but it included Muammar Ghaddafi , and

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Princess Diana in the front next to the coffee shop in a small office , She was driving a Grey 2 seater BMW , Princess Diana was with an older white lady , Also Princess Diana still had the same hair style the feathered dirty blonde hair and stood about 6 feet she had on blue jeans and a solid white female button down white shirt . So while they was making the fake death tape of Ghadaffi, they also had demo guns – real guns that was empty from bullets for the death tape as props . In which the Detroit police was called by a private citizen as seeing guns and weapons at the coffee shop by a younger Arab with Tattoo's -his wife works at Oakwood Hospital as a nurse. (I don't know their names but Ali Al-kindī my Baby daddy does) (But because Ali Al-kindī keep having sex cheating on me with informants with STD's they be beating on Ali because he try to bring infected females around instead of “me” and they beat the shit out of Ali my baby daddy all the time) (included are the pictures of Ali being beaten after having a sexual relationship with a male welder Hassan ; 2 black men robbed the gay welder Hassan house and beat Ali so bad) In fact One day at the Coffee shop Ali Al-kindī my baby daddy by now had swung on me outside the coffee shop in the back , and then called the police on me , after he swung to hit me , When the police arrived They knew everything , the officer was like He swung on you and you blocked it , I said Yes that's exactly what happened , and the police left . It was as if the police was watching the place or the witnesses that saw Ali swing on me told them I blocked his punch. Ali did try to fight me first , by swinging on me , talking about my 5 dollar dress I got from Foreman mills , that was because I was buying him clothes plus my 2 kids , plus we was cleaning the café so I wasn't trying to wear my best clothes , but my dress was attractive no one knew it was only 5 dollars until Ali said something . Ali was mad that I had on a 5 dollar dress and the men in the café still respect me because they knew I was with Adel-

§1536. Custody and release pending removal hearing

(a) Upon filing application

(1) In general

Subject to paragraphs (2) and (3), the Attorney General may-

(A) taken into custody any alien with respect to whom an application under [section 1533 of this title](#) has been filed; and

(B) retain such an alien in custody in accordance with the procedures authorized by this subchapter.

(2) Special rules for permanent resident aliens

(A) Release hearing

An alien lawfully admitted for permanent residence shall be entitled to a release hearing before the judge assigned to hear the removal hearing. Such an alien shall be detained pending the removal hearing, unless the alien demonstrates to the court that the alien-

(i) is a person lawfully admitted for permanent residence in the United States.

(ii) if released upon such terms and conditions as the court may prescribe (including the posting of any monetary amount), is not likely to flee; and

(iii) will not endanger national security, or the safety of any person or the community, if released.

(B) Information considered

The judge may consider classified information submitted in camera and ex parte in making a determination whether to release an alien pending the removal hearing.

(3) Release if order denied and no review sought

(A) In general

Subject to subparagraph (B), if a judge of the removal court denies the order sought in an application filed pursuant to [section 1533 of this title](#), and the Attorney General does not seek review of such denial, the alien shall be released from custody.

(B) Application of regular procedures

Subparagraph (A) shall not prevent the arrest and detention of the alien pursuant to subchapter II.

(b) Conditional release if order denied and review sought

(1) In general

If a judge of the removal court denies the order sought in an application filed pursuant to [section 1533 of this title](#) and the Attorney General seeks review of such denial, the judge shall release the alien from custody subject to the least restrictive condition, or combination of conditions, of release described in section 3142(b) and clauses (i) through (xiv) of [section 3142\(c\)\(1\)\(B\) of title 18](#) that-

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

(A) will reasonably assure the appearance of the alien at any future proceeding pursuant to this subchapter; and

(B) will not endanger the safety of any other person or the community.

(2) No release for certain aliens

If the judge finds no such condition or combination of conditions, as described in paragraph (1), the alien shall remain in custody until the completion of any appeal authorized by this subchapter.

Michigan in the 13th Congressional District. §1537. Custody and release after removal hearing (C) Continued detention

If no country is willing to receive such an alien, the Attorney General may, notwithstanding any other provision of law, retain the alien in custody. The Attorney General, in coordination with the Secretary of State, shall make periodic efforts to reach agreement with other countries to accept such an alien and at least every 6 months shall provide to the attorney representing the alien at the removal hearing a written report on the Attorney General's efforts. Any alien in custody pursuant to this subparagraph shall be

released from custody solely at the discretion of the Attorney General and subject to such conditions as the Attorney General shall deem appropriate.

(D) Fingerprinting

Before an alien is removed from the United States pursuant to this subsection, or pursuant to an order of removal because such alien is inadmissible under [section 1182\(a\)\(3\)\(B\) of this title](#), the alien shall be photographed and fingerprinted, and shall be advised of the provisions of [section 1326\(b\) of this title](#).

(c) Continued detention pending trial

(1) Delay in removal

The Attorney General may hold in abeyance the removal of an alien who has been ordered removed, pursuant to this subchapter, to allow the trial of such alien on any Federal or State criminal charge and the service of any sentence of confinement resulting from such a trial.

(2) Maintenance of custody

Pending the commencement of any service of a sentence of confinement by an alien described in paragraph (1), such an alien shall remain in the custody of the Attorney General, unless the Attorney General determines that temporary release of the alien to the custody of State authorities for confinement in a State facility is appropriate and would not endanger national security or public safety.

(3) Subsequent removal

Following the completion of a sentence of confinement by an alien described in paragraph (1), or following the completion of State criminal proceedings which do not result in a sentence of confinement of an alien released to the custody of State authorities pursuant to

paragraph (2), such an alien shall be returned to the custody of the Attorney General who shall proceed to the removal of the alien under this subchapter.

(d) Application of certain provisions relating to escape of prisoners

For purposes of [sections 751 and 752 of title 18](#), an alien in the custody of the Attorney General pursuant to this subchapter shall be subject to the penalties provided by those sections in relation to a person committed to the custody of the Attorney General by virtue of an arrest on a charge of a felony.

(e) Rights of aliens in custody

(1) Family and attorney visits

An alien in the custody of the Attorney General pursuant to this subchapter shall be given reasonable opportunity, as determined by the Attorney General, to communicate with and receive visits from members of the alien's family, and to contact, retain, and communicate with an attorney.

(2) Diplomatic contact

An alien in the custody of the Attorney General pursuant to this subchapter shall have the right to contact an appropriate diplomatic or consular official of the alien's country of citizenship or nationality or of any country providing representation services, therefore. The Attorney General shall notify the appropriate embassy, mission, or consular office of the alien's detention.

while Former President George W. Bush gave the State Sponsors of Terrorism Speech ,

In 2002 - Saddam Hussein and Uday Hussein was in Chicago Illinois living in Hyde Park and Lakeshore Drive, While Uday Hussein worked at 5100 S. Cornell Ave at Ossama's hair Saloon in Chicago Illinois.

The fact that George Bush asked in his Movie "W" where did Saddam and his Sons go ? George W. Bush #43 knew Saddam and Uday was in Chicago , Illinois living and working in America because of an OPEC (Organization of the Petroleum exporting Countries) Deal that Saddam Hussein had with the United States of America . Furthermore, George W. Bush and Prime Minister Tony Blair said that Saddam Hussein had Weapons of Mass Destruction , something that sent a republican Carl Rove to jail for outing CIA agent Valerie Plame- Wilson who was supposed to stop Iran from getting Nuclear weapons . Valerie Plame claimed she never said Iraq had the weapons of Mass Destruction. Karl Rove was sent to jail for outing "deep throat" "Valerie Plame .

These events below are historical factors in OPEC deals which shows why Saddam And Uday Hussein, were allowed to live and work in America to present day 2020 . While Muammar Ghaddafi was allowed to go to Iraq to live .

1. 1974- March 18, Arab oil ministries announce the end of the embargo against the United States, all except Libya (Ghaddafi)

Below are the Opec deals and operations of the Organization of Petroleum exporting countries- These facts goes to show relevance of Saddam Hussein and Muammar Ghaddafi , in America living as United States Citizens under the Opec Deals and they were not killed and hanged as the Government wants the American people to believe .

2. February 12-14 of 1974- Heads of state of Algeria , Egypt , Syria and Saudi Arabia discusses oil; strategy in view of the progress in Arab- Israeli disengagement .
3. 1979 November 12th – U.S. President Jimmy Carter orders cessation of Iranian imports to the U.S.
4. 1979 November 15th- Iran cancels contracts with U.S. oil companies
5. 1979 December 13th – Saudi Arabia raises market crude prices to \$24 per barrel
6. 1981 April – After meetings in Baghdad and Teheran attempts by nine Islamic conference leaders to mediate peace between Iraq and Iran fail .
7. 1982 March – Damascus closes Iraq 400,00 bbl/d trans Syrian oil export pipeline to show support of Iran .
8. March 11 1982 - U.S. boycotts Libyan crude .
9. 1982 June – Iran demands \$150 billion in war reparation “ pledges war until Iraq’s Hussein stands trail . (This fact is very important , because it was Valerie Plame Wilsons job to stop Iran from getting nuclear weapons , which inevitably lead to President Barak Obama Iran – nuclear deal which President Trump sought to end)
10. 1983 March 30th – New York Mercantile Exchange NYMEX- begins trading crude oil futures.

11. April 1983-Iraq increases missile attacks on Iran.

12. July 1983 Ira moves into Northern Iraq

13. July- August 1983- Heavy Fighting and casualties in Iran and Iraq war.

14. In the early 70's OPEC didn't like what the CIA was doing in Israel they were called

economic hitmen. The plan was to find oil for all America so the CIA went after Saudi Arabia in the early 1954's so that Saudi Arabia oil was sold only for American Dollars . So George Bush Sr. went to westernize Saudi Arabia building whole cities out of the desert .So King Abdullah and George Bush Sr. during 1990 the oil deal was cemented that Saudi Arabia would only sale their oil for American Dollars . Saddam Hussein was a CIA hitman Abdul Kareem Kassem was president of Iraq. Kassem said Iraqi oil have to benefit the Iraqi people, which wasn't a good answer for the United States CIA hitmen. The Central Intelligence Agency (CIA) sent an assassination team to Kill Kassem because he only wanted the Iraqi people to benefit from Iraqi oil. Kassem had started to tax increasingly on the American and European Oil companies . Saddam Hussein was head of the Central Intelligence Agency assassination team. They shot at Kassem car but missed The heads of the assassination team was wounded which included Saddam Hussein . One of the assassination crew members went to Syria after the failed attempt to kill the current president of Iraq Kesseem. Saddam failed but Kassem was exiled. So America built Saddam Hussein PETCO and gave him tanks and war equipment. The chemical plants that were used to make mustard gas and American CIA knew that Saddam was gassing the kurd's and Iranians. Saddam Hussein was a CIA agent who worked for the United States Government who agreed to supply America with oil that it needed to survive and the other Iraqi Presidents taxed the American and European Governments . So America backed Saddam Hussein giving him war equipment to fight back

Iran because Iran did not want to give America Oil . As of 1979 November 15th Iran has canceled all of its American Oil contracts. At this point Middle Eastern oil was used by Japan, China and Europe, and America wanted in on the oil that Iraq was producing so the CIA built , trained and equipped an Iraqi President appointed by them . (Them being America)

15. 1984 – May 26, US. President Ronald Reagan rules out military intervention between Iraq and Iran because Saddam Hussein was already backed the American Central Intelligence Agency .

16. 1986 Aug 2nd, Saddam Hussein offers Peace in open letter to Iran

17. 1990 - U.S. President George H.W. Bush offers to send Secretary of State James Baker to Baghdad to meet with Hussein.

Below is a more detailed report of the oils wars of the OPEC countries that work directly with the United States to make sure that the United States can Thrive using crude oil to equip our Big 3 car companies that has become a major source of America's Gross Domestic product which oil and energy accounts for half of America's Gross National product : Without the oil America would be thrown back into the dark ages ;

1970

- **January 1:** *US Federal reduced from 27.5 to 22.0 percent.*

1979

- **January:** First emergency [crude oil](#) Buy-Sell Program allocations.

- **January 16:** [Shah](#) leaves [Iran](#) on vacation, never to return. [Bakhtiar](#) government established by the Shah to preside until unrest subsides.
- **January 20:** [Saudi Arabia](#) announces drastic cut in first-quarter production. 9.5 MMBD ceiling imposed. Although actual cuts never reach announced levels, spot prices of Middle East light crudes rise 36 percent.
- **January 20:** One million Iranians march in [Tehran](#) in a show of support for the exiled Ayatollah [Khomeini](#), fundamentalist Muslim leader.
- **February 12:** Bakhtiar resigns as prime minister of Iran after losing support of the military.
- **March 5:** Iran resumes petroleum exports.
- **Spring:** Gasoline shortage/world oil glut.
- **March 26:** [OPEC](#) makes full 14.5 percent price increase for 1979 effective on April 1. Marker crude raised to \$14.56 per barrel.
- **May:** DOE announces \$5 per barrel entitlement to importers of heating oil. [Saudi Arabia](#) announces intention to increase direct sales and to sell less through [Aramco](#). Both announcements send prices higher.
- **June 1:** Phased oil price decontrol begins. Involves gradual 28 month increase of "old" oil price ceilings, and slower rate of increase of "new" oil price ceilings.
- **June 26–28:** OPEC raises prices average of 15 percent, effective July 1.
- **October:** Buy-Sell Program sales average more than 400,000 bbl/d (64,000 m³/d) from October 1979 through March 1980 - highest level since February 1976, due to emergency allocations.

- **October:** *Canada eliminates light crude oil exports to U.S. refiners, except for those exports required by operational constraints of pipelines.*
- **November 4:** *Iran takes western hostages.*
- **November 12:** *U.S. President [Jimmy Carter](#) orders cessation of Iranian imports to U.S.*
- **November 15:** *Iran cancels all contracts with U.S. oil companies.*
- **December 13:** *Saudi Arabia raises marker crude price to \$24 per barrel.*

See: [1980-1989 world oil market chronology](#)

1980

- **March 1:** [Windfall Profits Tax](#) enacted.
- **May:** *Saudi Light raised to \$28.00 per barrel, retroactive to April 1.*
- **April–September:** *Buy-Sell Program allocations drop to average of 120,000 bbl/d (19,000 m³/d) for period April to September 1980.:*
- **September 17:** [Iraq](#) breaks 1975 treaty with [Iran](#) and proclaims sovereignty over [Shatt al-Arab](#) waterway.
- **September 23:** *Iraq invades Iran. Mutual bombing of installations.*
- **November 10:** *Iraq captures southern port of [Khorramshahr](#).*
- **November 20–24:** [U.N. Gulf War](#) mediator Olof Palme makes first unsuccessful peace shuttle between [Tehran](#) and [Baghdad](#).
- **December:** *Collapse of [OPEC](#)'s pricing structure. Saudis use \$32 per barrel marker; others use \$36 per barrel benchmark.*

1981

Saudis flood market with inexpensive oil in 1981, forcing unprecedented price cuts by [OPEC](#) members. In October, all 13 OPEC members align on a compromise \$32 per barrel benchmark. Later, benchmark price is maintained, but differentials are adjusted.

- ***January:** [Iraq](#) repels first major [Iranian](#) offensive.*
- ***January 28:** U.S. President [Ronald Reagan](#) lifts remaining domestic petroleum price and allocation controls originally scheduled to expire in September 1981.*
- ***April:** After meetings in [Baghdad](#) and [Teheran](#), attempts by nine Islamic Conference leaders to mediate peace between Iraq and Iran fail.*
- ***August:** Windfall profits tax reduced.*
- ***September 27–28:** Iran defends its besieged port of [Abadan](#), driving back Iraqi forces.*
- ***October:** OPEC reaches an agreement to unify crude price at \$32 per barrel through 1982 and sets an ultimate price ceiling of \$38 per barrel.*
- ***November 29:** Major Iranian offensive mounted on central front.*

1982

Indications of a world oil glut lead to a rapid decline in world oil prices early in 1982. [OPEC](#) appears to lose control over world oil prices.

- ***March:** [Damascus](#) closes [Iraq](#)'s 400,000 bbl/d (64,000 m³/d) trans-[Syrian](#) oil export pipeline to show support for [Iran](#).*
- ***March 11:** U.S. boycotts [Libyan crude](#).*
- ***May 24:** Iran recaptures [Khorramshahr](#).*

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

- **June:** Iran demands \$150 billion in war reparations; pledges war until [Iraq's Hussein](#) stands trial.
- **June 10:** Iraq declares unilateral cease-fire.
- **Jul 13:** Iran launches first attack into Iraq.

1983

Oil glut takes hold. Demand falls as a result of conservation, use of other fuels and recession.

[OPEC](#) agrees to limit overall output to 17.5 Mbbbl/d (2,780,000 m³/d). OPEC agrees to individual output quotas and cuts prices by \$5 to \$29 per barrel.

- **March 30, 1983** [New York Mercantile Exchange](#) (NYMEX) begins trading in crude oil futures
- **April:** [Iraq](#) increases missile attacks on [Iran](#).
- **July 20–30:** Iran moves into northern Iraq. Casualties top 13,800 in ten days.
- **July 26:** U.S. threatens action to preserve navigation in [Persian Gulf](#).
- **July–August :** Heavy fighting and casualties in [Iran–Iraq War](#).
- **October:** Iran attacks northern Iraq, threatening [Kirkuk–Ceyhan Oil Pipeline](#).

1984

- **February - March:** [Iran](#) captures Najnoon Islands.
- **March 27:** Beginning of "tanker war." Over the next nine months, 44 ships, including Iranian, [Iraqi](#), [Saudi Arabian](#) and [Kuwaiti](#) tankers, are attacked by Iraqi or Iranian warplanes or damaged by mines.
- **March–June:** Iran mobilizes 500,000 troops to southern front. No offensive materializes.

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

- **May 26:** U.S. President [Ronald Reagan](#) rules out U.S. military intervention.
- **June:** Civilian target truce in [Iran–Iraq War](#).
- **October:** Norway and Britain cut prices in response to falling spot market. [Nigeria](#) follows, renewing pressure on [OPEC](#) price cuts.
- **October 17:** OPEC cuts production to 16 Mbbbl/d (2,500,000 m³/d), but agreement is negated by cheating and price-discounting.

1985

- **January:** Nine OPEC members adjust prices to cut gap between light and heavy crudes from \$4 to \$2.40 per barrel. Saudi light price cut one dollar to \$28 per barrel.
- **March 11–19:** Iranian offensive; heavy casualties.
- **May–June:** "Battle of the cities" - heavy bombing from both Iran and Iraq.
- **June:** OPEC output falls to 20-year low of 13.7 Mbbbl/d (2,180,000 m³/d).
- **June:** Iran begins hit-and-run raids on Iraq.
- **July:** OPEC loses customers to cheaper North Sea oil. More OPEC price cuts.
- **Aug:** Saudi Arabia links prices to spot market. Output rises from 2 Mbbbl/d (320,000 m³/d) in August to 5 Mbbbl/d (790,000 m³/d) in early 1986.
- **Aug 15:** First Iraqi air raid on Iran's main oil export terminal, Kharg Island.
- **November 6:** Exploratory well in Ranger, Texas, blows out, spilling 150,000 bbl (24,000 m³) of crude oil.
- **December:** OPEC output hits 18 Mbbbl/d (2,900,000 m³/d) boosting a glut and triggering a price war.

1986

Average world oil prices fall by over 50 percent in 1986. There is wide use of netback pricing in 1986.

- *February 3–4: [OPEC](#) fails to agree upon a production accord after a two-day meeting in [Vienna](#).*
- *February: [Iran](#) captures southern Faw peninsula, starts northern offensive.*
- *May 7: [Iraq](#) bombs [Tehran](#) refinery.*
- *June: OPEC production-cut talks fail, ending in a tentative majority pact on an average 1986 ceiling of 17.6 Mbb/d (2,800,000 m³/d).*
- *June 8: Iraqi jets attack Assadabad satellite station.*
- *July: Brent price dips under \$9 per barrel. OPEC production rises to 20 Mbb/d (3,200,000 m³/d).*
- *Jul 27: Iraqi jets attack central Iranian city of Arak. Iran threatens missile attack of gulf states supporting Iraq.*
- *Aug 2: Hussein offers peace in open letter to Iran.*
- *Aug 4: Reports of probable OPEC agreement on output quotas sends oil prices higher.*
- *Aug 12: Iran fires missile at refinery near Baghdad. Iraq raids Iranian terminal at Sirri Island severely disrupting Iranian exports.*
- *December 19: OPEC reaches an accord that would cut production by seven percent for the first six months of 1987 (from 17 Mbb/d (2,700,000 m³/d) to 16 Mbb/d (2,500,000 m³/d)) and would raise prices immediately toward a target world oil price of \$18 per barrel.*

1987

- **January:** OPEC price accord begins to deteriorate.
- **February:** OPEC majors stick to fixed prices.
- **Jun-Aug:** Gulf war escalates.
- **December:** OPEC meeting failure.

1988

- **February:** OPEC price meeting set.
- **March:** OPEC/Non-OPEC meeting failure.
- **July:** Iran accepts cease fire.
- **October 14:** Crude oil prices jump in anticipation of possible production accord at Gulf Cooperation Council meeting set for October 16.
- **November 28:** OPEC reaches production accord. Six-month agreement to set production at 18.5 Mbbbl/d (2,940,000 m³/d). Although the recent OPEC quota had been 19.0 Mbbbl/d (3,020,000 m³/d), actual OPEC production had been closer to 21.0 Mbbbl/d (3,340,000 m³/d).
- **December:** Fulmar/Brent outages.

1989

- **March:** Exxon tanker [Valdez](#) runs aground, spilling 11 million US gallons (42,000 m³) of [crude oil](#) in the waters of [Prince William Sound](#)'s [Bligh Reef](#). Oil prices react upward to news of the spill and to potential shortages on the west coast caused by refinery fires there.
- **June:** [OPEC](#) raises their production ceiling to 19.5 Mbbbl/d (3,100,000 m³/d).

The 1990s[\[edit\]](#)

See: [1990-1999 world oil market chronology](#)

1990

- **Aug:** *Iraq invades Kuwait. Crude and product prices soar upward; exchange markets react wildly to any middle east news events; cash markets dominate prices after trading hours; jet fuel prices rise to record spreads over other products due to increase in defense demand. In late August, OPEC president fails to revive floundering attempts to organize a formal OPEC meeting to discuss crisis/production strategies. Informal meetings held in Vienna result in record price falls. Conflicting reports of promises to increase OPEC output to compensate for embargo of Iraq and Kuwait oil further compound market uncertainties.*
- **Aug 2:** *Iraq invades Kuwait. Bush orders troops to Saudi Arabia.*
- **Aug 27:** *Market prices plunge as OPEC nears informal agreement to increase output to cover 4 Mbbl/d (640,000 m³/d) shortfall due to invasion. Cash market trading experiences abrupt decline.*
- **September 6:** *U.S. citizen is shot in Kuwait. API reports 4.4 Mbbl (700,000 m³) weekly draw in domestic crude stocks. Oil markets surge on aggressive U.S. statements toward Iraq.*
- **September 21:** *Reports that U.S refinery problems will lead to a 200,000 bbl/d (32,000 m³/d) loss in capacity and aggressive remarks by Saddam Hussein send crude prices to new highs.*

- **September 24:** *Iraq invades the French and Dutch missions in Kuwait; French President Mitterrand called the action a violation of international law; a U.S. warship boards an Iraqi-flagged tanker bound for the port of Basrah.*
- **September 18:** *Crude prices outpace increases in product prices and there is talk of cutting refinery runs.*
- **September 20:** *Poor refining margins.*
- **September 24:** *Saddam Hussein states his willingness to strike first and his intention to damage oil fields in the region if Iraq does strike.*
- **October 1:** *Saddam Hussein says he may be willing to negotiate the occupation of Kuwait and would consider foreign participation in negotiations.*
- **October 3:** *API reports a 9 MMB weekly U.S. crude inventory draw.*
- **Oct. 9:** *Fear of war and long-term supply disruptions as Hussein threatens Israel.*
- **October 10:** *API reports crude inventories dropped by more than 4 MMB in the last week.*
- **October 11:** *Libya's Qadhafi says Israel must be eliminated, and U.K. Foreign Secretary Hurd says force would be used if Iraq doesn't withdrawal from Kuwait.*
- **November 5:** *Reports of increasing Saudi production and lower world demand.*
- **November 6:** *Iran's oil-producing region suffers a serious earthquake.*
- **November 7:** *API reports 5 MMB U.S. crude inventory weekly increase.*
- **November 8:** *Unconfirmed rumors that Bush would announce an airlift of supplies to U.S. embassy in Kuwait, which could ultimately trigger a military clash.*
- **November 13:** *Saudis ask U.S. for rights to bid on SPR crude.*
- **November 19:** *Report that Iraq will bolster its forces in Kuwait.*

- **November 20:** *API reports crude inventory drop in U.S. of more than 4 MMB; Saddam Hussein announces plans to release German hostages; Soviet Union shows reluctance to endorse the use of force against Iraq.*
- **November 21:** *French President [François Mitterrand](#) voices support of a proposed U.N. resolution that would authorize the use of force in the Persian Gulf.*
- **November 26:** *U.S. proposes addition to U.N. resolution that would require Iraq's withdrawal from Kuwait by January 1.*
- **November 29:** *U.N. Security Council approves U.S.-sponsored resolution authorizing the use of force in the Persian Gulf if Iraq does not withdrawal from Kuwait by Jan. 15, 1991.*
- **November 30:** *U.S. President [George H. W. Bush](#) offers to send Secretary of State James Baker to Baghdad to meet with Hussein.*
- **December 4:** *An Iraqi official report that Iraq will withdraw if it can retain control of the Rumailah field and keep Bubiyan and Werbah islands; also says that demands that the Palestinian issue be treated separately would not be surmountable.*
- **December 5:** *Iraq announces willingness to speak with U.S. about resolving the Persian Gulf crisis.*
- **December 13:** *Secretary of State Baker questions Iraq's seriousness about Middle East peace.*
- **December 18:** *Bush reiterates his "no concessions" stance against Iraq.*

1991

- **January 4:** *Reports Iraq will accept U.S. offer for talks in Geneva.*

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

- **January 7:** *Saddam Hussein prepares his troops for what he says will be a long violent war against the U.S.*
- **January 9–14:** *At Geneva talks, Baker says that "regrettably" Iraqi Foreign Minister Aziz has indicated no softening in Iraq's position. Peace talks break down, but there is still talk of a peaceful solution to the crisis.*
- **January 15:** *Report that Iraq has a new peace initiative.*
- **January 16:** *U.S. begins air attack against Iraqi military targets. President Bush directs drawdown of Strategic Petroleum Reserve (SPR). U.S. Secretary of Energy James Watkins orders 33.75 MMB drawdown. Crude oil prices drop \$9–10 per barrel in one day after having risen \$3–5 per barrel during the first half of January.*
- **January 17:** *Reports of early U.S. and allied success against Iraqi forces; DOE issues SPR sales notice.*
- **January 18:** *Iraqi Scud missiles land in Israel.*
- **January 22:** *Kuwaiti oil facilities are destroyed by Iraq and more Iraqi missile attacks on Saudi Arabia.*
- **January 30:** *DOE selects 13 firms to purchase 17.3 MMB of SPR crude oil.*
- **February:** *Surplus of unsold oil held by oil producers reaches 80–90 MMB.*
- **February 5:** *First SPR oil delivered to commercial buyers.*
- **February 15:** *Daily market volatility as Hussein mentions withdrawal, but Bush calls his offer a "cruel hoax."*
- **February 26:** *Signs of Iran crude now an option for U.S. refiners, but no imports from Iran likely in near future.*

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

- **February 28:** War ends. U.N. troops move into Kuwait City. Saddam Hussein orders troops out of Kuwait. Iraqi soldiers ignite Kuwaiti oil fields during their retreat.
- **March 1:** News that Kuwait will need to import crude in the short term.
- **March 12:** OPEC announces production cut to 22.3 Mbbbl/d (3,550,000 m³/d).
- **March 13:** API reports a 6 MMB weekly domestic crude inventory draw; Saudi Arabia and Iran say OPEC production cuts will take effect April 1.
- **March 19:** Gorbachev says the Soviet Union will cut its oil exports by nearly half.
- **March 25:** Nigerian crude becomes competitive in U.S. Gulf Coast as Nigeria cuts crude prices.
- **April 25:** Iraq expects to resume crude and product exports by July.
- **June 3:** Kuwait asks GCC members to produce 800,000 bbl/d (130,000 m³/d) of oil on its behalf.
- **Aug:** Unsuccessful coup attempt against Soviet President Gorbachev has minimal effect on oil markets.
- **Oct:** Soviet Union suspends petroleum product exports as its fuel shortages grow. NYMEX futures price for WTI climbs nearly \$2, ending at \$24 per barrel.
- **November:** Last of Kuwait oil well fires extinguished by well control teams.
- **November:** U.S. Senate filibuster causes withdrawal of an Alaska National Wildlife Refuge (ANWR) pro-leasing bill.
- **December:** Soviet Union collapses as a series of events precipitated by Ukrainian vote for independence leads to formation of Commonwealth of Independent States (CIS).

1992

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

- **January:** [Kuwait](#) reports oil production of 400,000 bbl/d (64,000 m³/d); insists on restoration of its pre-invasion [OPEC](#) quota of 1.5 Mbbl/d (240,000 m³/d).
- **March:** [United Nations](#) threatens sanctions against [Libya](#) for its refusal to [extradite](#) suspected terrorists.
- **March:** CIS announces that 1991 crude exports dropped by 52%.
- **May:** [Saudi Arabia](#) supports a [crude oil](#) price hike during a late-month OPEC meeting. NYMEX Futures prices exceed \$22 per barrel.
- **Oct:** OPEC production reaches highest level in more than a decade at 25.25 Mbbl/d (4,014,000 m³/d).
- **December:** U.S.A., Mexico, and Canada sign the [North American Free Trade Agreement](#) (NAFTA).

1993

- **July:** Oil prices plunge on speculation that Iraq will accept U.N. missile test site inspections and receive approval to resume oil exports.
- **November:** Combination of OPEC overproduction, surging North Sea output, and weak demand lowers the price of Brent to near \$15 per barrel.

1994

- **April:** Oil Prices firm on strength of institutional shifting of U.S. investment funds from equity and bond markets to cash and commodities.
- **Apr-September:** Nigerian production disrupted by oil workers' strike in response to imprisonment of apparent winner of presidential elections.

1995

- **January 14:** *Mexico pledges profits from state-owned Pemex's \$7-billion-per-year oil revenues in an effort to secure U.S. congressional approval of \$40-billion worth of loan guarantees. Subsequently, President Clinton approved a \$20-billion U.S. aid package for Mexico. (DMN)*
- **January 30:** *Norway's Statoil announces that a newly formed consortium of 11 oil companies will develop a plan to supply Norwegian natural gas to the European continent. Three Norwegian companies recently signed a contract with Gaz de France to bring 1.4 trillion cubic feet (40 km^3) of Norwegian gas to France between 2001 and 2027. (DJ)*
- **February 28:** *The Pentagon announces that it monitored Iranian installation of surface-to-air Hawk missiles in the Strait of Hormuz. The Iranians also have taken possession of and fortified the nearby Abu Musa and the Tunb Islands, which are claimed by both Iran and the United Arab Emirates (UAE). (DJ)*
- **June 14:** *After OPEC's semi-annual meeting in Vienna, President Ida Bagus Sudjana discloses the Organization's intention to roll over its present crude oil production ceiling of 24.52 million barrels per day ($3,898,000 \text{ m}^3/\text{d}$). The announcement is followed by a trip to Norway by Saudi Arabian Oil Minister Hisham M. Nazer. Upon arriving, the Saudi Minister asks Norwegian Minister of Industry and Energy Jens Stoltenberg to restrain his country's oil production in the hopes of stabilizing world oil prices. (FT, DJ)*
- **June 30:** *Exxon signs a \$15.2-billion deal to develop oil and gas fields near Russia's Sakhalin Island. The Sakhalin I project will develop the offshore Shayvo, Odoptu, and Arkutun-Dagi fields that together are estimated to contain 2.5 billion barrels*

(400,000,000 m³) of crude oil and 15 trillion cubic feet (420 km³) of natural gas. Exxon has a 30 percent stake in the project. (NYT, DJ)

- **July 6:** *Venezuela's Congress approves the country's first investment law allowing for foreign participation in oil exploration and production. The newly passed "model agreement" authorizes the state-owned oil company Petroleos de Venezuela S.A. (PDVSA) to offer 10 exploration blocks to foreign investors. If oil is discovered, the government will maintain a majority stake in any joint venture formed to develop the new fields. (FT, DJ)*
- **July 27:** *Saudi Aramco awards the giant Shaybah oil field development project to U.S.-based Parsons Corporation. The \$2.5-billion project will develop the 7-billion-barrels (1.1 km³) field, including the construction of crude oil production facilities, gas-oil separation plants, and a 372-mile (599 km) pipeline. The Shaybah field is located on the Saudi-UAE border and is expected to produce 500 million barrels per day (79,000,000 m³/d) after it comes online in 1999. (PON)*
- **July 28:** *Norwegian Finance Minister Sigbjorn Johnsen says that Norway should not lower its crude oil production in an attempt to boost world oil prices. Norwegian Oil Minister Jens Stoltenberg believes production cuts may be necessary if prices begin to fall. Minister Johnsen's remarks follow last month's visit by Saudi Arabian Oil Minister Hisham M. Nazer, who asked Minister Stoltenberg to cut Norway's crude oil production. (PON)*
- **Aug. 2:** *Saudi Arabia's King Fahd issues a decree replacing all members of the Council of Ministers who do not have blood ties so the royal Family. While most of the Council's*

top positions are unaffected by the reshuffling, Oil Minister Hisham Nazer is replaced with Ali bin Ibrahim al-Naimi. (WSJ)

- **Aug. 14:** *Iran's official news agency, IRNA, reports that Iran has been unable to sell 200 million barrels per day (32,000,000 m³/d) of crude oil since the imposition of a unilateral oil embargo by the U.S. Iran increasingly has sold its crude oil on spot markets as opposed to long-term contracts. Larger purchases by France, Spain, Italy, China, India, Pakistan, and Thailand have failed to offset decreased demand by German and Japanese refiners. Before the U.S. embargo was announced in April 1995, U.S. companies were buying between 400,000 and 450 million barrels per day (72,000,000 m³/d), down from roughly 600 million barrels per day (95,000,000 m³/d) in 1994. (PON)*
- **August 28:** *Kuwaiti Oil Minister Abdul Mohsen al-Meddej announces that his country will increase its oil production capacity to as much as 3.5 million barrels per day (560,000 m³/d) by 2005. (DJ)*
- **September 13:** *The Kuwaiti Oil Ministry states its intention to seek a 200-million-barrels-per-day (32,000,000 m³/d) increase to its current 2-million-barrels-per-day (320,000 m³/d) crude oil [production quota](#) at the November 1995 OPEC meeting in Vienna. The announcement comes amidst growing non-OPEC oil production and weak oil prices. (DJ)*
- **November 22:** *OPEC states that it will roll over its current oil production quota of 25.42 million barrels per day (4,041,000 m³/d). The roll-over was widely anticipated because of slack world oil demand, rising non-OPEC production, and weak prices. (DJ, PON)*
- **November 29:** *U.S. President [Bill Clinton](#) approves legislation lifting a 22-year-old ban on exports of oil from the Alaskan North Slope (ANS). The ban was imposed after the oil*

embargo by Arab oil producers in 1973. The lifting of the ban opened up about one-quarter of U.S. crude oil production for export, although no more than 7% of ANS crude was ever exported [\[1\]](#) and exports ceased in 2000. The ANS legislation also waives royalty payments on deep water oil and gas leases in the Gulf of Mexico. (WP)

- **December 12:** *Speaking in New York during a U.S. visit by Angolan President Eduardo dos Santos, Joaquim David, president of the state-owned oil company, Sonangol, states that Angola will increase its crude oil production by 10 percent per year over the next five years, reaching 720 million barrels per day (114,000,000 m³/d) by the end of 1996 and 1 million barrels per day (160,000 m³/d) by 2001. The statement comes amidst sporadic violence involving government forces and the rebel group UNITA, less than a year after a peace accord was signed ending the country's 20-year-old civil war. At the end of 1995, Angola had raised its crude oil production to 690 million barrels per day (110,000,000 m³/d). (PON, DJ)*

- **January 17:** *Iraq agrees to talks concerning a U.N. plan to allow for the Iraqi sale of \$1 billion of oil for 90 days for a 180-day trial period. Under U.N. Resolution 986, proceeds from the sale would be used for humanitarian purposes. In the past, Iraq has opposed clauses 6 and 8b contained in Resolution 986. Clause 6 stipulates that oil exports under this plan must pass through the 1.6 Mbbbl/d (250,000 m³/d) Iraq-Turkey pipeline, which currently is unusable because of sludge build-ups and pumping station damage. By most*

estimates, the line would take a minimum of three months to repair. Clause 8b states that part of the proceeds from the sales would be disbursed under U.N. supervision to Kurdish provinces in northern Iraq. Negotiations between Iraq and the United Nations are scheduled to begin February 6, 1996. (FT, PON, DJ)

- **January 30:** Vice Admiral Scott Redd, commander of the U.S. Fifth Fleet based in the Persian Gulf, states that Iran test-fired a new anti-ship missile near the Strait of Hormuz on January 6. The missile reportedly has a range of 60 miles (100 km) and is viewed as a threat to regional security by U.S. naval forces operating in the area. Oil tankers carry about 15 Mbbl/d (2,400,000 m³/d) through the Strait. (DJ)
- **April 24:** In New York, the United Nations and Iraq end a third round of negotiations over Iraq's possible sale of \$1 billion of oil for 90 days for a 180-day trial period. Under U.N. Resolution 986, proceeds from the sale would be used for humanitarian purposes. While both sides have reached agreement on most of the key issues, chief Iraqi negotiator Abdul Amir al-Anbari says that the United States and the United Kingdom have fundamentally altered the text of a proposed agreement which he had received from the United Nations early in the third round. Al-Anbari states that the changes have postponed any possible deal. The U.N.-Iraq talks are scheduled to restart on May 10. (DJ)
- **April 30:** In the United States, President Clinton approves the sale of \$227 million of crude oil from the Strategic Petroleum Reserve. At current oil prices, roughly 12 million barrels (1,900,000 m³) would be sold. The Clinton Administration hopes that the sale will lower gasoline prices in the United States, which are at their highest levels in five years. (WSJ)

- **May 20:** *In New York, the United Nations and Iraq agree to U.N. Resolution 986, which provides Iraq with the opportunity to sell \$1 billion of oil for 90 days for a 180-day trial period. Under the resolution, proceeds from the sale would be used for humanitarian purposes. The agreement comes following months of heated negotiations. Iraqi oil exports are expected to begin by the Fall of 1996, after a pumping station on the Iraq-Turkey pipeline is repaired and U.N monitoring and aid distribution facilities are put in place. Shortly after the agreement, the White House announces its decision to allow U.S. oil companies to purchase Iraqi oil exports. (FT, PON, WSJ)*
- **June 11:** *[Exxon](#) states that it will soon begin work on its \$15-billion Sakhalin I oil and natural gas development in Russia's Far East. The Sakhalin I project will develop an estimated 5 billion barrels (790,000,000 m³) of oil and 15 trillion cubic feet (420 km³) of gas located in three offshore hydrocarbon fields. The \$300 million appraisal program will include drilling one exploration well and conducting a 3-D seismic survey. The U.S. company says that it will start working despite ongoing differences with the Russian government over the country's new production sharing law, which is widely viewed as not offering adequate legal protection for foreign investment in the country's oil and gas sectors. (FT)*
- **June 20:** *The Venezuelan Congress approves eight, multibillion-dollar, profit-sharing deals which allow foreign oil companies to explore and produce oil in Venezuela for the first time since the country's 1975 nationalization of the oil industry. The deals could boost Venezuela's current oil production by 500,000 bbl/d (79,000 m³/d) by 2005. Foreign oil companies such as Amoco and British Petroleum are expected to sign final deals with state-owned PdVSA within 10 days and may begin working on their new land*

by the third quarter of 1996. The eight blocks are estimated to hold between 7 and 11 billion barrels ($1.7 \times 10^9 \text{ m}^3$) of light crude oil reserves. (PON, DJ)

- **July 7:** *OPEC issues a resolution announcing Gabon's withdrawal from the organization, effective January 1, 1995. Gabon had an OPEC quota of 287,000 bbl/d ($45,600 \text{ m}^3/\text{d}$). (FT)*
- **July 18:** *The United Nations formally approves an Iraqi aid distribution plan, a major step forward in the direction of allowing Iraq to sell oil under Resolution 986. (DJ)*
- **August 6:** *U.S. President [Bill Clinton](#) signs a new bill imposing sanctions on non-U.S. companies which invest over \$40 million a year in the energy sectors of either Iran and Libya. Under the law, the President would be required to impose at least two of the following sanctions: import and export bans; lending embargoes from U.S. banks; a ban on U.S. procurement of goods and services from sanctioned companies; and a denial of U.S export financing. The European Union stated its opposition to the U.S. law and threatened retaliation. (FT)*
- **August 21:** *In Venezuela, a subsidiary of state-owned Petroleos de Venezuela (PdVSA), Corpoven, signs a memorandum of understanding (MOU) with U.S.-based ARCO. The MOU provides for a \$3.5-billion joint venture to develop and upgrade roughly 200,000 bbl/d ($32,000 \text{ m}^3/\text{d}$) of crude oil from the country's 270-billion Orinoco Heavy Oil Belt. The project will produce 9° API gravity crude oil in the Hamaca region and upgrade it to 25° API for export to U.S. refineries. The project will be implemented in three phases, the last of which will be completed in 2006. Another PdVSA subsidiary, Maraven, recently signed another, similar deal with Conoco. (PON, FT)*

- September 5:** Following U.S. cruise missile strikes on military facilities in southern Iraq, crude oil prices rise as the market speculates when Iraq will begin exporting oil under U.N. Resolution 986. Benchmark Brent Blend for October rises above \$22/barrel amidst the uncertainty. The U.S. attack follows an Iraqi-supported invasion of Kurdish safe haven areas in the country's northern area. Subsequently, President Bill Clinton states that the U.N. oil-for-food sale should be postponed indefinitely. (DJ)
- October 30:** Exxon confirms that it is in talks with state-owned Qatar General Petroleum Corporation concerning the application of new technology to convert natural gas to petroleum products. Exxon believes that technology developed in a successful 200 bbl/d ($32 \text{ m}^3/\text{d}$) natural gas refinery project in Texas would work in Qatar, where a proposed \$1-billion plant would be able to produce between 50,000 bbl/d ($7,900 \text{ m}^3/\text{d}$) and 100,000 bbl/d ($16,000 \text{ m}^3/\text{d}$) of middle distillate products. Under the proposal, Qatar's 270 trillion cubic feet ($7,600 \text{ km}^3$) North field would supply between 0.5×10^9 cu ft ($14,000,000 \text{ m}^3$) and 1×10^9 cu ft ($28,000,000 \text{ m}^3$) per day of gas for use as feedstock. In the past, technological barriers and high costs have precluded the development of natural gas refineries. (WSJ)
- December 18:** During a press conference, Iranian Deputy Foreign Minister Abbas Maleki states that Iran supports the free flow of oil through the Strait of Hormuz but reserves the option of closing off the shipping route if it is threatened. Iran recently has admitted to deploying anti-aircraft and anti-ship missiles on Abu Musa, an island strategically located near the Strait of Hormuz's shipping lanes. (DJ)
- December 30:** The United Nations announces that a total of 21 contracts have been approved for the limited Iraqi oil sales under U.N. Resolution 986. The approved

contracts will allow for 43.68 million barrels (6,945,000 m³) of oil to be exported in the first 90 days of the sale. At present, exports of 26.37 million barrels (4,192,000 m³) have been approved for the second 90-day period of the sale, which allows Iraq to sell up to \$1 billion worth of oil every 90 days for an initial 6-month period. In mid-December 1996, Iraq restarted the Kirkuk–Ceyhan pipeline, which is expected to carry up to 450,000 bbl/d (72,000 m³/d) of oil under the sales agreements approved so far under U.N. Resolution 986. Iraq's remaining oil exports will flow through the Mina al-Bakr terminal. (NYT, DJ)

- **February 5:** *Japan's Ministry of Finance announces plans to cut import tariffs on crude oil and most petroleum products from April 1, 1997, in a phased process that will reduce the country's crude oil import tariff rate to zero in April 2002. (DJ)*
- **February 24:** *Qatar inaugurates the world's largest liquefied natural gas (LNG) exporting facility and formally launches Qatar Liquefied Gas Co., which will have total output capacity of 6 million tons per year of LNG. The facilities are part of a new \$7.2 billion industrial zone which also includes a seaport with a capacity to handle 25–30 million tons of LNG annually. Qatar plans to build more gas liquefaction plants in the area to exploit its natural gas reserves of around 237 trillion cubic feet (6,700 km³). (DJ)*
- **April 1:** *A Shell spokesman confirms the company will declare force majeure at its Nigerian Bonny terminal due to local protests which disrupted 210 million barrels per day (33,000,000 m³/d) of the company's oil production. Although the protests have ended*

and production is returning to normal, the backlog is temporarily delaying loadings by 3 days. (DJ)

- **May 16:** A final agreement creating the [Caspian Pipeline Consortium](#) (CPC) is signed by project participants: Russia (24 percent), Kazakhstan (19 percent), Chevron Corp. (15 percent), AO Lukoil/Arco Corp. (12.5 percent), Mobil Corp. (7.5 percent), AO Rosneft/Shell Corp. (7.5 percent), Oman (7 percent), Agip SpA (2 percent), British Gas PLC (2 percent), Oryx Corp. (1.75 percent), and Kazakhstan Pipeline Ventures, a joint venture of Kazakhstan's state oil company and Amoco Corp. (1.75 percent). The Russian government plans to transfer its stake to two Russian oil companies, AO Lukoil and AO Rosneft. CPC plans to begin building a 932-mile (1,500 km) pipeline to transport crude oil from the Caspian region to Russia's Black Sea coast in 1998 and begin shipping around 558 million barrels per day (88,700,000 m³/d) of oil in 1999 (planned peak capacity is 1.4 million barrels per day (220,000 m³/d)). (DJ)
- **May 20:** U.S. President [Bill Clinton](#) signs an executive order barring new U.S. investment in Burma (also known as Myanmar), effective May 21 and renewable annually. U.S. companies have invested about \$250 million in Burma, primarily in the oil and gas sector. The biggest U.S. investor is Unocal, which is building (with France's Total) a \$1.2 billion pipeline from Burma's [Yadana natural gas field](#) to an electric power plant in Thailand. (DJ)
- **June 4:** In a unanimous vote, the United Nations Security Council renews for another 180-day period its "oilforfood" initiative with Iraq. Under the resolution, Iraq may sell \$2 billion worth of oil to buy food, medicine and other necessities to alleviate civilian suffering under the sanctions imposed when its invaded Kuwait in 1990. (WP)

- **July 22:** *The first shipments of oil produced from Kazakhstan's Tengiz field arrive at terminals on the Black Sea in Novorossiysk (Russia) and Batumi (Georgia) for subsequent export through the Bosphoros Strait. Volumes total between 100,000 and 150 million barrels per day (24,000,000 m³/d). (DJ)*
- **July 23:** *The U.S. State Department rules that Turkey's August 1996 agreement to purchase \$23 billion worth of natural gas from Iran over a 20-year period does not violate the [Iran and Libya Sanctions Act](#). In a May 1997 memorandum of understanding with Iran and Turkmenistan, Turkey modified the original arrangement so that the natural gas will be purchased from Turkmenistan rather than Iran. (DJ)*
- **August 4:** *In Colombia, Occidental Petroleum, a California-based international oil company, and Ecopetrol, Colombia's national oil company, declared force majeure on all oil exports from the Cano Limon field. The declaration comes after a series of attacks dating back to July 30 knocked out a major oil pipeline transporting oil from the field to the Caribbean port of Covenas. The pipeline has been attacked 45 times this year which is equal to the total number of attacks for 1996. Responsibility for the attacks has not been determined, but leftist guerrillas from the National Liberation Army are usually blamed for such attacks. The force majeure declaration does not apply to the oil contained in the 2-million-barrels (320,000 m³) storage facility at Covenas. (DJ)*
- **August 8:** *The United Nations approves a sale-price formula for Iraqi crude oil sales under the oil-for-food plan. The approval cleared the way for Iraq to resume limited oil exports immediately through the Turkish port of Ceyhan on the Mediterranean Sea and Iraq's Gulf port of Mina al-Bakr. The United Nations will also begin reviewing contracts for Iraqi crude oil purchases. Iraq has until September 5 to raise the \$1.07 billion*

allowed under the existing 90-day oil-for-food plan window. Iraqi officials state they will boost exports to 2 million barrels per day (320,000 m³/d) to meet the sales target.

However, industry experts say that Iraq's export capacity is untested beyond 1.4-million-barrels-per-day (220,000 m³/d). (DJ)

- **September 12:** *The United Nations Security Council passes a resolution that allows Iraq to reach the \$2.14 billion oil sales limit under its oil-for-food program by December 5. The current 6-month oil sales window, running from June 8 to December 5, will be split into a 120-day segment and a 60-day segment instead of two 90-day segments. During each segment Iraq can sell \$1.07 billion worth of oil. The resolution should enable Iraq to make up for lost revenues during a delay in the start of oil sales during the first two months of the current six-month sale period. (DJ)*
- **October 29:** *Iraq's Revolution Command Council, the country's main decision-making body, announces that it will no longer allow U.S. citizens and U.S. aircraft to serve with the United Nations (U.N.) arms inspection teams. The council's statement gives U.S. citizens working with the inspection teams one week to leave Iraq. Iraq has also asked the U.N. to stop flights by American reconnaissance aircraft monitoring its compliance with U.N. resolutions requiring the elimination of weapons of mass destruction. In response to this statement, the U.N. Security Council unanimously approves a statement condemning Iraq's threats to expel the Americans. (DJ)*
- **November 20:** *Iraq's Revolution Command Council formally endorses an agreement, arranged by Russia, that enables United Nation's (U.N.) weapons inspection teams to resume operations in Iraq. The deal ends a three-week standoff between the U.N. and*

Iraq that began in late October 1997 after Iraq announced it would no longer allow U.S. citizens to serve on U.N. weapons' inspection teams. (DJ)

- November 29:** *For the first time in four years, OPEC agrees to an increase in its production ceiling. OPEC has raised the ceiling to 27.5 million barrels per day (4,370,000 m³/d) for the first half of 1998, effective January 1, 1998. The new ceiling represents a 10 percent increase over the current ceiling. The new quotas are as follows: Saudi Arabia 8.76 million barrels per day (1,393,000 m³/d) (bbl/d), Iran 3.942 Mbbl/d (626,700 m³/d), Iraq 1.314 Mbbl/d (208,900 m³/d), Venezuela 2.583 Mbbl/d (410,700 m³/d), Nigeria 2.042 Mbbl/d (324,700 m³/d), Indonesia 1.456 Mbbl/d (231,500 m³/d), Kuwait 2.19 Mbbl/d (348,000 m³/d), Libya 1.522 Mbbl/d (242,000 m³/d), United Arab Emirates 2.366 Mbbl/d (376,200 m³/d), Algeria 0.909 Mbbl/d (144,500 m³/d), and Qatar 0.414 Mbbl/d (65,800 m³/d). (NYT)*
- December 4:** *Iraq's United Nations (U.N.) Ambassador [Nizar Hamdoon](#) warns that Iraq will not allow oil to flow during a third six-month phase of the U.N.'s oil-for-food sale until the U.N. approves an aid distribution plan. Despite the warning, the U.N. Security Council approves a third six-month phase following the end of the second six-month phase. Like the first two phases, the third phase allows Iraq to sell up to \$1.07 billion of oil in each of two 90-day periods. However, the sales level may be increased by the Security Council in January 1998 after U.N. Secretary-General Kofi Annan reports on Iraq's needs. The next day Iraq stops pumping oil into the Iraqi-Turkish pipeline at the end of the second six-month phase of the United Nations (U.N.) oil-for-food program. (WP, NYT)*

- ***December 11:** Delegates from 150 industrial nations attending a United Nations climate conference in Kyoto, Japan reach agreement on a protocol to control heat-trapping greenhouse gases. The protocol, if ratified, would commit nations to roll back emissions of six greenhouse gases (carbon dioxide, methane, nitrous oxide, hydrofluorocarbons, perfluorocarbons, and sulphur hexafluoride) below 1990 levels. Under the protocol, the United States would be required to reduce its greenhouse gas emissions by 7 percent below 1990 levels, while Europe and Japan would make cuts of 8 percent and 9 percent, respectively. Developing countries are exempt from the emissions ceilings for the time being. (DJ)*

In 2002 I was arrested for coming out of Kim Jong UN secret Detention in An abandoned McDonalds located in Detroit Michigan at Mack and Peck a poverty stricken community located near the Capuchin Soup Kitchen .

Categories of Terrorist Organizations (In this case we have One Terrorist organization the KKK detaining and profiting from North Korea's President Kim Jong UN Directly – (Kim Jong UN is the Foreign Terrorist Organization being held captive by a Domestic Terrorist Group the KKK)

Tier I

These organizations are also referred to as Foreign Terrorist Organizations (FTOs). FTOs are foreign organizations that are designated by the Secretary of State in accordance with section 219 of the INA, as amended. There are three basic criteria for an organization to be considered an FTO:

1. It must be a foreign organization.
2. The organization must engage in terrorist activity, as defined in section 212 (a)(3)(B) of the INA (8 U.S.C. § 1182(a)(3)(B)), or terrorism, as defined in or retain the capability and intent to engage in terrorist activity or terrorism.

3. The organization's terrorist activity or terrorism must threaten the security of U.S. nationals or the national security (national defense, foreign relations, or the economic interests) of the United States.

Tier II

The Secretary of State, in consultation with or upon the request of the Attorney General, may designate terrorist organizations for immigration purposes, after a finding that the organization engages in terrorist activity as defined in section 212(a)(3)(B)(iv) of the INA (8 U.S.C. § 1182(a)(3)(B)(iv)); see section 212(a)(3)(B)(vi) of the INA. This authority is known as the "Terrorist Exclusion List (TEL)" authority. A TEL designation will generally exclude aliens associated with entities on the TEL from entering the United States. (Department of Homeland Security – U.S. Citizen and Immigration Services ,20202

When do Private Citizens become agents of the state - The totality of Circumstances will show I was working at the behest of the F.B.I In *Coolidge v New Hampshire* (403 U.S. 443 {1971})), the Supreme Court stated that the test is whether the private person (veretta burnett) in light of all the circumstances of the case, must be regarded as having acting as a "instrument" or agent of the state." Also in *Coolidge v New Hampshire* (403 U.S. 443 {1971})) the court stated that if a private person "wholly on his own initiative turns over evidence to authorities there can be no doubt under existing law that the articles would later be admissible in evidence ."(p.487)

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Finding Kim Jong UN secret Detention and Osama Bin Laden I was a private citizen working at the behest of the F.B.I. Due to Bureaucracy I could take action when the F.B.I. couldn't because of flawed intelligence. In which I had to come in and show the FBI that the Most wanted World Leaders and Most wanted Terrorist were in Detroit. In *Walter v United States* (447 U.S. 649 {1980}) the Court ruled that "a wrongful search and seizure conducted by a private party does not violate the Fourth Amendment and does not deprive the government of the right to use evidence that has been acquired from the third party lawfully (p.656) Finding Kim Jong UN secret detention and handing that information over to the FBI after I was arrested, I was charged with drug paraphernalia. Again a Section 242 violation the Detroit police knew that Kim Jong UN had been detained in the abandoned McDonalds where he sat in his own feces in the pitch dark a missing(from North Korea) an Asset to the American Government because of Kim Jong UN Intercontinental ballistic missile capability and the fact that Vladimir Putin wants to put nuclear warheads on Kim Jong UN intercontinental Ballistic missiles. **Washington** (CNN)North Korea claims to have successfully tested a new type of intercontinental ballistic missile, topped with a "super-large heavy warhead," which is capable of striking the US mainland.

The country's state media made the announcement Wednesday, hours after leader Kim Jong Un ordered the 3 a.m. launch of the Hwasong-15 missile, which reached the highest altitude ever recorded by a North Korean missile. (Zachery Coehen , Ryan Browne Nicole Gaouette, November 17,2017)

was in Detroit Michigan on Mack and Peck by 2002. While Former George Bush had told the American people Kim Jong UN was a part of the State Sponsored Terrorism and that Kim Jong UN was in North Korea, when in actuality he was in a secret detention in Detroit Michigan on

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

Mack and Peck an Abandoned McDonalds restaurant .Therefore the government action prong of the Fourth Amendment right actually hinges on three important questions:

1. Who is a government actor?
2. When is a private person not acting wholly on his or her own initiative considered a government actor for the purposes of the Fourth Amendment ?
3. Once it's clear that the search(of Kim Jong UN secret detention) is private in nature , what later government action does this private search authorize?

(Worrall,2011)

These questions are not unanswered , as evidence will show that I was a regular dancer like every other female and transgender who was there to make money until at Tycoons, as Godiva , Hot Tamales as Hot chocolate , 007 as Hot Chocolate , Alqaeda – some men came to the topless Hot tamales bar to ask me to take care of the fathers showing me a picture of some men in a cave at Hot Tamales topless bar in Detroit Michigan 13109 W. 8 mile rd. Detroit Michigan 48235 ,(Osama Bin Laden and five other men in a cave) .

(Kim Jong Un secret Detention should be considered as Evanescent evidence – (the layout of Kim Jong Un Secret Detention has been demolished and a church of Latter Day Saints was put in its place guarded by a fence) - and the employees of Kim Jong UN family Beauty Supply store at 7651 Gratiot Detroit Michigan , can change because of product value and what products Black Females use whatever the trend is at that point because Kim Jong UN mom allows private citizens to sell their hair products at her store hoping to find information about Kim Jong UN because the landscape of Kim Jong UN secret detention has turned into a Church of Latter Day Saints . The abandoned

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

McDonalds Kim Jong Un was in was torn down/ demolished and the church of latter day Saints with all inclusion by Congressmen Mitt Romney was built in its place to remember that this was the secret detention of Kim Jong Un.

The totality of circumstances – all the facts and circumstances surrounding the case , In Case by case adjudication will show I was a private citizen acting at the Behest of the FBI since 2005. Although I found Kim Jong UN secret detention and Saddam Hussein in 2002 which called for me to contact the FBI with the above information .

Because this case acts in the Dual Sovereignty – in which the state and federal government are considered separate or sovereign in their own rights . While Federal courts consists of 3 types of courts

1. Districts courts
2. US courts of appeal
3. U.S. Supreme Court

In which both of Veretta Burnett cases regarding Terrorism and Most wanted Terrorist ended up in Federal Eastern District Court One case being that I was assaulted by Police Srgt. Brenda Stevenson while handcuffed in a crucifix for going to the FBI regarding Osama Bin Laden being in America, and giving the FBI Hamza Bin laden – Phone number and American name (Trevor , because of Chief Of Police Caldwell in Highland Park was also using the child in Terrorist Tapes with Osama Bin Laden , specifically in Highland Park Michigan,48203. Case #14238 while case 17-2170 regarded Kim Jong UN momma opening up a Beauty Supply Store on Gratiot at 7651 in Detroit Michigan with the purpose to find Kim Jong UN who had been detained by the Klu,Klux,klan who decided to

invest into Black Hair care . Thus the creation of the UN Beauty Supply Store.

UN as in Kim Jong UN the president of North Korea . The International Terrorism of Kim Jong UN became domestic Terrorism the minute Kim Jong Un was detained in the United States of America on Mack and Peck at an Abandoned McDonalds restaurant . To understand how I was drawn into the domestic terrorism and gained firsthand knowledge of the Terrorism. Which leads to my Bivens claim against Chris Hess-7 , David Harmon, and Gwen Rosenthal in her physical and professional capacity . In Bivens v. Six Unknown named federal agents (403 U.S. 388 {1971}),the Supreme Court held that federal law enforcement officers can be sued for Fourth Amendment violations , Bivens claims must meet two essential requirements :

1. The official acted under the color of state law
2. The official deprived someone the his or her constitutional rights .(and or immunities given for working at the behest of the FBI)

Also in Davis v. Passman (442 U.S. 228 {1979} and Sonntag v. Dooley (650 F.2d 904 {7th cir. 1981})

Both cases dealt with the fifth amendment and Carlson v Green (446 U.S. 14 {1980}) was an 8th amendment case violation .

The FBI agents indicted Srgt. Stevenson after I was police brutality , however the FBI failed to pay me for the work I had done for them , informing them that Osama Bin Laden number 1 and 2 was at my home in Highland Park at 11 Farrand park , Highland Park Michigan . The FBI left me to my own devices as

performing as a sex slave having sex with Al Qaeda as they came to my apartment in Highland Park. The FBI did not help me, neither did they send help when I alerted them that the terrorist was threatening to rape my daughter If I didn't have sex with them . I Veretta Burnett had alerted the FBI Chris Hess-7 by hand written letter of the types of threats I was getting from inside Al Qaeda,(Theron Flournoy who told me directly they will rape my kids if I don't have sex with them". as I was informing that FBI that the Highland Park Police then Chief Caldwell was directly involved in the Terrorism as a narcotics officer and as Chief of Police . I believe that is why Chief Caldwell didn't invite the FBI into Highland Park to witness and investigate Osama bin Laden number 2 – Aaron Labarrie Engaged in Terrorist activities with Chief of Police Caldwell of Highland Park Engaged in Terrorist activities as defined in Section 212 (a) (3) (B) of the immigration and Nationality Act . The Police Chief involvement in the terrorism continued and came to my knowledge once I moved across the hall from Richard Steve Goldberg at 11 Farrand Park in Highland Park Michigan, 48203 .

The Section 1983 was originally enacted as part of the Ku Klux Klan Act of April 20 1871 Also known as Section 1 of the civil rights act of 1871 . The act was designed to address atrocities committed by the Ku Klux Klan members in the wake of the civil war. Instead Section 1983 imposed liability on state representatives who failed to enforce state law against illegal Klan activities like: (going after Kim JONG UN bringing him to America , beat and tortured him in an abandoned McDonalds and let him live in his own feces for months until they

was able to put Kim Jong Un to work at a nail salon in Highland Park, Michigan called Highland Nails at 12027 Woodward Highland Park Michigan 48203.

The Klan had violated the and engaged in Terrorist activities violating The immigration and Nationality act Section 212 (a) (3) (B) by bringing Kim Jong UN to America and setting up a Beauty Supply store and Nail salon for the Klan to profit - because North Korea had been designated as State sponsors of Terrorism by former President George W. Bush #43. My right to freedom and Liberty was taken away as I worked for the FBI without payment a Labor Issue is a civil rights issue, being arrested after coming out of Kim Jong Un secret detention. Denying my 4th amendment right by seizing my person and arresting me- for discovering how the klan had kidnapped Kim Jong Un the President of North Korea and put him in my community to be detained. At the time I lived on 2429 Field street, Detroit Michigan. I had 4 separate incidences of Terrorism on my hands. I again would like to say these incidences of Terrorism meeting the Most wanted World Leaders Saddam Hussein, Uday Hussein, and Kim Jong Un Secret detention happened on sperate occasions.

1. 9-11-2001 The World Trade Center had fallen down after it was attacked by an airplane (according to Steven E. Jones nano-thermite a chemical explosive had been painted on the beams of the World Trade Center and when He tested the Dust that sickened the first responders he found it had a chemical explosive called Nano- Thermite in it)

2. 10-2001- The Al Qaeda men came into my bar Hot Tamales to ask me if I would take care of the fathers, showing me some men in a loin cloth in the mountains of Afghanistan ?
3. I had been arrested in 2002 for coming out of Kim Jong UN secret detention at an abandoned McDonalds on Mack and Peck.
4. 2002/03 Uday Hussein had taken me to his apartment from His job Osama's Hair salon downtown Chicago to Hyde Park to meet Saddam Hussein and his soldiers that sat above another hair saloon all in Hyde Park where then Senator Barack Obama lived .

Harry Davis had dropped me off from his home in 2002 and told me he was going to Chicago , Illinois , so I jumped on a grey hound bus and followed Harry Davis to Chicago , but instead of meeting up with Harry Davis- Tupac Shakur , I met up with Uday and Saddam Hussein .

By 2001 I had met Harry Davis aka the voice and character of Tupac Shakur . He came into my bar 007 on September 9th 2001. By 2004 I had got to know Harry Davis – Tupac Shakur well enough to where at first he would give me plane ticket to fly to see him that by 2004 I would just jump on a grey hound to see Harry Davis -Tupac because he was secretly dying . In 1994 Tupac-Harry stated that he didn't rape any one that he was the one sodomized by the rape victim, in which by the time I met Harry Davis - Tupac Shakur who was actually the rape victim that night where he was sodomized by the supposed rape victim - he was dying of 2 types of cancer, because of the forced sodomization of the rape victim . One type of cancer was inflicted on him by the supposed rape victim when he said he was sodomized , evidence of his health records will show Harry Davis- Tupac Shakur was injured on his rectum from being sodomized during

what the court called a rape , that Tupac Shakur was the one raped being sodomized by the supposed rape victim and given anal warts , because the sodomy happened in his rectum it also affected his prostate The rape victim had no physical injuries but Tupac Shakur aka Harry Davis did as he proclaimed **publicly** that he was **sodomized** by the supposed rape victim , and because he wore a condom during sex the genital warts wasn't on his penis but on his rectum- and when Tupac Shakur confronted the rape victim about the genital warts on his rectum because he felt his rectum swell up immediately the rape victim said she was the one raped , in countless public interviews- Tupac Shakur said that he was sodomized by the rape victim , so I had to deal with a Harry Davis – Tupac Shakur that was dying from anal cancer and prostate Cancer. The fact that Harry Davis – Tupac Shakur left behind countless interviews saying he was the Actual rape victim by saying he was the one sodomized by the rape victim which had given him anal cancer. Tupac Shakur – Harry Davis because of the Prostate Cancer he would bleed out from his penis , and he couldn't urinate , or take a bowel movement – So Tupac Shakur – Harry Davis had to fake his death because he was dying and was immediately injured during the night of the forced sodomy during an orgy , which he was accused of rape - So I would pop up on Tupac Shakur - Harry Davis unannounced at his home - because I kept telling him to go to the hospital – Detroit Medical Center if he couldn't go to Hackensack , New Jersey Hospital in Bergen County where he was living . Well One day I went to see Harry Davis- In New Jersey, Hackensack, but Harry Davis aka Tupac Shakur wasn't there . So I went to the Hackensack Police who sent me to Hoboken New Jersey for it was a shelter there ran by the Catholics Sister Norberta . When I got to Hoboken in June of 2004 Shelter from be stranded , in New Jersey ... I knew Gustavo Guerrero / Osama Bin Laden Number 1 from the pictures then men came into my bar at Hot Tamales in 2001 and showed me some men in a cave in loin cloths

in Afghanistan mountains. Gustavo was right before me in Hoboken Shelter . Gustavo -Osama Bin Laden Number 1 began to take me to Frank Sinatra Park on the Hudson River and would Pose at the Sight where the World Trade Center use to be seen From Frank Sinatra Park and Bridge , and make me take pictures of him standing where the World Trade Center use to be seen at the Hudson River in Frank Sinatra Park. At first I thought it was a little odd that he would know that exact place where to stand in Frank Sinatra Park where the World Trade Center used to be seen but it was important to Gustavo aka Osama Bin laden number 1. Gustavo expressed to me that he was Columbian and Black not Arab. That the FARC joined onto Al Qaeda in the early 1980's in the fight against the Soviet Union in Afghanistan . Gustavo would push Sureshot Trujillo on me a known Older sniper of the FARC. Sureshot Trujillo became the name of our Business that we opened . At that point I took Gustavo to the McNamara Building to the SBA loans for the business loan - while I went to the FBI in the McNamara Building to tell them that Osama Bin laden was in America. In fact at the SBA loan office as I alerted the FBI I was "Al Qaeda hoe now , Because I was coming out of the Topless entertainment Bar where you as a dancer can have a Pimp and you are considered his "Hoe" or bottom Bitch"(even though I had an agent from Tycoons named Chris) I wasn't Ralph Willis "Hoe" anymore because I was with Harry Davis- Tupac Shakur then I wasn't Harry Davis "Hoe ," any more(Harry- Tupac was dying - because I met Gustavo Guerrero – Osama Bin laden number 1 and he came back to Highland Park Michigan with me to live. So I became Al-Qaeda "Hoe" in which I alerted the FBI how they came into my bar asking me to take care of the fathers . Step by step I was making FBI reports and calling Chris Hess-7 asking him for Help. This shows culpability on FBI agents Chris Hess-7 and David Harmon behalf . Culpability and Cruel and Unusual punishment a

violation of Human Sex Trafficking under Section 1983 suit the FBI intended for me to go through these Terrorist sexual encounters with Abu Masab Al-Zarqawi – Joe

1.who worked the night shift at 12524 Woodward Marathon Gas Station in Highland Park , Mi. and was going to Henry Ford College for Nursing . Again this is Domestic Terrorism that appeared as International Terrorism .

2. Abu Masab Al-Zarqawi /Joe Engaged in terrorist activity as defined in Section 212 (a) (3) (B) of the Immigration and Nationality Act , yet he is a Citizen of the United States and resides in the United States .(In which most crimes were committed on the internet and through Terrorist Tapes)

During the fights which Gustavo Guerrero – Osama Bin laden number 1 would start after we would physically fight Gustavo would run to the Marathon Gas station because I was having sex with Abu Masab Al-Zarqawi aka Joe . Abu Masab Al-Zarqawi told me I had given him AIDES by bringing Osama Bin Laden/ Gustavo Guerrero to the Marathon gas station at 12524 Woodward Highland Park Michigan 48203. After Abu Masab Al-Zarqawi left the Marathon Gas station for a better Job closer to His college - Hassan a 350 pound Arab started having sex with me From 12524 Woodward . Once again I called Chris Hess-7 and told him how the Terrorist was using me for a sex toy ... but also they was “meeting Up together” through me and congratulating me for giving them Aides , (aide is defined as an assistant to an important person , especially a political leader) at the expense of my physical safety fighting Gustavo Guerrero from Newark New Jersey where we lived at 54 Parkhurst all the way in Highland Park , Michigan , 48203 .. Gustavo again made me aware that these were his fathers connections as his father had brought him to Detroit before . Again, the connection to the FARC.

The court must excuse my language but to understand the street lingo and to show how I was went from a regular Pimp to meeting Harry Davis whom I care about and expressed concern for Harry Davis – the rapper Tupac, who was dying to Al-Qaeda who was coming into my places of work drawing pictures of my aura showing me pictures of men in cave in the mountains of Afghanistan in white dingy loin cloth . I also asked the FBI to put cameras in my home at 11 Farrand Park so that they can see for themselves the different Al-Qaeda members coming into my home at 11 Farrand Park, Highland Park Michigan . As Gustavo Guerrero would make trips back and forth to New Jersey then back to Highland Park those in between times is when Abu Masab Al- Zarqawi was coming to my house to see me and have sex. Chris Hess- 7 knew about it because I told him on numerous occasions while asking for help from the F.B.I while I was informing them on which Terrorist was in my apartment building at 11 Farrand park, Highland Park Michigan 48203. Especially who was coming to my Apartment because 11 Farrand Park was like New Jack City where there was crack addicts running through the hallways and going to specific apartments to smoke crack . But also people lived with their children at 11 Farrand Park, Highland Park Michigan, 48203 . I was one of those people who lived with their child at 11 Farrand Park. IN fact my first FBI contact was while I was living at 11 Farrand Park was regarding , Saddam Hussein , Uday Hussein , Kim Jon Un Secret detention - Osama Bin Laden- Number 1- Gustavo Guerrero , Hassan Nasrallah and Mortarda Al Sadr , and Osama Bin Laden number 2 – Aaron Labarrie ,

Al-Sadr and Nasrallah who was working a half mile from my apartment at 11825 Woodward at Sav-a-lot Grocery store in Highland Park , Michigan, 48203 where Gustavo Guerrero- Osama Bin laden Number 1 kept running in the back to speak to Hassan Nasrallah The United States Government failed to protect me and my children as Osama bin Laden number 1- Gustavo

The Location of 11 Farrand Park, My window overlooks Gran Liquor store , which sits on the South side of Woodward as my Apartment at 11 Farrand Park sits on the North Side of Woodward . So I can see Gran Liquor store from my Living room, Kitchen and bathroom windows. In which Chief of Police Caldwell then of Highland Park started to “hang out” at nights at Gran liquor store , first towing all the cars in the parking lot , then that same tow truck company burned down Gran Liquor store . One night I was sitting in my window watching traffic go by. The tow truck had pulled up in the front of Gran liquor store , but there wasn’t any cars to tow .. so the tow truck driver went to the back of Gran liquor store and climbed to the roof and set the Beauty supply store on fire which spread to Gran liquor store , then the tow truck driver ran from the back of the Beauty supply store which is the alley and jumped into his Tow truck and drove off Chief Caldwell and The Tow Truck Driver committed Arson in the first degree **1. . I called Jacob(An Arab) a Wayne County Sheriff deputy because his uncle owned the liquor store that Chief Caldwell had the Tow Truck company Set the complex on Fire starting with The Beauty Supply store then Gran Liquor all in one Shot the complex burned down and Chief of Police Caldwell conspired with the Tow Truck company to Burn down Gran Liquor store first towing all the vehicles that was parked overnight , then sending that very same Tow Truck driver to Burn down Gran Liquor store Which have Richard Steve Goldberg a chance to Roam around once the foot traffic to Gran Liquor store was Burned down. As I had reported to the F.B.I. That Richard Steve Goldberg lived across the Hallway from me at 11 Farrand Park , I stayed at 409 , I woke Ali and told him what had just happened , how the Tow Truck driver that had been towing everybody car since Chief Police Caldwell been at Gran Liquor store just set the store on fire . It was like Chief Caldwell cleared all the cars out the parking lot to have the store burned down because Richard Steve Goldberg lived around the corner from Barbara Jordan elementary school and on his side of the building he could see the school kids coming and going but Chief Caldwell had just stopped the day to day traffic in the area that Kept Richard Steve

Goldberg in his apartment rather than roaming around. I also the FBI because I had been on tether and just come off of tether. I could see everything from my apartment building. From Chief Caldwell hanging out at Gran Liquor store, towing all the cars left over night . For years Johnny the owner of Gran Liquor store allowed people to park in his lot it made sure no one broke into the liquor store because everybody was watching they cars in Johnny liquor store .

The second incidence is on Ferris in Highland Park where Richard Steve Goldberg moved next to the Boys and Girls Club at 24 Ferris Street - Highland Park Michigan 48203 . Richard Steve Goldberg was added to the FBI 10 most wanted Fugitives list. Richard Steve Goldberg is an Aerospace Engineer which is the primary field of engineering concerning with the development of aircraft and spacecraft – which leads to Chief of Police Caldwell involvement in the Terrorism – with Aaron Labarrie – Osama Bin Laden Number 2 – Chief Caldwell was getting Terrorism information on how to attack Airplanes from Richard Steve Goldberg - in the name of “Al-Qaeda” while detaining Aaron Labarrie- Osama Bin Laden number 2 while they made Terrorist Tapes together with Chief of Police Caldwell being in charge of the Terrorist Tapes .

Aaron Labarrie gave me a timeline that this has been going on ever since Chief Caldwell was a narcotics officer and Mayor Huebert Yopp was in his first term as Mayor of Highland Park Michigan , 48203 , adding that Mayor Yopp and Osama Bin Laden number 2 – Aaron Labarrie had the same the same drug dealer of Crack cocaine in which Aaron Labarrie- Osama Bin Laden Number 2 – had been shot by the drug dealer after he demanded that the drug dealer give him “more crack”. The time line that Aaron Labarrie-Osama Bin Laden number 2 - gave me – I immediately called the person I was working undercover for which is FBI agent Chris Hess- 7 and told him about Aaron Labarrie. FBI agent Chris Hess- 7 did answer the phone and took down the information that I had given him. Because Gustavo Guerrero – Osama Bin Laden –

number 2 was fighting me over the Book Terrorism Today , The Past the Players and the Future, by Simonsen & and Spinlove – the Book gave a location where the Government thought Osama Bin Laden was in Pakistan near Lahore where the Indians were burning an effigy of Osama Bin Laden and the Both Osama Bin Ladens started to fake their deaths through more Terrorist tapes , in other words both Bin Ladens was trying to fake they death, exactly as the book said , so I gave Chris Hess- 7 Aaron Labarrie name as being one of the Osama Bin ladens in the Terrorist tapes where Osama Bin Laden in on Tape making his demands on America . I also wrote an FBI report on how the Detroit Rescue Mission where Aaron Labarrie – Osama Bin Laden number 2 started working - that they was pulling out his teeth with no pain medicine to put into someone elses mouth , Aaron Labarrie teeth had black stains. – Later Aaron Labarrie number 2 and Chief of Police Caldwell lived in the same apartment complex in Highland Park, by this time I'd already been police brutalized by Sgt. Stevenson of Highland Park for going to the FBI with the Terrorist names addresses and phone numbers then on 2 days later in November 7th ,2007 I was put in a cruxcifix with 2 pairs of handcuffs and beaten for implementing Chief of Police Caldwell involvement in The Domestic Terrorism. In which Officer Rikki of Highland Park Police refused to take my police report because it involved their Chief Of Police and while I was handcuffed in a cruixfix with two pairs of Hand Cuffs , Officer Rikki stated that I shouldn't been talking about their Chief , who was Chief Of Police Caldwell who was the overseer of the Osama Bin laden Terrorist tapes , which was domestic Terrorism in which the Chief of Police is supposed to invite the FBI into their Department if they suspect Terrorism because of Jurisdictional laws . Evidence will show that Chief of Police Caldwell didn't invite the FBI into Highland Park because he the Chief of Police was involved in the direct Domestic Terrorism of the Osama Bin Laden Terrorist tapes , and therefore he didn't want the FBI in Highland Park

. And that I was being beaten by Srgt, Stevenson for going to the FBI in the physical with Terrorist information about Chief of Police Caldwell involvement and the Terrorist phone numbers , addresses and places of employment . Srgt. Stevenson immediately went into my phone log as I had a flip phone without a pin , which there was no scope and manner for Srgt. Stevenson to search through my phone numbers The Manner refers to the physical steps the police can take to find evidence(evidence that I had just given the FBI because Police Chief Caldwell was Involved in the Terrorism) The Scope refers to the scope of the search ,based on the object of the search . As Srgt. Stevenson had no search warrant to go through my phone log. The

Supreme Court ruled that police generally need a search warrant to review cell phone records that include data like a user's location, which will impose a higher bar for law enforcement to access data collected on the millions of people who use smartphones on a daily basis.

The plaintiff in the case, Timothy Carpenter, was convicted of multiple robbery and gun offenses in 2010 but challenged the conviction saying that officers investigating the case didn't get a warrant for his cell phone records. The government argued that law enforcement doesn't need a warrant to get cell phone records from the service provider since it's a third party.

The Court ruled that the government's search, in this case, did not meet the bar for probable cause for a warrant because investigators only had to show that argue the cell phone data might be related to an ongoing investigation in order to get access to it from the cell phone provider.

“ ‘Chief Justice John Roberts wrote in the majority decision that the government is obligated to get a warrant before compelling a wireless provider to provide cell phone records in an investigation.’ Because Chief of Police - Caldwell / Ponytail was involved in Domestic Terrorism as well I had to go to the FBI directly. Right Before Sgt. Stevenson assaulted me in Highland Park Police Station on November 7, 2007 she went through my Phone log that I had just given to the FBI on that Monday November 5th 2007 and was beaten by Sgt. Stevenson on Wednesday November 7th 2007.

Police Chief Caldwell had been a part of the Domestic Terrorism which is

Domestic terrorism means “activities that--

(A) involve acts dangerous to human life that are a violation of the criminal laws of the United States or of any State.

(B) appear to be intended--

(i) to intimidate or coerce a civilian population.

11 Farrand Park closed down in 2008 and everyone had to move -The building was falling behind in taxes . As I relocated I moved to 730 Whitmore , after about 1 year of living there the Manager Charles Belanger came to me with a Job Offer which was to record in Excel and collect the Money order for Rent for Apartment Buildings 725 and 730 Whitmore , Detroit Michigan 48203 . As I worked for Charles Belanger He hired Gregory McKay as the maintenance man . Gregory McKay and I had a relationship outside of work which later became sexual as in line with Al- Qaeda coming to ask me will I take care of the fathers and I told the FBI the Terrorist was using me as a sex toy . Gregory McKay came to me saying his roofing Boss Bob Codden wants him to Kill this lady Jane Bashara and her entire family . Bob Codden is the Ku Klux Klan dues paying member that lives and works in Gross Pointe Michigan . Bob Codden also owned a Roofing company where Gregory McKay did roofing in Gross Pointe. He had come to work for Charles Belanger because it was too cold to get on the roof ; but Bob Codden and KKK member had put a Hit out on Jane Bashara and her entire family. Again I let the FBI know through an FBI report, while Jane Bashara was still alive , because Gregory McKay came to me a year before Jane Bashara was murdered with the proposition to kill Jane Bashara and her entire family . Terrorism as well as the whole of the FBI Detroit office as I was seen countless duty agents about the Terrorism.

At this point I still had not been paid by the FBI for the work that I was doing for them working inside of Al- Qaeda with the leaders of Al-Qaeda who were looking for a way to fake their terrorism deaths or kill off their Character Osama Bin Laden who helped to start Al- Qaeda .

Which brings me to the Equal Pay act of 1963 . I also went to the E.E.O.E. and the FBI giving the Duty agent the Terrorist information for Chris Hess-7 , and David Harmon. In 2016 because the payment I was getting from Sahar Odurn was pretextual meaning it said for enrolling new accounts with Assurance Wireless Lifeline - but it was actually for handling and maintaining the whereabouts of Terrorists for FBI agent Chris Hess-7 David Harmon , that was working at his locations of business. Such as Omar Mateen – the Florida Gay night club shooter who is alive and well ,- who called the Florida Police and told them he Works for the Mujahideen , and then preceded to shoot up the Gay Night club – Mullah Krekar aka Najmuddin Faraj Ahmad - the leader of the Kurds in Iraq , The Supreme Ruler of Dubai – Rashid Al-Maktoum , and Abu “ali” Bakr Al- Baghdadi . According to Spindlove and Simenson, 2004 , states , “ The founder of Islam , Prophet Muhammad died in 632 AD . Abu Bakr became caliph , or the one who comes after . Abu Bakr wanted everyone around the world to follow Islam and to submit to Allah “. He then sat about to organize , convert and subjugate the entire world to whom he believed was the one True God, Allah.” A century after Mohammad’s death the lands of Islam under Arab leadership stretched from Spain in the west across North Africa and most of the modern Middle East into Central Asia and northern India . (Spindlove & Simenson ,2004 pg.31)

I worked at 9731 Harper doing Assurance Wireless lifeline phones while Omar Mateen came to Detroit to work – to take charge of the Gay want to be Terrorist and to provide Protection to all because Omar Mateen asked me who was bothering me (I wanted to tell him how Qari Bilal Kidnapped my son but I stayed away from that subject because he will shoot up the club, your house , etc) , The Supreme Ruler of Dubai , and Mullah Krekar who helped to flip the leader of ISIS Abu Bakr Al- Baghdadi to America’s side and to President Donald Trump # 45 so America could keep the Oil ISIS(Israeli Secret Intelligence Services) was holding hostage in Iraq as one of their assets , and gain intelligence about ISIS as a whole . Again another Oil War which the Supreme Ruler of Dubai , Mullah Krekar and Omar Mateen and Mullah Krekar Son help to bring Abu Bakr Al- Baghdadi to America and his family to flip the Leader of ISIS to American side of the military so that American can gain the oil and the upper hand to ISIS ... But I was called in to witness for the FBI exactly what was going on at 9731 Harper and Gratiot Farmer John’s food Center .. Sahar Odurn also set me up with KIM JONG UN Momma while doing Assurance Wireless Lifeline Government Free Phones, because in 2002 I was arrested after I witnessed his secret detention - The Equal Pay Act of 1963 is a United States labor law amending the Fair Labor Standards Act, aimed at abolishing wage disparity based on sex. It was signed into law on June 10, 1963, by John F. Kennedy as part of his New Frontier Program. I’m also asking for Retirement benefits , Medicare , and Overtime and SSDI (Because I am disabled , I have chronic Kidney stones called Cystine, which is important because all the Arabs at 820 W. McNichols who was going to medical school started researching Cystine kidney stones – that’s how they know its me, I am who I am) . working for the FBI gathering Terrorist

information for the Detroit FBI office and well as the Joint Terrorism Task force as they came to my house looking for Gregory McKay who absconded from the JTTF. While Gregory McKay was absconded from the JTTF, he sucker punched me and knocked me down to the ground and split my forehead open where I needed 4 stitches I stabbed Gregory McKay after I got off the ground I apprehended him for the JTTF but the police arrested me and took Gregory McKay to the hospital where he Absconded from the JTTF again although I had caught him, all the police had to do was arrest him, but they arrested me causing the JTTF to come to my home to help re-apprehend Gregory McKay. So Gregory McKay was on the run with a stab wound to the leg. Detroit police the 12 precinct had kidnapped me for 2 weeks holding me against my will in a false arrest because Gregory McKay was a wanted fugitive by the Joint Terrorism Task Force which is division of Homeland Security, and I had the right to protect myself against a wanted fugitive who had been involved in Jane Bashara murder, and Vladimir Putin.- Detroit Police Department should be charged with False arrest, .

1. sometimes known as false imprisonment or wrongful arrest, occurs when someone wrongfully holds you against your will or takes you into custody. Both private persons and law enforcement agents can commit this crime when they act beyond or outside of the scope of their authority.

False arrest is a crime and a civil harm, enabling the victim to sue for damages in a civil lawsuit.

What Constitutes a “False Arrest?”

Someone who intentionally and wrongfully limits or restricts another person’s personal freedoms, against the victim’s consent, commits the crime of false arrest or false imprisonment. For example, keeping someone locked in your home against that person’s will is false arrest.

Kidnapping is closely related to false arrest because both involve an unlawful detention of a victim. Kidnapping is also a more serious crime because the kidnapper intends to harm the victim, hold that person for ransom, or otherwise facilitate the commission of a felony offense.

Some states also require that you move the victim from one place to another in order to commit a kidnapping.

Because false imprisonment involves the same basic actions as kidnapping, but without the more serious intentions, it’s known as a “[lesser included offense](#)” of kidnapping.

Again violating my Fourth amendment Right , within the scope and immunities of working at the behest of the F.B.I. “Citizens may resist *unlawful* arrest to the point of taking an arresting officer’s life if necessary.” *Plummer v. State*, 136 Ind. 306. This premise was upheld by the Supreme Court of the United States in the case: *John Bad Elk v. U.S.*, 177 U.S. 529. The Court stated: “Where the officer is killed in the course of the disorder which naturally accompanies an attempted arrest that is resisted, the law looks with very different eyes upon the transaction, when the officer had the right to make the arrest, from what it does if the officer had no right. What may be murder in the first case might be nothing more than manslaughter in the other, or the facts might show that no offense had been committed.”

“An arrest made with a defective warrant, or one issued without affidavit, or one that fails to allege a crime is within jurisdiction, and one who is being arrested, may resist arrest and break away. If the arresting officer is killed by one who is so resisting, the killing will be no more than an involuntary manslaughter.” *Housh v. People*, 75 111. 491; reaffirmed and quoted in *State v. Leach*, 7 Conn. 452; *State v. Gleason*, 32 Kan. 245; *Ballard v. State*, 43 Ohio 349; *State v. Rousseau*, 241 P. 2d 447; *State v. Spaulding*, 34 Minn. 3621.

The assault of My persons by Gregory McKay where he sucker punched me in a blaze attack was at the back entrance of my apartment building 900 Whitmore : When a person, being without fault, is in a place where he has a right to be, is violently assaulted, he may, without retreating, repel by force, and if, in the reasonable exercise of his right of self defense, his assailant is killed, he is justified.” *Runyan v. State*, 57 Ind. 80; *Miller v. State*, 74 Ind. 1.

I’m Being assaulted when I refuse sex to the Terrorist like Gregory McKay , and when they have absconded from the Joint Terrorism Task Force I did my part to apprehend him when he assaulted me in a blaze attack by sucker punching me , where I injured him by stabbing him where he had to call 911 for help , even – though he was wanted by the JTTF, because he was bleeding from the thigh and couldn’t walk. Again another Job for the FBI and JTTF that I worked in the capacity that I know how to help apprehend Terrorist Fugitives that they looking for ; without blowing my own cover.

“These principles apply as well to an officer(Like federal Case 14238 where Srgt Stevenson assaulted me while in a crucifix with 2 pairs of handcuffs and then I was deposed about Osama Bin laden being in Highland Park Michigan) attempting to make an arrest, who abuses his authority and transcends the bounds thereof by the use of unnecessary force and violence, as they

EASTERN DISTRICT OF MICHIGAN - UNITED STATES DISTRICT COURT

do to a private individual who unlawfully uses such force and violence.” *Jones v. State*, 26 Tex. App. 1; *Beaverts v. State*, 4 Tex. App. 1 75; *Skidmore v. State*, 43 Tex. 93, 903.

Gregory McKay also told me he had a Penn in his pocket . Then Officer D. Penn of the Detroit police department in 2 separate police precincts pulled me over . Once near Cadiuex where Gregory McKay was living and once on Gratiot near Van Dyke near Kim Jong UN momma’s beauty supply store at 7651 Gratiot . General Mark Milley, the chairman of the joint chiefs of staff, said on Monday that US forces would remain in Tanf along the Iraqi border, and more were being sent to the oil fields around Deir Ezzor in eastern [Syria](#).

Visual guide to the raid that killed Isis leader Abu Bakr al-Baghdadi

Video footage from the region showed US military convoys re-entering Syria, days after [Donald Trump](#) had ordered them out in advance of a Turkish invasion. The change of mind reportedly came after Pentagon officials persuaded the president that it was essential to protect east Syrian oil resources.

“Keep the oil, I’ve always said that. We’ve secured the oil,” Trump told a police chiefs’ conference on Monday. The president has said that his aim would be to secure a US share of Syrian oil revenues, which is potentially a war crime.

The defense secretary, Mark Esper, claimed that the objective of the deployment was to guard the oil fields to prevent the revenues benefiting Isis but also to keep them out of Syrian regime or Russian control, so that the benefits went to the Kurdish-led Syrian Democratic Forces (SDF).

Abu Bakr Al- Baghdadi is still alive despite reports of his killing due to the nature of the transition Abu Bakr Al- Baghdadi/Ali/ John... made into America at 9731 Harper Detroit Michigan at Farmer Johns Food Center , and the role the FBI Detroit Field office plays in it. If I go back to what Osama Bin Laden number 2 told me as suggestions and analogies ; and Donald Trump said referring to Abu Bakr Al- Baghdadi as a “dog”. According to the Guardian , “Baghdadi’s remains were then transported to a secure facility to confirm his identity with forensic DNA testing, and the disposal of his remains has been done, and is complete, and was handled appropriately,” Milley said. He would not confirm a Fox News report that the remains had been buried at sea, like those of Osama bin Laden in 2011. <https://www.theguardian.com/us-news/2019/oct/28/syria-us-troops-oil-fields-isis>

From what I saw at 9731 Harper Farmer John’s Food Center - Detroit Michigan . America ; Specifically Donald Trump gave Abu Bakr Al- Baghdadi the right to be in America for his contribution to America’s oil supply an lead information on ISIS as a Terrorist organization – if not then Russian ISIS militants will claim the Oil in Syria
